

East Ohio Conference of The United Methodist Church LEADERSHIP INTEREST SURVEY 2019

This survey may be completed online at
<https://www.surveymonkey.com/r/EOCLeadership2019>

Please use this survey form to help the conference Leadership Committee match you with servant ministry opportunities in conference leadership. The list below will help you and us think about how your interests, skills, gifts, and experience may best be utilized within the conference teams and structures. Completing this survey is not a nomination. The leadership committee will share this information with other conference leadership so that you may be included in plans for ministry teams and events. As you pray to discern how you might grow in your faith journey, please remember that our Discipline directs that conference agencies include 1/3 lay women, 1/3 lay men, and 1/3 clergy, as well as diverse groups of people.
