

EAST OHIO MFSA ANNUAL CONFERENCE DINNER & PROGRAM

At a critical time for civic engagement in the United States, the East Ohio chapter of the Methodist Federation for Social Action (MFSA) invites you to an evening of reflection, learning, and action during Annual Conference in Wooster, OH. Join us on Friday, June 12, from 5:45–6:45 p.m. for our Annual Conference dinner and program. This special gathering will include the presentation of the 2026 Bishop James S. Thomas Leadership Award to Corinne Dunn and a timely program focused on the preservation of voting rights and the strengthening of democratic participation in the US republic.

We are honored to welcome keynote speakers:

- Rev. Joy Fenton-Jones, offering a theological perspective on voting rights
- Nancy Shimer, Voter Services Chair, Wayne County League of Women Voters, addressing several ways that voting rights are under attack, both at the state level and the national level.

Together, they will explore current challenges impacting American democracy and highlight the importance of protecting free and fair elections. After the program, we will introduce the Bishop James S. Thomas Leadership Award recipient.
