Every Summer Has a Story! Make camp a part of your story in 2023!

Everyone loves a good story. And, some of the most compelling stories you'll ever hear happen at camp.

At East Ohio Camps, we want every kid to have summer story full of fun, faith formation, adventure, and growth! Our hope is when your child tells the story of what they did this past summer they include a week of camp where, "I connected with great friends and great counselors, had fun adventures, learned new things, experienced God in nature and now my faith is soaring!" And that is what we are planning for summer 2023!

Our hope is that you and your family will include East Ohio Camps as a chapter of the story of Summer 2022. Our plans are laid out in the brochure and on the web so you can choose when and where to connect camp to your family's story.

Parents! What are your biggest wishes for your kids? What experiences do you hope they have? How do you wish to see them grow? Somewhere on the list of dreams that you have for your kids is probably great friends, fantastic role models, and opportunities to grow and thrive. Consider how sending your child to camp could help fulfill those wishes!
