Opening Prayer

Welcoming God, we praise you for all you are, all you have made, and all you give to us. We welcome you into this place, into our hearts, and into this worship. (Hands lifted up to heaven). Teach us to welcome one another, in grace and peace. Amen.

Prayer Suggestions

We come together in these holy moments, O God, as your people. Thank you for our church family and for the love and acceptance we find here. As we worship today, as we work, study, play, and even camp, keep us close to you and to one another. We come to see all

that you have to offer us and pledge that we will go and tell others of your wonderful gifts. In the name of Jesus Christ we pray. Amen.

Loving God, you know how much camp and retreats have meant in our Methodist heritage. So many people feel your touch when they are able to take a time apart at camp or a retreat. May they reflect and grow in love with you. Send aid to those who need a camp experience and are met with roadblocks. Seek out those who need retreat and meet them on the path. Peel away the thick forests of our lives and offer us a clearing of our heads and hearts. This we ask in Jesus' name. Amen.

Children's Time Suggestions

1. Take a Hike: Set up 3 stations around the sanctuary representing each of the camp sites in our Annual Conference (Camp Aldersgate, Camp Asbury, and Camp Wanake). Take the children for a "hike" to visit each "camp" and share information about each.

2. Show the kids a bag of marshmallows. Ask if any of them like to toast marshmallows. When they say "yes", invite the group to join you in roasting them, and hand one to each kid. Pretend to be confused; you can't find a campfire! Marshmallows are good by themselves, but they're better toasted and even better in s'mores. Sunday school & worship is good, but it's better at camp and even better if you bring friends with you!

3. Gather one ball and have a glow stick for each child. Say, "One of the most important things that I learned while at church camp was a song called "Pass It On"

What do you think that means?" Here pull out the ball and pass it around. Now make sure everyone gets to pass it. Say, "Wasn't that great? We passed the ball along. Is that what it's all about? UMMM no, that isn't what this song is about. Let me share the words..."

It only takes a spark to get a fire going. And soon all those around can warm up in its glowing. That's how it is with God's love, once you've experienced it, You want to sing, it's fresh like spring you want to pass it on.

"So you see once you receive Christ, you want to share it with EVERYONE! It's like a fire, you can't contain a fire. And you can't contain Christ either. You have a light that you want to share with everyone. So on this Camp Sunday I want to give each of you a glow stick to remind you that you need to share the light that is inside of you that is Jesus. And that you should 'Pass It on.' "

Suggestions for Sermon/Meditation

Camp is Contextual - Camp is a place of intensive immersion experiences of community, lived out in the midst of God's good creation, which can focus the campers, the staff, and the parents upon the relational nature of life and faith. Have members of your congregation share their own camp experiences, either as a staff or as a camper.

Benediction

May God set up camp in your heart. May Christ offer you bread and fish by the fire. And may the Holy Spirit be the flame that lights your way. Amen.
