Here are some blurbs about our camping program that you can use in your local church bulletin, newsletter, on social media or on screen in your worship/gathering area.

## Every Summer Has a Story

The story of summer 2021 did indeed include some challenges and changes, but it was also a summer of great fun, faith formation and renewal! Thank you for participating in and supporting Summer Camp 2021!

At East Ohio Camps, we want every kid to have summer story full of fun, faith formation, adventure, and growth! Our hope is when your child tells the story of what they did this past summer they include a week of camp where, "I connected with great friends and great counselors, had fun adventures, learned new things, experienced God in nature and now my faith is soaring!" And that is what we are planning for summer 2022!

Our hope is that you and your family will include East Ohio Camps as a chapter of the story of Summer 2022. Our plans are laid out in the brochure and on the web so you can choose when and where to connect camp to your family's story.
