Why choose a Christian Summer Camp experience?

Studies show that Camp promotes lasting change and spiritual development in campers.

Campers and parents reported:

- increased self-confidence,
- more frequent devotional practices,
- increased church attendance,
- more faith conversations and faith practices at home,
- and increased faith relevance in daily life.

More than 90% of 2025 summer campers reported that they grew in their faith at Camp and 96% of camper parents agree that Camp has a positive impact on their children.

Make Summer Camp a vital part of spiritual formation for the children and teens in your family and your congregation!
