**EAST OHIO CONFERENCE
BOARD OF MINISTRY
PSYCHOLOGICAL ASSESSMENT POLICY
(Revised September 2, 2010, Revised 12/9/14, Revised 1/15/2020)**

(See Chapter 8 of BOM Handbook for background information and requirements)

1. Psychological assessments are helpful to the district committees, the Conference Board of Ministry and mentors who are interviewing, approving and mentoring candidates for clergy careers.

Assessment at the time of candidacy is to assist in determining fitness and competency for ministry; at the time of provisional membership interviews determining readiness; and at the time of full membership interviews determining effectiveness.

2. A psychological assessment must be completed and a report forwarded to the East Ohio Conference Board of Ministry Psychological Assessment Representative at the following times:
- a. Before a candidate becomes a certified candidate and/or is appointed as a local pastor.
 - b. When a candidate applies for a change of status to provisional or associate membership . The assessment completed for provisional or associate membership is valid for four years, but a new one is required prior to application for full membership. (effective 10/1/2011, revised 12/9/14)
 - c. When a candidate applies for full membership they must have a new psychological assessment completed by a new MAS. The assessment completed for the full membership process is valid for four years. (effective 10/1/2011, revised 12/9/14 and 4/28/15)

The Conference Board of Ministry reserves the right to require additional testing at any time in the process.

At the time of a new assessment, the previous report(s) may be provided to the MAS by the Psychological Assessment Representative.

3. Required tests are completed in the presence of the mentor and shall include:
- a. Minnesota Multiphasic Personality Inventory-2,
 - b. Sixteen Personality Factor (completed online), and
 - c. Incomplete Sentences Blank
 - d. Personal and Professional Reference List will be provided by the candidate with envelopes enclosed with name and completed mailing addresses of a minimum of three references. The mentor will send them to Candidacy Assessment office in Nashville. They will then mail a recommendation form to the persons for whom an envelope is addressed.

The tests are scored by GBHEM in Nashville and the results are forwarded to a Ministerial Assessment Specialist (MAS) selected by the candidate from those approved by the East Ohio Conference Board of Ministry. The references are returned directly to the MAS. When the test scores and a minimum of three references have been received the MAS will schedule an interview with the candidate. If references are not returned, it will be the responsibility of the candidate to make necessary contacts to have these sent to the MAS.

4. The Ministerial Assessment Specialist (MAS) is required to complete the following:
 - a. Face-to-face Interview of candidate.
 - b. Interpretation of scores provided from psychological testing.
 - c. Written reports are viewed as written consultations to interview committees for use in the formulation of questions they may need to raise with the candidate in their face-to-face interviews. The reports should use non-technical language understandable to the candidate, the district committee and the Board of Ministry. The report should include the following areas:
 - Current Status in the Candidacy Process
 - History of the Candidate
 - Clinical Interview Summary (Mental Status and Personal Presentation)
 - Interpretation of Test Results and Recommendation Forms
 - Areas of Strength and Growth Needed
 - Recommendations including questions to be explored in interviews and implications for ministry.
 - d. Recommendations pertaining to the fitness, competency, readiness and effectiveness of the person for ministry are requested following the suggestions of the attached addendum "Psychological Reports as Evaluation".
 - e. The written report is to be completed within two weeks of the interview and mailed to the East Ohio Conference Board of Ministry Psychological Assessment Representative.

5. The Board of Ministry shall be the owner of the report. The raw test data shall be kept by the MAS's according to professional standards. The BOM Psychological Assessment Representative will send the report to the registrar who is relating to the candidates and keep a copy of the report until it is placed in the permanent file when a candidate is ordained.

No report or test results will be released to others by the BOM.

6. If a candidate desires to have a second opinion report for their assessment, this may be secured by the candidate at their cost. This opinion will be based on the same test data and the previous report which will be provided to the second MAS by the original MAS.

7. The district committee on ministry shall review the report prior to conducting face-to-face interviews with the candidate for certification and provisional membership. The report will be kept in the file of the district committee on ministry.

The district committee on ministry shall encourage the candidate to review their psychological report. The report shall be reviewed with the candidate in a personal meeting with the district registrar or district chair. The candidate's mentor will be encouraged to attend this review with the candidate to facilitate follow-up with the mentor. The candidate shall sign a statement that they saw the report on a specified date and who was present at that meeting.

8. When the candidate is recommended for interview by the Board of Ministry, the report shall be forwarded to the appropriate Registrar of the Board of Ministry. The candidate may review their file including the psychological assessment report in the presence of the Registrar. The interview team of the Board of Ministry shall review the report prior to conducting face-to-face interviews with the candidate.

9. The testing cost is the responsibility of the candidate. The candidate shall pay \$375. From this amount:

- \$75 shall be paid to the General Board of Higher Education and Ministry in Nashville, Tennessee, to cover the testing cost.
- \$300 shall be paid to the MAS at the time of the face to face interview.

Those candidates who are in financial need are encouraged to contact their local churches and/or district committee on ministry for financial assistance. Some candidates are helped with this cost: they pay 1/3, district pays 1/3 and their local church pays 1/3.

The Conference Board of Ordained Ministry has a limited amount of scholarships available. Candidates need to be referred by their district committee on ministry. The Committee send a request to the Board Psychological Assessment Representative. Contact information can be found on the East Ohio Conference website under Pathways to Ministry/Board of Ordained Ministry. The BOM Treasurer will then forward the scholarship to the MAS or appropriate service.

The Conference Board of Ministry may, upon request, pay 1/2 of the cost of a psychological assessment required prior to applying for full membership. Requests for reimbursement of 1/2 the cost of the psychological assessment may be submitted to the Conference Board of Ministry Treasurer.

The MAS will not release the report until payment is made. Payment to be made from district or conference sources may be verified in writing to the MAS.

10. The BOM will remain in regular dialogue with the specialists regarding what is needed for the psychological reporting. Ministerial Assessment Specialists should report to the boards any suggestions they may have for facilitating the process.

11. The Board of Ministry will provide training to Board members, district committee members and mentors in the interpretation and use of psychological assessment reports.

ADDENDUM

Psychological Reports As Evaluation

Psychological reports consist primarily of a clinical description and evaluation of personality. They are typically based on test data as well as data from a diagnostic or history-taking interview.

The focus of the psychological report is on description rather than prediction. The personality description is set in the context of psychological role requirements of professional ministry in The United Methodist Church. Evaluation occurs throughout the report.

There will be predictive statements of a general nature about the long-term effect of the trends and patterns of a given personality style as that relates to the psychological role requirements of ministry. It is not predictive with reference to specific behaviors in specific situations. Predictive statements are typically beyond the competence of psychological assessment given the present state of the science of psychological prediction.

The following seven categories may be used as a summary evaluative statement under the rubric of mental health and interpersonal functioning. These categories should be used to clarify for the MAS the nature of the statements included in the report, as representatives of the category, rather than the MAS using the category name in the report. The categories are not to be placed in the report since nothing in the report should be seen as tying the selection committee's hands. The selection committee makes the decision, not the MAS. However, selection committees can benefit from a professional opinion properly stated at the conclusion of a descriptive report.

As noted, the name of the category should not be included in the report. However, a descriptive sentence that would communicate a professional opinion to the selection committee is added as an example for each category and may be used in the test of the MAS reports.

The lead phrase for the bottom line professional opinion may be phrased as follows: Based on the data made available at the time of this review, when seen from the perspective of mental health and effective interpersonal functioning, the applicant appears to be:

1. Highly regarded. For this category the conclusion might be, "in robust mental health and evidences rather exceptional interpersonal skills. These personal gifts should enable the individual to move through the formation process provided in seminary and achieve a point of readiness for the beginning practice of professional ministry."
2. Recommended. The MAS might conclude the report with the statement, "Based on the data made available at the time of this review, when seen from the perspective of mental health and effective interpersonal functioning, the applicant appears to have developed the intrapsychic structures and interpersonal styles that can provide a good foundation for the development of effectiveness in full-time professional ministry."
3. Acceptable with the following notations. Use the same language as in (#2 above) but add a sentence or more as appropriate indicating the substance of the notation. For example, "This candidate appears to be too hard on him/herself and will need to attend a regular observances of days off and vacations, along with keeping a reasonable schedule, in order to avoid burnout."

4. Acceptable if the following conditions are met. A sample statement would be, “Based on the data made available at the time of this review, when seen from the perspective of mental health and effective interpersonal functioning, the applicant appears to be in need of some focused work on problems with authority figures. The applicant could benefit from a year of administrative supervision with a firm but caring experienced senior supervisor, from whom this individual can learn the value of promptness in the completion of work assignments, the necessity of keeping appointments on a regular schedule, and other such matters of significance to the effective functioning of a professional. At the end of the training period of one year, reports from the administrative supervisor and others may be utilized to evaluate for progress in candidacy.”

5. Marginal, with the following areas of concern needing attention and remediation specified or as need to be described such as, “The applicant appears to be in need of significant therapeutic work in areas of gender identity development, need for a greater degree of autonomy and individuation, further development of a positive sense of self and a higher level of self-esteem, and the resolution of some chronic depressive features in his/her personality structure. This process is likely to take some time, such as a year or more, in individual psychotherapy, plus an additional period of time beyond the individual counseling, working in group therapy. Without a successful therapeutic experience in which these and other related areas are successfully addressed, the applicant would not appear to have the emotional resources with which to cope with the demands of professional ministry, whether in a parish or setting beyond the local church. Subsequent to the applicant’s therapeutic work, another review of the present sort would need to be held, as an independent evaluation about progress to that date, and prospects for the future adjustment and growth.”

6. Not acceptable as he/she presents at the present time. If improvement occurs in the areas noted, the applicant may be encouraged to reapply at a later time. “The applicant presents with significant emotional and/or, cognitive and/or conduct difficulties of a psychiatric nature. It is recommended that this individual be referred for psychiatric evaluation, and for ongoing psychotherapy. This intervention is likely to involve more than one year of work, and possibly as much as three or four years of sustained work, before the individual would be ready for the stresses and strains of preparation for professional ministry, let alone be ready to cope with functioning in parish or agency ministries.

The nature of these difficulties are sufficiently intricate and complex that the applicant would need to have successfully completed two-thirds to three-fourths of the work before a subsequent application could be evaluated with any confidence. Nevertheless, given a successful therapeutic experience of some intensity and duration, a subsequent review would seem to be in order, to further establish his/her readiness to begin preparation for a possible career in professional ministry.”

7. Not acceptable at this time, and not likely to be so in the foreseeable future, hence the applicant is encouraged to consider the following alternatives: “The applicant presents with significant hindrances to effective service in this annual conference and denomination, and possibly in ministry as a vocation as well. Given the applicant’s need for interpersonal and emotional distance, his/her tendency to be self-absorbed, the tendency to personalize all incoming messages, the tendency to displace anger onto others and then experience them as being angry, the tendency to utilize fantasy as the criterion for whether problems are solved or not, and the like, it would be important for this individual to engage in a structured experience which would enable them to, in light of God’s call, reconsider their vocational call. The applicant would need to be aware that even if he/she engages in the foregoing process, that there is no point in submitting a reapplication in this process, should the committee so decide.”

The foregoing language which interprets each of the major categories of the rating scale is intended as suggestive only. Naturally each MAS will want to select the language which fits the particular report, so that the selection committee does receive a professional opinion about the entire report, but in language which is nontechnical and nonbinding. That is, the professional opinion of the MAS should be made in language that provides consultation with and information for the selection committee to arrive at a decision regarding the candidate.

**East Ohio Conference
United Methodist Church
Board of Ministry
Policy on Candidacy for Conference
Membership Updated December 9, 2014**

Rationale of the Board of Ministry for Recommendation of Applicants for Orders and Membership:

The standards used as the basis for an applicant's recommendation include:

A Clear Call to Ordained Ministry

While it is true that all Christians are called to ministry, scripture and tradition teach that God calls and the Church sets apart individuals for specialized ministry of service, word, sacrament, and order. The Board of Ministry assumes that an applicant for ordination will be able to articulate his/her calling in a clear and specific manner.

Gifts and Graces for Ordained Ministry

Those whom God calls, God also equips. The apostle Paul said, "God gave some as apostles, and some as prophets, and some as evangelists, and some as pastors, and teachers...to the building up of the body of Christ." We believe that those who have been called and equipped by God for ministry will display evidence of those gifts and graces in their lives. The Board of Ministry examines such information as autobiographical statements, personal references, evaluations, criminal background checks, and psychological assessments as part of the recommendation process.

Academic Preparation

Paul exhorted Timothy to "Be diligent to present yourself approved to God as a worker who does not need to be ashamed, handling accurately the word of truth." We believe that adequate academic preparation is the foundation for "handling accurately the word of truth." The Board of Ministry uses academic records and evaluations, submitted assignments, and the interview process to determine the level of academic preparation of an applicant. The applicant should be able to communicate the Christian faith in an articulate and consistent manner.

Suitability for Ministry in the United Methodist Tradition

While we recognize and rejoice in the pluralistic nature of our particular community of faith, we also recognize the strength and unity that is provided by our great tradition and polity. The Board of Ministry expects applicants to be well-read and conversant in Wesleyan thought and tradition, as well as supportive of our unique system of organization and governance. In our evaluation, the Board examines closely such things as doctrinal statements, sermons, attitudes about connectionalism and itinerancy, and collegiality. The goal of the entire process is to recommend those who are truly called, gifted, and prepared for ordained ministry in the United Methodist Church.

Assignments Requirement

The Board of Ministry gives careful attention to the applicant's assignments. Although this is not the only criteria by which evaluations and recommendations are made, the assignments is a significant part. Applicants, therefore, are strongly advised to take the assignments very seriously, giving careful attention to preparation, presentation, form, content, grammar, and inclusive language.

Assignments that are hastily and shoddily prepared merely to meet a requirement are a poor representation of the applicant. Attention to form and style, proper footnoting, and neatness will not only make a good first impression, but will also facilitate a better presentation of qualifications. All applicants are required to consult and use the suggested format of Kate Turabian's "A Manual of Term Papers, Theses, and Dissertations" for work submitted. Each candidate has the responsibility to ensure that all required paper work is in their file. Each candidate is welcome to look at the contents of their file by contacting the Registrar.

Policy:

It is the expectation of the Board of Ministry of the East Ohio Conference of the United Methodist Church that candidates for ministry shall display high standards of professional abilities such as: oral and written communication, relationship skills, listening skills, the ability to follow directions, the ability to work independently, the ability to initiate resource seeking, etc.

Therefore, it is the policy of the East Ohio Conference, Board of Ministry, that all candidates applying for interviews with the Board of Ministry shall complete all assignments required by the Board of Ministry and shall submit all required assignments in full by the time deadline set annually by the Board of Ministry (BOM). The specifics of assignments are posted on the East Ohio Conference website (www.ecumc.com) under "Pathways to Ministry".

Failure to meet the specific requirements, or failure to submit all required assignments and forms by the deadline, shall result in the candidate being prohibited from moving forward to interviews in that Annual Conference year. The BOM shall have the sole responsibility for setting requirements and determining if those requirements have been met.

It is the responsibility of the candidate to ensure that they are aware of all requirements of the Board of Ministry. Candidates may consult with the Registrar of the Order and/or view requirements on the East Ohio Conference website for details. The Board of Ministry Registrars will ensure that the website is updated on a regular basis.

Requirements of the Board of Ministry:

1. Provisional members who are applying for admission into full connection must have served as a provisional member at least two years and no more than eight years before being ordained.
2. Candidates for full ordination shall have served under Episcopal appointment for at least two full annual conference years following completion of educational requirements.
3. Required documentation and assignments shall be submitted by the deadlines.
4. Candidates who are applying for provisional membership shall have been a certified candidate for at least one year and no more than twelve years and shall have completed seminary education prior to commissioning.

2016 Book of Discipline ¶338, 338.1, 338.2

The Itinerant System:

The itinerant system is the accepted method of the United Methodist Church by which ordained elders, provisional elders, and associate members are appointed by the bishop to fields of labor. (Judicial Council Decision 713) All ordained elders, provisional elders, and associate members shall accept and abide by these appointments. Bishops and cabinets shall commit to support open itinerancy and the protection of the prophetic pulpit and diversity. Persons appointed to multiple-staff ministries, either in a single parish or in a cluster or larger parish, shall have personal and professional access to the bishop and cabinet; the committee on pastor-parish relations, as well as to the pastor in charge. The nature of the appointment process is specified in ¶¶425-429 BOD.

¶338.1: Full-Time Service

Full-time service shall be the norm for ordained elders, provisional elders, and associate members in the annual conference. Full-time service shall mean that the person's entire vocational time, as defined by the district superintendent in consultation with the pastor and the committee on pastor-parish relations, is devoted to the work of ministry in the field of labor to which one is appointed by the bishop.

¶338.2: Less than Full-Time Service

On occasion, less than full-time service is requested by or required of an elder, provisional elder, or associate member. A clergy member may be appointed in one-quarter, one-half, or three-quarter time increments by the bishop to less than full-time service without loss of essential rights or membership in the annual conference. Division of Ordained Ministry-endorsed appointments beyond the local church may be for less than full-time service. At the initiative of the bishop and cabinet or at his or her request, an elder, provisional elder, or associate member may receive a less than full-time appointment under the conditions stipulated in this policy:

1. Less than full-time service shall mean that a specified amount of time less than full-time agreed upon by the bishop and the cabinet, the clergy member and the annual conference Board of Ordained Ministry is devoted to the work of ministry in the field of labor to which the person is appointed by the bishop.
2. At the initiative of the bishop and cabinet or at his or her own initiative, a clergy member may be appointed in one-quarter, one-half, or three-quarter time increments by the bishop to less than full-time service without the loss of essential rights or membership in the annual conference. See General Board of Health and Pension policies for additional information regarding health benefits for the part-time clergy.
3. Division of Ordained Ministry endorsed appointments beyond the local church may be for less than full-time service.
4. Appointment to less than full-time service is not a guarantee, but may be made by the bishop provided that the following conditions are met:
 - a.

BOM 09 “Transfers into and out of EOC from other Annual Conferences of the UMC”

The ordained elder, provisional elder, or associate member seeking less than full-time service should present a written request to the bishop and the chairperson of the Board of Ordained Ministry at least 90 days prior to the annual conference session at which the appointment is made.

Exceptions to the 90-day deadline shall be approved by the cabinet and the executive committee of the Board of Ordained Ministry.

- b. The bishop may appoint an ordained elder, provisional member elder, or an associate member to less than full-time service. The clergyperson shall be notified at least 90 days prior to the annual conference at which the appointment shall be made. Special attention shall be given to ensure that the values of the itineracy are preserved.
- c. Following appropriate consultation, as established in ¶¶338 and 425-429 and upon joint recommendation of the cabinet and the Board of Ordained Ministry, the less than full-time category shall be confirmed by a two-thirds vote of the clergy members in full connection of the annual conference.
- d. Reappointment to less than full-time service shall be requested by the ordained elder, provisional elder, or associate member and approved annually by the bishop and cabinet and shall not be granted for more than a total of eight years, except by a three-fourths vote of the clergy members in full connection of the annual conference.
- e. Ordained elders, provisional elders, and associate members who receive appointment at less than full-time service remain within the itineracy and, as such, remain available, upon consultation with the bishop and cabinet, for appointment to full-time service. A written request to return to full-time appointment shall be made to the bishop and cabinet at least six months prior to the annual conference session at which the appointment is to be made.
- f. The bishop may make *ad interim* appointments at less than full-time service upon request of the ordained elder, provisional elder, or associate member following consultation as specified in ¶¶424-428 and upon recommendation of the cabinet and executive committee of the Board of Ordained Ministry, the same to be acted upon by the next regular session of the annual conference. (See Judicial Council Decision 579)
- g. Upon request of the bishop, cabinet or clergy a meeting with the Conference Pastoral Advisory Committee and the clergy shall be held prior to the part-time appointment.

5. Note: Please refer to Book of Discipline, 2016, ¶359 for “Administrative Location” and issues of effectiveness.

6. If the clergy requesting less than full time service appointment is seeking ordination and full membership a less than full-time appointment will be recognized by the Board of Ordained Ministry as follows:
 - a. $\frac{3}{4}$ time service equals $\frac{3}{4}$ of a year towards provisional membership requirement
 - b. $\frac{1}{2}$ time service equals $\frac{1}{2}$ of a year towards provisional membership requirement

VOLUNTARY LEAVE OF ABSENCE

¶352 Change of Relationship and 353 Voluntary Leave of Absence

¶ 352. Provision for Change in Conference Relationship—

When a change in conference relationship is deemed necessary or desirable by a provisional or associate member, clergy in full connection, district superintendent or bishop, whether for a short or long term, the person(s) requesting the change shall make written request to their Board of Ordained Ministry stating the reasons for the requested change of relationship. In addition, the Board of Ordained Ministry may request personal interviews with the provisional or associate members and members in full connection named in the requested change, except where personal appearance results in undue hardship.¹ Clergy appointed to a general agency of The United Methodist Church shall be covered by the policies of the agency in relation to family leave, maternity or paternity leave, and medical leave.

¶ 353. Voluntary Leave of Absence—

1. Provisional, associate, or members in full connection of the annual conference who for sufficient reason choose to temporarily take leave from their ministerial appointment may request in writing with a copy to the bishop and their district superintendent a voluntary leave through the Board of Ordained Ministry. This leave is granted or renewed by vote of the clergy members in full connection upon recommendation by the Board of Ordained Ministry.
2. A voluntary leave of absence may be taken for a variety of reasons:
 - a) Personal Leave—A relationship that is granted to clergy who self-determine for personal reasons that they are temporarily unable or unwilling to continue in a ministry appointment.
 - b) Family Leave—A relationship that is granted to clergy who, because of an immediate family member’s need for full-time care, are temporarily unable to continue in a ministry appointment.
 - c) Transitional Leave—A leave granted for up to twelve months with approval of the bishop and the Board of Ordained Ministry Executive Committee to provisional and associate members and full clergy members in good standing who are temporarily between appointments,.

A transitional leave of absence may be granted for the following reasons:

- (1) A provisional or full member deacon needs to seek and secure an appointable primary position—compensated or nonsalaried.
- (2) A provisional or full member elder, or an associate member needs to transition from an extension ministry to another appointment, or from a local church appointment to an extension ministry appointment.

During transitional leave, the clergyperson shall provide quarterly substantiation of his or her effort to obtain such an appointable position to the bishop and to the Board of Ordained Ministry Executive Committee.¹

3. Written request for a voluntary leave of absence should be made at least ninety days prior to the annual conference session giving specific reasons for the request.² Representatives

of the annual conference Board of Ordained Ministry may interview the clergy member to determine sufficient cause.³ Personal leave and family leave shall be approved annually upon written request of the clergy member and personal or family leave shall not be granted for more than five years in succession, except by a two-thirds vote of the clergy members in full connection.² Transitional leave shall not be renewed beyond a twelve-month period. Voluntary leave shall be counted as a part of the eight-year limit for provisional members (§ 327).³

4. Between sessions of the annual conference, voluntary leave of absence may be granted or terminated by the executive committee of the Board of Ordained Ministry after consultation with and approval by the bishop and district superintendents. This interim action shall be subject to the approval of the clergy session of the annual conference at its next session.⁴
5. Should there be active complaints or charges, a request for voluntary leave of absence shall not be permitted until those complaints or charges have been resolved.
6. Clergy on voluntary leave of absence shall have no claim on the conference funds. Notwithstanding the foregoing, where the conference has made certain elections under applicable benefit plans that require continued participation by clergy on voluntary leaves of absence, the clergy shall continue to participate in such plans. They may participate in the conference health program through their own contributions, if applicable. However, in exceptional circumstances, on recommendation of the bishop and district superintendents, salary and/or other benefits, subject to the terms of the applicable benefit plans, may be granted to a clergy member, if applicable, by vote of the clergy session of members in full connection with the annual conference. In an interim between sessions of the annual conference, by vote of the bishop, cabinet, and executive committee of the Board of Ordained Ministry, salary and/or benefits, subject to the terms of the applicable benefit plans, may be granted, if applicable.
7. Clergypersons on voluntary leave shall be eligible for membership on annual conference committees, commissions, or boards. They may vote for other clergy delegates to general or jurisdictional conferences and may be elected to serve as delegates themselves.⁵
8. After consultation and with the written consent of the pastor in charge, and with the approval of the district superintendent and the staff-parish relations committee of a local church, clergy members on leave of absence shall designate a charge conference within the bounds of the East Ohio Annual Conference and they shall submit an annual report to that charge conference. They shall report all marriages performed, baptisms administered, funerals conducted and other ministerial activities to the charge conference, pastor in charge, and Board of Ordained Ministry Conference Relations Registrar. The exercise of this ministry shall be limited to the charge conference in which their membership is held and with the written permission of the pastor in charge unless special permission is granted by the bishop of the conference where membership is held. With the permission of the bishop of the conference where membership is held, under the supervision of the district superintendent, the clergy member may preach, teach,

perform marriages, and, if holding sacramental privileges, administer the sacraments outside of the charge where membership is held.

Each time that there is a change in the pastor of the church where the charge conference relationship is held, or a change in the District Superintendent of the District where the church where the charge conference of a person on Leave of Absence is held, it is the responsibility of the clergy person on leave to request a new letter be sent to the Conference Relations Registrar acknowledging that the clergyperson is known to be affiliated with that charge.

9. Those on voluntary leave of absence shall be held amenable to the annual conference for their conduct and the performance of their ministry. In case of failure to report to the Board of Ordained Ministry, the complaint procedures may be invoked (§ 363).
10. Clergy members on voluntary leave of absence may, with the permission of the bishop and with the approval of the United Methodist Endorsing Agency, continue to hold an existing reserve commission as an armed forces chaplain, but may not voluntarily serve on extended active duty.
11. When an end to voluntary leave of absence is requested, it shall be by written request at least six months prior to the session of annual conference.⁶ The Board of Ordained Ministry shall review the circumstances surrounding the granting of the leave for the purpose of determining whether those circumstances have been alleviated or resolved. When the board has determined that the circumstances of the voluntary leave have not been alleviated or resolved and the request is denied, the board will inform the person of the remaining options, which include:
 - a) remaining on voluntary leave of absence;
 - b) taking honorable location;
 - c) being recommended to the bishop and district superintendents to be placed on involuntary leave, administrative location, or involuntary retirement,⁷ using the fair process of § 362.1; or
 - d) such other action as deemed appropriate.
12. When clergy members on voluntary leave of absence do not request an annual extension of the leave of absence during the five-year period or do not indicate willingness to receive an appointment at the end of the five-year period, following documented efforts to make contact with the clergyperson, the provisions of location (§ 359)⁸ or the complaint procedures of § 363 may be invoked.

For Clarity:

1. A person requesting a Voluntary Leave of Absence (VLOA) will meet with the Conference Pastoral Advisory Committee (CPAC) giving specific reasons for the request. CPAC will then make a recommendation to the Cabinet and the Board of Ordained Ministry. Neither body is bound by the action of CPAC. All motions of the Board of Ordained Ministry concerning status are recommendations and subject to the action of the Clergy Executive Session of East Ohio Annual Conference.
2. While on VLOA a clergyperson must have a charge conference relationship with a church within East Ohio conference (§354.7)

The Conference Relations Registrar must receive a letter from the pastor of the clergyperson's designated charge conference verifying that they are truly related to that

BOM 11. “Voluntary Leave of Absence”

- charge conference. The Conference Relations Registrar must also receive a letter from the District Superintendent over that charge stating that they are aware that the clergyperson is holding their charge conference relationship at the charge. Whenever either the District Superintendent or the pastor of the charge changes, it is the responsibility of the clergyperson to initiate the sending of a new letter to the Conference Relations Registrar.
3. The exercise of ministry by the clergy on leave status shall be limited to the charge conference in which their membership is held and with the written permission of the pastor in charge unless special permission is granted by the bishop.
 4. They shall report annually to their charge conference and to the Conference Relations Registrar all marriages performed, baptisms administered, funerals conducted, and other ministerial activities.
 5. A clergyperson on Voluntary Leave of Absence will receive annually a form from the Conference Relations Registrar. That form will indicate the date by which the annual form must be completed and returned to the Conference Relations Registrar. Failure to complete this form and return it in a timely manner may cause the Board of Ordained Ministry to end the Voluntary Leave of Absence (VLOA) status.
 6. Conference Relations Registrar will make a recommendation to the Board of Ordained Ministry or the Board of Ordained Ministry Executive Committee to grant continuation of the Voluntary Leave of Absence status for the ensuing conference year after receiving appropriate annual forms from the clergy member requesting that Voluntary Leave of Absence status continue.
 7. Failure to return the annual form, and to make written request for continuation of VLOA may result in a change of status.
 8. Any consecutive combination of voluntary or involuntary leave of absence shall be counted in the total limitation of five years. Extension of the five-year period takes special vote by the executive session.
 9. When a person requests an end to Voluntary Leave of Absence (§354.9) they must submit a written request six months prior to Annual Conference and request an interview with the Conference Pastoral Advisory Committee. CPAC shall review the circumstances surrounding the granting of the relationship for the purpose of determining whether those circumstances have been alleviated or resolved
 10. Because an interim leave of absence is subject to the approval of the clergy session, the first full Conference year of the Leave of Absence following the action of the clergy session shall constitute year one for the purposes of determining the limitation of number of years on Leave.

Policy 318: Medical Leave Due to Medical and Disabling Conditions that Prevent Performance of Ministerial Duties—

¶ 356. Of the 2016 Book of Discipline

Medical Leave Due to Medical and Disabling Conditions that Prevent Performance of Ministerial Duties—

For the purposes of this policy as it relates to the East Ohio Conference of the United Methodist Church the "joint committee on clergy medical leave of the annual conference, or the party responsible for managing clergy medical leaves in accordance with the annual conference's policies" shall be the East Ohio Conference Board of Pensions and Health Benefits.

¶ 356. When clergy who are members of an annual conference (¶ 369) are unable to perform their ministerial duties because of medical and disabling conditions, upon recommendations of the conference Board of Ordained Ministry and the conference board of pensions, and by a majority vote of the executive session of clergy members in full connection with the annual conference who are present and voting, they may be granted annual medical leave without losing their relationship to the annual conference; provided, however, that such leave may be granted or renewed upon reasonable and appropriate investigation of the case by the joint committee on clergy medical leave of the annual conference, or the party responsible for managing clergy medical leaves in accordance with the annual conference's policies, which will report its findings to the conference Board of Ordained Ministry and the conference board of pensions.

1. This relationship may be initiated by the clergy member or cabinet with or without the consent of the clergy member through the Board of Ordained Ministry. When medical leave is given without the clergy member's consent, reasonable accommodation shall be offered whenever possible.
2. When a clergy member is granted medical leave by the annual conference, if the medical evidence has not yet met the standards for the receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference board of pensions may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the medical leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan. Each medical leave granted by the annual conference shall be recorded in the conference minutes.
3. When clergy who are members of an annual conference are unable to perform their ministerial duties between sessions of the annual conference on account of medical conditions, with the approval of a majority of the district superintendents, after consultation with the executive committee of the conference Board of Ordained Ministry and the executive committee of the conference board of pensions, a medical leave may be granted by the bishop for the remainder of the conference year; provided, however, that such leave may be granted upon reasonable and appropriate investigation of the case including accommodation provisions by the joint committee on clergy medical leave of the annual conference, or the party responsible for managing clergy medical leaves in accordance with the annual conference's policies, which will report its findings to the conference Board of Ordained Ministry and the conference board of pensions. When a

clergy member is granted medical leave by the bishop, if the medical evidence has not yet met the standards for receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference board of pensions may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the medical leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan.

4. When clergy members on medical leave provide medical evidence that they have recovered sufficiently to resume ministerial duties, or are able to return through reasonable accommodation, in consultation with the appointive cabinet, upon recommendation of the joint committee on clergy medical leave, Conference Pastoral Advisory Committee (CPAC) or the conference relations committee, and with the approval of the executive committee of the conference Board of Ordained Ministry, they may receive an appointment from a bishop between sessions of the annual conference, thereby terminating the medical leave. Such appointment shall be reported immediately by the cabinet to the conference board of pensions, the conference Board of Ordained Ministry, and to the General Board of Pension and Health Benefits. Such termination of leave, together with the effective date, shall also be recorded in the minutes of the annual conference at its next regular session.ⁱ
5. A person under consideration for medical leave shall have the right to appear before the joint committee on clergy medical leave or to designate someone to meet with the committee on his or her behalf. In the event of unresolved issues, a person will be ensured of fair process per the guidelines for administrative hearings in ¶ 361.2.
6. Any person eligible to receive an appointment from a bishop and able to perform ministerial duties may not be placed on involuntary medical leave solely because of a medical condition. All reasonable accommodations should be made to enable qualified clergy with disabilities to serve in ministry settings compatible with their gifts and graces. (See 2016 Book of Resolutions, 3002.)

Administrative Location

¶ 359. of the 2016 Book of Discipline

Administrative Location—

1. When an associate or full member clergy person's effectiveness is in question, the bishop shall complete the following procedure:
 - a) Identify the concerns. These can include an associate or full member clergy person's failed professional responsibilities or vocational ineffectiveness.
 - b) Hold supervisory conversations with the associate or full member clergy person that identifies the concerns and designs collaboratively with the associate or full member clergy person a corrective plan of action.
 - c) Upon evaluation, determine that the plan of action has not been carried out or produced fruit that gives a realistic expectation of future effectiveness (¶ 334.3).
2. If the process defined above (§1) has been completed and has failed to produce sufficient improvement, the bishop and the district superintendents may request that an associate or full member be placed on administrative location without the consent of the clergy member. They shall provide to the clergy member and the Board of Ordained Ministry, in writing, specific reasons for the request. The conference relations committee of the Board of Ordained Ministry shall conduct a fair process hearing as set forth in ¶ 361.2 in any administrative location procedure. The committee shall report the result of the hearing to the full Board of Ordained Ministry for its action. Any recommendation to administrative location shall be presented from the Board of Ordained Ministry at the next following meeting of the clergy session for final action. Between sessions of the annual conference, an associate or full member may be placed on administrative location by the Board of Ordained Ministry. This interim action shall be subject to the approval of the clergy session of members in full connection with the annual conference at its next session.
3. Administratively located clergy shall not continue to hold membership in the annual conference, and they shall surrender their certification of conference membership for deposit with the conference secretary. After consultation and with the written consent of the pastor in charge, and with the approval of the district superintendent and the staff-parish relations committee of a local church, clergy placed on administrative location shall designate a charge conference within the bounds of the annual conference that placed them on administrative location. Conference Relations Registrar of the Board of Ordained Ministry shall receive copies of written consent from the District Superintendent, pastor in charge and staff-parish relations committee. Ministerial service shall be limited to that charge and shall be provided only with the written consent of the pastor in charge and the district superintendent and with the approval of the bishop and pastor/staff-parish relations committee. An annual report shall be made to the charge conference that includes all marriages performed, baptisms administered, and funerals conducted. A copy of the report shall be forwarded to the Conference Relations registrar of the Board of Ordained Ministry in order for location to be continued. They shall be held amenable by the annual conference within which the charge conference membership is held for their conduct and the continuation of their ordination rights. Failure to submit the report to the Conference Relations Registrar of the Board of Ordained Ministry for two consecutive years may result in

BOM 16. "Administrative Location"

termination of orders upon recommendation of the Board of Ordained Ministry and vote of the clergy session.

4. Ordained ministers on administrative location may request the annual conference to grant them the status of administrative location-retired. Requests for retired status shall be stated in writing to the bishop, cabinet, and registrar of the Board of Ordained Ministry at least ninety days prior to the annual conference session. Those granted administrative location-retired status shall be accountable to the charge conference in which they hold membership for all ministerial services performed. Ministerial service shall be limited to that charge and shall be provided only with the written consent of the pastor in charge and the district superintendent and with the approval of the bishop and pastor/staff-parish relations committee. If such services have been performed, they shall report to that charge conference and exercise their ministry under the supervision of the pastor in charge therein as outlined in ¶ 358.2. They shall continue to be held amenable for their conduct, through accountability to their charge conference, to the annual conference in which charge conference membership is held.
