

SESSIONS INCLUDE:

What happens just before release

What to expect when your family member gets home

How supervision works

Community resource information

March 26, 2025

COMMUNITY FAMILY FORUM

Why **YOU** are invited . . .

For a person being released from prison and their support system, reentering the community can be a challenging time. For family members and loved ones who are committed to assisting them, we want you to have the knowledge and be prepared as you take on this important role.

Please join the Office of Reentry to get information, ask questions and participate in discussions about what to expect and how to address some of your concerns.

WHERE

New London
United Methodist Church
58 E. Main Street
New London, Ohio 44851

WHEN

6:30 - 8:00pm
