

# OHIO SITES

(Northeast Reintegration Center and Pickaway Correctional Institution)

**The Douglass Project offers a multi-state Prison Visitation Program that enables community members around the country to visit local correctional facilities and engage in open, face-to-face conversations with incarcerated people.** We believe that these unique encounters will spur understanding and empathy—for both visitors and incarcerated individuals—that will, in turn, drive meaningful personal and systemic change.

Cohorts of approximately 10-20 outsiders per visit will visit correctional facilities and engage in face-to-face conversations with a same sized group of incarcerated adults. The conversations are facilitated by Douglass Project staff using proven tools and techniques that encourage respectful sharing and honest and dignified discussion. Cohorts of outside participants can join individually or as an affiliated group.
