Safe Gatherings Approval

Comprehensive Protection System with No Annual Fees

Safe Gatherings ensures the safety of children, youth, and vulnerable adults.

Applicant Management Portal

Automated reminders sent to applicants prompting them to complete their training. Automated renewal notices sent to applicants based on pre-set renewal cycle. Church admins can log in to track applicant status, run reports and more!

Thorough Screening

Enhanced criminal history search includes: • Address history • 7 year felony/misdemeanor search - county/state AND federal levels • Sex Offender Registry / National Criminal Database search

FCRA Compliant

As part of Validity Screening Solutions, Safe Gatherings adheres to the rigorous standards set by the Fair Credit Reporting Act (FCRA).

Online Training Program

Equips applicants with essential knowledge and safety protocols.

Approval Documentation

Successful applicants receive certification valid for *three years*.

Live Customer Support

When you call Safe Gatherings, you'll always connect with a real person—no frustrating phone trees.

POLICY BUILDER

Create • Comply • Manage

Create a policy using one of our custom templates, or create or import your own.

Comply with required policies (Conference, church, insurance, etc)

Manage policies, and track who has read and signed off on each policy.

Available for purchase through the Safe Gatherings dashboard. Flat rate & renewal options available.
