Time to Consider How Your Congregation's Children Will Spend Their Summer!

Camping can provide what children truly need: a chance to grow in faith, learn responsibility, and build cooperation within a supportive community. They'll discover their self-worth as beloved children of God. In a world that presents challenges for both kids and parents, let East Ohio Camps be your partner in nurturing the spiritual and personal growth of the children in your congregation.

Great Places! Great Experiences! All guided by our trained, caring staff.
