

## Leadership Reflection

- How did you first get into a leadership position?
- What was most helpful for you as a new leader?
- If you could go back, what do you wish had been different?
- If you could go back, what would you say to yourself as a new leader?
- What qualities do you admire the most in leaders?

## 12 Keys to Growing New Leaders

1. **Start with** \_\_\_\_\_ – for the Holy Spirit to bring you new leaders; for you to see their gifts and potential; and for their leadership journey
2. **Be** \_\_\_\_\_ – make the process a priority for yourself and your team; rarely happens by accident or at the moment you need to find a new leader
3. **Give them Opportunities** – hand off some responsibility; give them authority and a say in what you're doing
4. **Set the Bar** \_\_\_\_\_ – communicate your expectations; hold them accountable; challenge them to continually improve
5. **Be Open to Change** – your way is not the only way; allow them to try new things; give them the freedom to do things differently
6. **Allow for Failure** – we have all messed up...some of our best learnings come from things we did which did not work; embrace failure as a growth opportunity

## 12 Keys to Growing New Leaders

7. **Give** \_\_\_\_\_ – acknowledge what they are doing well and where they need to improve, but do so with specifics
8. **Encourage and Praise** – celebrate growth steps and the achievement of goals; reward where possible major accomplishments; keep encouraging
9. **Share Your Experiences** – young leaders today are very open to learning from those they see as ahead of them; build relationships by telling stories
10. **Focus on Their** \_\_\_\_\_ – our tendency is to focus on weaknesses; what do they do well? Help them grow their strengths...but not get tripped up by their weaknesses
11. **Invest in Them** – look for opportunities for them to continue to learn and grow as leaders (classes, books, workshops, conferences, coaching, etc...)
12. **Mentor Them**

### Mentoring Model

I DO – YOU WATCH – WE TALK

I DO – YOU HELP – WE TALK

YOU DO – I HELP – WE TALK

YOU DO – I WATCH – WE TALK

YOU DO – SOMEONE NEW WATCHES – WE TALK
