

New Appointments Effective Between July 2, 2019 & July 1, 2020

The following appointments are listed alphabetically by church within each district. If a church is part of a multi-point charge, each church will be listed separately.

Due to the postponement of the Clergy Executive Session until September, which is after the beginning of the upcoming appointment year, those recommended for commissioning and ordination continue serving under their current credentials until clergy session approval and participation in the Service of Commissioning and Ordination.
