Our Mission

The mission of The United Methodist Church in East Ohio is to make and mature disciples of Jesus Christ for the transformation of the world.

Our Vision

The East Ohio Conference exists to live out its vision to equip and support pastors, congregations, and faith communities to grow in their capacity to bear fruit that lasts:

- being disciples, making disciples, and maturing disciples of Jesus Christ;

CABINET REPORT – Dean of the Cabinet Abby Auman, asked the following, "fellow sojourners of the East Ohio Annual Conference of The United Methodist Church, we are asking some existential questions. Who is God? What is the Bible and how do we read it? What does it mean to love? Is church still beloved church if it doesn't look like it did the last half of the 20th century? What would make us shout 'YES' to church instead of slowly exhaling through our noses and begrudgingly mumbling 'okay'?"

Abby Auman shared a definition from ¶206 of *The Book of Discipline of The United Methodist Church 2016*, a cooperative parish is two or more local churches who do ministry together in their region because they can share Jesus more effectively that way. A two-point charge may share the expenses of a pastor and little else.

SUPERINTENDENT RECOGNITION – Bishop Malone presented Abby Auman as the continuing dean of the Cabinet; recognized Doug Lewis for his leadership in the Firelands District; and recognized Steve Bailey for his leadership in the North Coast District. Bishop Malone then introduced each of the eight superintendents for 2022-2023, and then introduced Donna Van Trees, who will assist Nestor Nazario in the Firelands District.

He shared these characteristics of a disciple: a disciple worships, a disciple is part of a community, a disciple commits to spiritual practices, a disciple is generous and serves, a disciple advocates for those in need, and a disciple seeks to be Christ-like. Intentional engaging in discipleship leads to partnering with God and inviting others to explore the life and teachings of Jesus.

Live LOVE Ministry Moment: A Disciple Advocates for Those in Need – Kathy Dickriede, director of Missions & Community Engagement reported that the communion liturgy aims for prayers for pardon and forgiveness by confessing. Rev. Gregory E. Kendrick, Jr. serves not only as pastor of Cory UMC, but also as the executive director of the Cory-Glenville Community Development Corporation. The Cory UMC has some history in that Thurgood Marshall, Dr. Martin Luther King, Jr., and Malcom X each spoke at Cory. They were prophetic voices who called out society for not living love towards the Black community. A historic marker was erected at Cory UMC in 2021.

Living into Our Vision: Blended Ecology Teaching Session – Rev. Dr. Michael Beck, director, Fresh Expressions of Florida Conference UMC shared ideas of Blended Ecology and a new way of thinking "church." He offered that grafting causes a hybrid church. To illustrate this, he showed a photo of a "ketchup and fries" tree (potatoes in bottom and tomatoes on top.) We will again be gathering prayer requests. They will be received via e-mail to eocprayerconcerns@gmail.com or in-person at the information desk in the John S. Knight Center. Please only submit names and not circumstances for prayer so that we can protect each person's privacy.

We pray that you find yourself at home as you settle in at the John S. Knight Center for Annual Conference. Throughout this year's conference the Program Committee will greet you at the entrance to the building and at the information desk outside of the Exhibit Halls where the sessions and services will be held. Please stop by with any questions or immediate concerns you may have.

Each year we look forward to improving and expanding the work of the Program Committee. We ask that you take the time to go online or fill out and return the survey included in your *Pre-Conference Workbook*. Your responses to the survey truly help us plan each year.

In closing, I would like to thank everyone who served on the Program Committee this year. It was a sincere pleasure to work alongside such talented individuals. Thank you to Rev. Ed Fashbaugh who stood beside me in gentle guidance through my inaugural year as chair of this committee. Thank you also to Bishop Tracy S. Malone for having confidence to entrust me to chair this committee. It is indeed a pleasure to serve this Annual Conference.

Agenda, Rules, and Administrative Process (ARAP) Committee Report to Annual Conference 2022
Submitted by Rev. Cindy Patterson, acting chairperson

Agenda
The agenda of the Annual Conference has been prepared by the Conference secretary, approved by the ARAP Committee, and will be presented to the Annual Conference on Thursday, June 9. The agenda will be adapted as needed through the Annual Conference session.

Administrative Process
ARAP met three times following the 2021 Annual Conference. Upon the recommendation of the bishop Cindy Patterson was named acting chairperson of ARAP at the October 26 meeting. This change was made as part of an effort to not have Conference committees chaired by Conference staff.

ARAP determined that over the next 2-3 years it will be carefully editing the rules and policies of the Annual Conference. Some of those rule changes will be presented at Annual Conference this year and the remainder will be presented in 2023. It was determined by ARAP that policies will come before the Annual Conference for adoption or be returned to the submitting group for editing.

Stewards of Conference policies have been determined and all Conference policies will be reviewed/updated within the next year or two and be presented to the Annual Conference for approval.

ARAP reviewed the voting process for Annual Conference for both regular sessions and the election of General/Jurisdictional delegations. ARAP approved a move to electronic voting to begin in 2022. With Annual Conference being held in-person at the John S. Knight Center in 2022 the decision was made that all voting would take place in-person. All sessions of Annual Conference will be livestreamed for viewing but virtual voting will not be an option.

Proposed Rule Changes to East Ohio Conference Standing Rules
Following are the complete Standing Rules of the Conference with the proposed rule changes. The changes are mostly editorial or bringing our rules into line with the actual practices of the Annual Conference. These changes will be presented for approval during the business session of Annual Conference 2022. Rules that require more substantive changes will be presented in 2023.

Leadership Report to Annual Conference 2022
Submitted by Rev. Ivy Smith, chairperson

The Leadership Committee is responsible for nominating persons who are elected by Annual Conference to serve on councils, boards, commissions, committees, and agencies. The committee is also responsible for reviewing and recommending structure changes of all councils, boards, commissions, and committees of the East Ohio Conference (See Conference Rules 5 & 6).

The Leadership Committee is composed of lay and clergy representatives from each district as well as representatives from the Commission on the Status and Role of Women (COSROW), the Commission on Religion and Race (CORR), Youth, and the Board of Laity. The Committee met throughout the year utilizing digital conferencing, giving attention to specific areas of leadership in each meeting. Conference directors and chairpersons were involved in the process. I am deeply appreciative of the support, service, and dedication of all who were part of this process.

The Leadership Committee has focused its deliberations in a prayerful process that serves to fulfill the mission and vision of the Conference. To that end, the Committee has been very intentional in gathering the names of persons who:

- are members of The United Methodist Church who support the mission and vision of the East Ohio Conference,
- have aptitude, skills, and capacity to serve in the complex environment and broad perspective needed for Conference leadership, and
- represent perspectives and experiences of new people, young people, and more diverse people.

All nominations in this report are made with consideration for inclusiveness as stated in ¶610.5 of *The Book of Discipline of The United Methodist Church*:

"In the nomination and election of the membership on councils, boards, and agencies of the annual conference, special attention shall be given to the inclusion of clergywomen, youth (¶ 256.3), young adults, older adults, persons from churches with small memberships, people with disabilities, and racial and ethnic persons, in keeping with policies for general Church agencies. It is further recommended that the membership of such agencies, except for the Board of Ordained Ministry, include one-third clergy, one-third laywomen, and one-third laymen, who are professing members of local churches."

If you have spelling corrections, editorial corrections, changes in district or ex-officio positions, or other items that do not require a vote of the Annual Conference, please email Melanie Thomas mthomas@eocumc.com. If you have nomination suggestions for new members, are not able to actively participate in meetings, or request to be removed from leadership, please email the chair, director, or staff support for the council, board, commission, or committee. This will provide the chair with names of persons who may or may not be nominated but can also support tasks, activities, events, or processes planned in the coming year.

Please note that Conference Rules authorize the Leadership Committee to fill vacancies between sessions of Annual Conference. Places which are to be named (TBN) may already have possibilities identified but these persons have not yet confirmed acceptance of the nomination. If changes occur between March 15 and Annual Conference, they will be included in the Leadership Addendum. Remaining vacancies will be addressed at future meetings of the Leadership Committee.

I especially want to express gratitude to Bishop Malone for her leadership in guiding this process to focus on the mission and vision of this Conference. I also want to thank Melanie Thomas for her outstanding control of this document presented today and her communication gifts to the entire leadership process.

On behalf of the Leadership Committee, I move the following:

BOARD OF BENEFITS

Submitted by Michelle Anderson, Benefits & Human Resources, director

I. Pensions

A. Ministers Reserve Pension Fund (MRPF) Pre-82-Supplement One to the Clergy Retirement Security Program

The Ministers Reserve Pension Fund as outlined in *The Book of Discipline* and administered under the authority of the Wespath Benefits & Investments and the Board of Pensions of the East Ohio Annual Conference, in conformity with the Plan of Union, was the pension program and plan of the East Ohio Conference through December 31, 1981. A copy of the "Pension and Benefit RULES AND REGULATIONS for Annual Conferences of The United Methodist Church" may be secured from Wespath Benefits & Investments, 1901 Chestnut Ave., Glenview, Illinois, 60201.

1. The following paragraph is presented as an amendment to the action taken by the 1981 Annual Conference (page 237, Volume 2, 1981 Journal) pertaining to the Ministerial Pension Plan and Comprehensive Protection Plan:

   The pension rate for retired clergy or local pastors of the annual conference for service prior to January 1, 1982 shall be **$975** for **2023** annuity year. **The Past Service Pension Rate (PSPR) for 2023 is $975 which is a 2% increase from the PSR from 2022 ($956)**.

2. Participation by Full-Time Local Pastors

   A local pastor must be an ordained Deacon, must be under Episcopal appointment, must have rendered not less than four consecutive years of full-time service in the East Ohio Annual Conference, and shall have received a cash salary for such service which equals or exceeds the minimum salary set by the East Ohio Annual Conference (or predecessor conference) for the year in which the service was rendered, before annuity service years began under the M.R.P.F. The name of the local pastor must be listed annually under the Disciplinary Questions. In the MPP/CPP Plan, local pastors receive a pension based on compensation, and CPP benefits if they receive at least the minimum salary of a full-time local pastor. Vesting in MPP is immediate.

   Note: This provision applies to the historical practice of ordination as a "Local Elder" or "Local Deacon" which is no longer part of United Methodist polity or practice. The Local Deacon's and Local Elder's orders were credentials enabling supply and local pastors to perform ministry in the local churches to which they were appointed, comparable to licensing as a local pastor today. This provision has no relationship to ordination as Deacon under the *1992 Book of Discipline* (or previous), commensurate with Probationary Membership in the Annual Conference, nor does it pertain to ordination as a Deacon in Full Connection under the 1996 and 2000 Books of Discipline. It applies only to local pastor and supply years prior to 1982. (Dale Jones, Client Manager, Wespath Benefits & Investments, February 11, 2003.)

B. Ministerial Pension Plan (MPP)-Supplement Three to the Clergy Retirement Security Program

Effective January 1, 1982, the pension program was changed to the Ministerial Pension Plan (MPP) and Comprehensive Protection Plan (CPP), which was authorized by the 1980 General Conference. This plan was administered under the authority of Wespath Benefits & Investments and the Board of Pensions of the East Ohio Conference through December 31, 2006. A detailed copy of the program may be secured from Wespath Benefits & Investments or the Conference Benefits Office.

C. Clergy Retirement Security Program (CRSP)

Effective January 1, 2014, the benefit formulas and eligibility for the Clergy Retirement Security Program (CRSP) were changed by authorization of the 2012 General Conference.

The objective of the retirement plan changes is stewardship – balancing between adequacy for participant and affordability and sustainability for the Church.

The Defined Benefit (DB) formula was reduced from 1.25% to 1% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service effective January 1, 2014. (The DB formula of 1.25% will remain effective for all covered service prior to January 1, 2014.)

The Defined Contribution (DC) changed, beginning January 1, 2014; the church will contribute 3% of compensation, If the participant contributes at least 1% of compensation to their United Methodist Personal Investment Plan (UMPIP). If the participant does not contribute 1% to UMPIP, 2% of compensation will be deposited to their CRSP DC account.

UMPIP contributions are direct-billed from Wespath Benefits & Investments to the local church. UMPIP contributions are 'personal' contributions of the participant, to be reduced from a participant's (pastor's) compensation. UMPIP contributions are NOT church liabilities; it is the function of the church to timely remit their pastor's contributions to Wespath.

The Clergy Retirement Security Program is administered under the authority of Wespath Benefits & Investments and the Board of Benefits of the East Ohio Conference. A summary of the plan may be secured from Wespath Benefits & Investments' website: www.wespath.org.

1. Effective January 1, 2014, full-time and three-quarter (3/4) time clergy are eligible for CRSP.

   The Conference is required to report to Wespath all appointments in ¼ time increments for the purpose of eligibility in denominational benefit plans.

   The time increments are based on the Conference Average Compensation (CAC). The schedule of time increments is used soley for the purpose of pension/service credit within the CRSP Defined Benefit Plan.

   For 2021 the CAC is $59,740; therefore for 2021, part-time local pastors with plan compensation less than $29,870 are not eligible for CRSP.

   For 2022 the CAC is $61,298; therefore for 2022, part-time local pastors with plan compensation less than $30,649 are not eligible for CRSP.

   For 2023 the CAC is $62,750, therefore for 2023, part-time local pastors with plan compensation less than $31,375 are not eligible for CRSP

   Churches with clergy appointed at half-time (1/2) or less may elect to sponsor the United Methodist Personal Investment Plan (UMPIP).

   UMPIP is a 403b pension plan offered by Wespath Benefits & Investments in which the employer and the employee may make contributions. UMPIP administrative documents can be requested through the Conference Benefits Office by phone at (800)-831-3972 ext 103 or 151 or by email: manderson@eocumc.com or robin@eocumc.com.

2. Eligible clergy may not waive participation in the Clergy Retirement Security Program (CRSP)

3. Deacons

Effective January 1, 2007, the annual conference became the plan sponsor for Deacons appointed to a local church, charge, Conference or entity for which the Conference has pension responsibility. (Reference: CRSP Plan Document Article A2.26 through B3.1i)

4. Annual Conference Funding of CRSP

The Clergy Retirement Security Plan (CRSP) began January 1, 2007.

Funding for CRSP's two benefit components (defined benefit and defined contribution) will be provided for each eligible clergy member serving local churches of the East Ohio Annual Conference, and those eligible clergy under special appointments whose salary is paid by the Conference and who are under Episcopal appointment.

The **2023** CRSP DB pension billing formula will be, at 11% of total compensation, limited to the DAC at **$76,221**.

The CRSP DC pension billing formula will be at 3% of total compensation, limited to two times the DAC at **$152,442**.

The **2023** CPP (death & disability) billing will be at 3% of total compensation. Reference III.

5. Special Appointments (Extension Ministries) Conference Responsible

Since January 1, 1982, Conference-responsible appointments have been those in which the EOC Area Center is their salary-paying unit. Currently, those appointments include the district superintendents, the director of Connectional Ministries and the associate directors of the Connectional Ministries team. These appointments are listed in the 2008 EOC Journal, Extension Ministries #1300 Within the Connection Structure of United Methodism (¶344.1a.c.). As of January 1, 2007, the assistant to the Bishop and Clergy Camp director(s) are considered Conference-responsible appointments.

Salary-paying units cannot sponsor CRSP for their clergy; only annual conferences can sponsor CRSP.

6. Special Appointments (Extension Ministries) Non-Conference Responsible

Those serving under special appointments that are not paid by the annual conference are not eligible for CRSP. Their respective employing agency may sponsor the United Methodist Personal Investment Plan (UMPIP) through Wespath Benefits & Investments in Glenview, Illinois.

7. United Methodist Personal Investment Plan (UMPIP)

a) UMPIP Personal Contributions

An active participant in the United Methodist Personal Investment Plan (UMPIP) may make personal contributions through withholding either pre-tax or after-tax from their monthly salary. These withholdings must be submitted to Wespath Benefits & Investments from the salary-paying unit monthly on the appropriate forms. Members are given various options as to how personal contributions could be invested.

Since January 1, 1974, the General Board of Pension and Health Benefits now known as Wespath Benefits & Investments has made available a program of tax-deferred annuity contributions for members of the Pension Fund. There are two basic requirements: 1) a prior agreement must be made between the member and the local church (or Conference agency); and 2) all remittances under this program must be made by the church treasurer (or agency treasurer). The members shall be given various options as to how their contributions shall be invested. For a packet of information regarding UMPIP Program, contact the Wespath Benefits & Investments, 1901 Chestnut Ave., Glenview, Il 60025-1604, or the office of the Conference Benefits officer.

All interest credited on contributions made under a pre-tax basis, is subject to tax following retirement or withdrawal and not in the year that it is credited. It should not be included in a member's income for tax purposes currently.

b) Lay Employee Pension Plan

On May 7, 2004, General Conference, in an important move toward greater equity among all church workers, approved legislation regarding retirement benefits for lay employees of the local church and annual conference.

According to *The Book of Discipline*, ¶258.12, the committee on pastor-parish relations or staff parish relations "shall recommend that the church council provide, effective on and after January 1, 2006, a 100-percent vested pension benefit of at least three percent of compensation for lay employees of the local church who work at least 1040 hours per year, are at least 21 years of age, and have at least one year of permanent service."

For additional information on the lay pension benefit plan and all other Wespath administered plans, please visit its website or call its Participant Response Center at 1-800-851-2201. Michelle Anderson, director of Benefits & Human Resources for the Conference, at 1-800-831-3972 ext 103, is also available to help the local church establish a lay pension plan.

8. Central Conference Pension Initiative

The Central Conference Pension Fund is an independent trust created to receive contributions for pension support of non-U.S. clergy. Wespath Benefits & Investments Glenview, Illinois projects that a $25-50 million endowment is needed to help establish and maintain the fund. The East Ohio Conference encourages active and retired clergy, and laity to make voluntary contributions to the fund. The Treasurer's Office of the East Ohio Conference has established Fund #9705 for collection of Central Conference Pension Fund contributions.

II. Health Care Program

THE MISSION OF THE EAST OHIO CONFERENCE HEALTH CARE PROGRAM IS TO PROVIDE REIMBURSEMENT FOR MAJOR ILLNESS OR INJURY EXPENSES AND TO PROMOTE WELLNESS BY PROVIDING PROGRAMS TO MAINTAIN THE HEALTH OF MEMBERS OF THE CONFERENCE AND ITS EMPLOYEES.

The East Ohio Conference Board of Benefits recognizes that it has a fundamental interest in the health and welfare of its members, which is partially given expression by its health care program. The health care program will be designed around the needs of the members, although it may not meet their entire benefit needs. It will be coordinated with, according to law, all benefits provided through governmentally mandated programs. These will be partially- or fully-funded by the East Ohio Conference, its agencies or local churches accordingly, for such programs as Social Security, Ohio Disability and Workers' Compensation, and such others as become mandated by law.

The goal of our health care program is to promote the general health and well-being of the member and member's family and to reimburse the member for the major costs incurred as a result of an illness or injury.

A. Health Care Benefits Enrollment for Members

Enrollment for new members in the health care program is not automatic and is the responsibility of the individual. Lay employees of local churches and of other approved agencies of the East Ohio Annual Conference may be enrolled upon approval of the Conference Board of Benefits. The employer in each case shall ultimately be responsible for payment of the premium monthly. Persons transferring into the Conference or beginning employment with the Conference shall have the responsibility for enrollment. Enrollment may be completed by contacting the Conference Benefits Office. Effective January 1, 2002, participation in the Conference-sponsored Health Benefit Plan became mandatory. (Reference II.B.2.c.)

Healthcare is provided by the Conference on a year-to-year basis.

As of January 1, 2018, the Conference partnered with the Center of Health through Wespath Benefits & Investments to provide health benefits under HealthFlex, which offers a wellness-driven group health plan for The United Methodist Church (UMC) annual conferences and employer groups.

B. Health Care Funding

1. As of January 1, 2018, health care coverage will be with HealthFlex, which is a fully-insured medical benefit plan with Blue Cross Blue Shield.

2. The following health care premiums are based on current data and may be changed as needed:

   a) The 2022 monthly premiums for active lay employees are:
   Participant only - $777 ($9,324 year).
   Participant plus one - $1,476 ($17,712 year).
   Participant plus family - $2,020 ($24,240 year).

   The 2023 monthly premiums for active lay employees are:
   Participant only - $870 ($10,440 year).
   Participant plus one - $1,653 ($19,836 year).
   Participant plus family - $2262 ($27,144 year).

   b) The 2022 monthly premiums for retirees* are:
   Participant only (less than age 65) - $777 ($9,324 year).
   Particpant only (age 65 & over) Medicare required - **$300 ($3,600 year)**.

   The **2023** monthly premiums for retirees* are:
   Participant only (less than age 65) - $870 ($10,440 year).
   Particpant only (age 65 & over) Medicare required - $300 ($3,600 year).

   *Eligible clergy retirees, their spouses, and surviving spouses, premium-share with the Conference based on the clergy retiree's years of pension funded by the East Ohio Conference, as stated in C.6 of this.
   NOTE: Based on the Conference policy stated in C.6; most retirees premium-share at 30% of the above rates (30% is the minimum):
   Less than age 65: $261 per month ($3,132 year)
   Age 65 & over: $90 per month ($1,080 year).

   c) The 2022 clergy flat rate premium is $1,527 ($18,324 year).
   The 2023 clergy flat rate premium is $1,663 ($19,956 year).

   The clergy flat rate shall be billed for each episcopal-appointed clergy (including Deacons where health coverage is not provided from another source) serving a local church full-time or three-quarter time* including the executive director of Connectional Ministries and the directors in the Connectional Ministries office, the executive assistant to the bishop, and district superintendents. Each pastoral charge shall be billed an amount for health care coverage where applicable. (*Not applicable to part-time local pastors at 75%)

   NOTE: The mandatory health care provision outline above was implemented in 2002 and revisited in 2019 by the Board of Benefits. The key factors of implementing the provision continue to be relevant as the church/conference continues to evolve and since our number of plan participants have decreased over the years. Removing the mandatory provision will cause appointment challenges and potential financial hardship for churches and plan participants.

   ALL premiums will be remitted to the Conference through direct billing issued by the Financial & Administrative Services Office.

3. Effective 1/1/2018, eligibility for the Conference-sponsored Health Benefit Plan through HealthFlex requires particpants to be working a minimum of 30 hrs./week.

4. In those cases involving a multiple point charge, the lead church shall be so directly billed. In all cases, the cost sharing arrangements between and among the various churches within the charge shall be as locally agreed and the lead church shall pay the required medical insurance premium to the Conference. Premiums for coverage shall be in the amount as determined by the Board of Pensions for flat rate, single, or family as appropriate.

5. The **apportionment for benefits (Fund III) for 2023 will be $1,537,302.** Fund III primarily supports retiree health care for eligible retirees, their spouses and surviving spouse who began their service on or after January 1, 1982.

6. The amount paid by the local church under II. B. 2. a) & c) shall not be included in the total base figure used to calculate apportionments.

7. Enrolled employees of conference employing agencies shall be direct billed for the appropriate premium for the participant's coverage.

8. No Conference money shall be used to pay for health and/or life insurance coverage other than the Conference sponsored plan.

9. Participation in Workers' Compensation by Episcopally-appointed clergy is required.

10. The East Ohio Conference Health Insurance Policy offers a wide range of benefits that compare favorably to other health plans. The EOC Board of Benefits would like to note that our plan, like similar plans, expects Workers' Compensation to be in effect to cover workplace related accidents, including automobile accidents occurring in the course of business travel, and their related cost of claims. The East Ohio Conference Health Insurance Policy DOES NOT provide benefits for injuries sustained in the course of a clergy's employment duties, because that coverage is provided by the Bureau of Workers' Compensation:

    Therefore: To avoid the possibility that no benefit will be available, all clergy under appointment to a church within the bounds of the East Ohio Conference must be enrolled as a participant with the Bureau of Workers' Compensation. Premiums for this coverage must be paid by the church or churches to which the clergy is appointed.

C. Eligibility for Retiree Health Benefits – Clergy

In order for a pastor to be eligible to retiree health coverage through the East Ohio Conference such pastor:

1. Must be a member (full member or local pastor) of the East Ohio Conference.

    Those individuals who are age 60 or older in 2009 and who would have been eligible for retiree healthcare coverage under the previous policy who are adversely affected by the five-year rule shall be grandfathered/grandmothered to the rules which previously existed. This policy exception extends only to 16 individuals.

5. Post 65: Retirees must participate in the Medicare Part A and Part B programs.

6. Eligible retirees, spouses and surviving spouses shall contribute an amount toward the premium based on the policy effective August 1, 2004; whereas, retirees who have 25 or more accumulative years of pension credit service funded by the East Ohio Conference will pay 30% of their health care premiums. For service less than 25 accumulative years,the retiree will pay 30% plus 2.8% for each year less than 25 years of service.(For example: a retiree with 15 years of service will pay 58% of the premium).

7. The retired clergy's surviving spouse will be provided health care coverage in the same manner as the retiree (see C.6 above) until such time as they remarry or die. Should this remarried spouse later become single, eligibility for health care insurance coverage shall be returned to this surviving spouse. A surviving spouse of an active clergy will be provided health care coverage until such time as they remarry or die.

    Should this remarried spouse later become single, eligibility for health care insurance coverage shall be returned to this surviving spouse. Dependent children of active clergy will be provided health care coverage until such time as they no longer meet the requirements to remain "Eligible Dependents." Premium sharing shall be calculated in the same manner as stated in C.6, above.

D. Eligibility for Retiree Health Benefits – Lay Employees

1. Area Center, Area Office, and Camps

   c) Must be properly enrolled and covered under the Conference Health Benefit Plan for at least five years immediately prior to the effective date of retirement.
   d) Post 65: must participate in the Medicare Part A and Part B.
   e) For funding see F.3

2. Agencies, Districts, and Local Churches
   a) In order for a Lay employee of a qualifying agency, district, and/or local church to be eligible for retiree health coverage through the East Ohio Conference such employee must be age 65.
   b) Must have a minimum of 10 years of service certified by the agency, district and/or local church.
   c) Must be properly enrolled and covered under the Conference Health Benefit Plan for at least five years immediately prior to the effective date of retirement.

E. Temporarily Waiver of Retiree Health Benefits – Clergy and Lay

Effective on and after July 1, 2003, when a retiree, retiree spouse or surviving spouse, is actively employed with employer provided insurance, the participant may temporarily waive the conference-sponsored health benefit plan without premium sharing, and return to the Plan upon termination of such employer provided insurance. (Documentation will be required.) This includes clergy couples in which one spouse is retired and the other remains active.

F. Retiree Health Care Funding

1. Clergy with East Ohio Pre-82 Pension Credit

   Retired clergy, spouses and surviving spouses who are covered by the Health Care Plan sponsored by the East Ohio Conference premium-share per Conference policy. The Conference supports the balance of their health care plan expenses by funds from the Pension and Health Care Reserve Account as directed by Judicial Counsel Decision #976 and approved by Annual Conference 2004.

2. Clergy with East Ohio Pension Credit on and after 1/1/1982 with No Pre-82 Pension Credit

   Retired clergy, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference premium-share per conference policy. Fund III supports the balance of their health care plan expenses.

3. Lay Retirees (Area Center, Area Office, and Camps)

   Lay retirees, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference premium-share on the same basis as the clergy in the East Ohio Conference. Fund III supports the balance of their health care plan expenses.

4. Lay Retiree (Agencies, Districts and Local Churches)

   Lay retirees, spouses and surviving spouses who are covered by the Health Care Plan of the East Ohio Conference are billed at full amount of the base premium. Any premium-sharing is the responsibility of the individual agency, district or local church.

   Agencies, districts or local churches may require lay employees to contribute a portion of the premium cost based on the number of years worked and the age at retirement. The collection of this money is the responsibility of the individual agency, district or local church.

Lay retirees must comply with all the provisions of the Conference-sponsored health benefit plan document.

The Conference Benefits Officer shall be authorized to terminate coverage for any lay retiree whose premium is not paid.

G. Retiree Emergency Aid

1. Financial Aid & Hardship Grants

Effective January 1, 2002, the policy stated below is applicable to the retiree's secondary Health Care premium sharing. In addition, the original intent of the policy will be maintained.

Where emergency aid is necessary for a retired member of the Conference, a retired local pastor, a surviving spouse, or other Conference claimant, it will be administered by the Executive Committee of the Conference Board of Benefits. Application forms should be obtained from the Treasurer's Office and returned to the Treasurer/Benefits Officer of the East Ohio Conference.

2. Emergency Fund for retired clergy with Other Insurance

Upon appeal and application, a retiree, retiree spouse or surviving spouse may request grant money to help pay for other insurance premiums. The Executive Committee of the Conference Board of Benefits will administer the Emergency Fund. Application forms may be obtained from the Benefits Office and returned to the Benefits manager of the East Ohio Conference.

H. Delinquent Health Care Premium Payments

1. Any church/charge or agency having a balance due for health care billing from the previous year (December 31), for a pastor's premium, will be notified of such balance by the Benefits Office, with notification also sent to the pastor's district superintendent and chairperson of the Staff-Parish Committee. The Benefits Office and the district superintendent will work with the church/charge for payment of the delinquent amount.

2. Persons on Special Appointment who are enrolled in the health benefit plan and delinquent at year-end (December 31) will be notified of such delinquency by the Benefits Office. If a satisfactory payment schedule cannot be negotiated by April 1 of the year following the delinquency, the coverage will be terminated.

3. Laypersons who are enrolled in the health benefit plan and delinquent at year-end (December 31) will be notified of such delinquency with their employing church/charge or agency also notified. If a satisfactory payment schedule cannot be negotiated by April 1 of the year following the delinquency, the person's coverage will be terminated with the employing church/charge or agency responsible for the payment. If the church/charge or agency does not make the payment, no additional persons from that church/charge or agency will be enrolled until the balance is paid in full.

I. Pension and Health Care Arrearage Debt Resolution Policy

Effective 1/1/2005, a church/charge with past health care and pension arrearages and is current for three calendar years may apply for final resolution. A church/charge seeking resolution must submit a letter requesting arrearage debt resolution with details of their proposal for settlement to their district superintendent with a copy sent to the chair of the Board of Benefits. After full review by Cabinet and Board of Benefits, the Board of Benefits will vote on the negotiation of balance payment and any forgiveness of a determined arrearage.

The pension and health care arrearages of a closed church will be removed upon written recommendation by Cabinet and consultation of the Conference director of Financial & Administrative Services.

III. Disability and Death Benefits

A. Clergy - Comprehensive Protection Plan (CPP)

1. Long-term disability (LTD), survival and death benefits are provided through the Comprehensive Protection Plan (CPP)

for clergy under full-time Episcopal appointment and receiving 'plan compensation' equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation. Clergy serving at three-quarter time participate under CPP Special Arrangements provision. (Part time local pastors are not eligible for CPP.)

2. The funding rate yearly for each eligible full-time clergy member (including deacons) serving local churches of the East Ohio Conference, or special appointments whose salary is paid by the Conference who are under Episcopal appointment is 3% of plan compensation (salary plus housing) with two times the DAC as the cap. The required funding rate for those under CPP Special Arrangements is 3% of the Denominational Average Compensation.

3. CPP LTD benefits may be approved by the General Board of Pensions and Health Benefits for the members who are granted Medical Leave by action of the Annual Conference.

4. The Comprehensive Protection Plan is administered by the General Board of Pension and Health Benefits, providing monthly LTD benefits to active participants who qualify.

5. The income replacement payable by CPP is 70% of the plan compensation, with plan compensation capped at 200% of the DAC.

6. The CPP disability benefit (income replacement) is reduced by any disability benefit payable under Social Security. The revised benefit applies only to eligible clergy whose disability effective date, as determined by Wespath Benefits & Investments on or after 1/1/02. Clergy approved for CPP disability benefits continue to be credited pension contributions.

7. For the purpose of receiving CPP benefits, a clergyperson is considered disabled based on medical evidence that he/she is unable to engage in the usual and customary duties of a United Methodist clergyperson due to bodily injury, disease or mental or emotional disorder or disease which will last for at least six continuous months and excluding disability resulting from: 1) Service in the armed forces of any country, 2) Warfare, 3) Intentional self-inflicted injury, 4) Participation in any criminal or unlawful act. After receiving benefits for 24 months, in order to continue receiving CPP disability benefits, a clergyperson must demonstrate that he/she is unable to engage in substantially all of the usual and customary duties pertaining to any employment in an occupation for which the disabled clergyperson is reasonably qualified.

8. The disabled member is encouraged to make application to Social Security Administration to determine eligibility under the government's program. Social Security disability benefits may begin after a waiting period of five full calendar months.

9. Health care coverage upon Medical Leave is administered according to the Conference's Health Benefit Plan document, and current plan language takes precedence in all cases. If the member is enrolled in the Conference-sponsored Health Benefit Plan coverage prior to being granted Medical Leave, coverage will continue 180 days following the date the member was actively at work, at no cost to the member. The next 18 months the provision of the plan for Continuation of Coverage would be applicable, at no cost to the member. If the member is determined under Title II or XVI of the Social Security Act to have been disabled at the time of Medical Leave, coverage would continue as a secondary coverage to Medicare disability. If the member does not become Social Security disabled, the Conference-sponsored Health Benefit coverage terminates after the 18 months under the Continuation of Coverage Provision.

   CPP death benefits are based on eligibility as an active clergyperson and as a retiree. The schedule of CPP benefits for 2020 can be found on the conference website

   Educational Benefits are provided for the children of deceased members while enrolled in an accredited college through age 25.

B. Clergy – UMLifeOptions (clergy not eligible for CPP)

1. Local churches with Episcopal-appointed clergy not eligible for the Comprehensive Protection Plan (CPP) may adopt an UMLifeOptions plan to provide long-term disability (LTD) and life insurance coverage for their appointed pastor.

2. For more information regarding sponsoring UMLifeOptions, please visit Wespath Benefits & Investments' webpage at http://www.wespath.org/center-for-health/plans/umlifeoptions/

C. Lay Employees (Area Center, Area Office and Camps) UMLifeOptions

1. UMLifeOptions formerly known as the Basic Protection Plan (BPP) of The United Methodist Church covers lay employees for Long Term Disability (LTD) of the Area Center, Area Office and Camps. The income replacement payable by UMLifeOptions is equivalent to 60% of the employee's predisability compensation. The UMLifeOptions disability benefit (income replacement) is not reduced by any disability benefit payable under Social Security.

2. As of January 1, 2009, UMLifeOptions will make a maximum 3% of predisability compensation contribution to the approved disabled Employee's United Methodist Personal Investment Plan (UMPIP).

IV. Voluntary Transition Program

The Voluntary Transition Program provides eligible clergy with a financially-supported method for a grace-filled exit. The program is for eligible clergy who voluntarily choose to withdraw from the ministry. The program was adopted at General Conference 2012. It is effective January 1, 2013 and will terminate December 31, 2020.

The program provides an eligible participant a career transition package that includes: 1) Severance benefits based on current compensation and years of service; 2) Continuation of health benefits through the Conference plan; 3) Continuation of active participant death benefit through the Comprehensive Protection Plan (CPP) if applicable during Transition Period; 4) Access to outplacement services; 5) Moving expenses subject to Conference policy.

Eligibility: 1) Clergy must be in good standing; 2) At least five years of service in full connection (i.e., Elders or Deacons); 3) Active participant in CPP for five years immediately preceding separation from service; 4) Not being within two years of eligibility to retire under *The Book of Discipline* Paragraph 358.2(b) (30 years of service or age 62); 5) Conference approval of participant in the program; 6) Withdrawal and surrender of credentials.

For questions, clergy may contact their district superintendent.

V. Special Grants

The East Ohio Conference for **2021-2022** conference year shall pay special grants calculated by the Board of Benefits to such persons approved by the Board.

VI. Rental/Housing Allowance Policy for Retired or Disabled Clergypersons of the East Ohio Conference Policies and Guidelines

The following is in effect for **2022**:

An amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "Discipline"), which includes all such payments from Wespath Benefits & Investments ("Wespath"), during the period **January 1, 2022 through December 31, 2022**, by each active, retired, terminated, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

The pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a clergyperson's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the clergyperson's employer or other appropriate

body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

VII. Service Records

A. The official years for pension are those entered on the service records on file with Wespath Benefits & Investments and certified by the Conference Board of Pensions, not the service records in the Journal. Persons with questions about their service record should contact the Conference Benefits Office.

B. Pension credit with another conference either for effective, associate, or local pastor years must be established by direct contact with that conference and by its official action.

C. The East Ohio Conference does not have any responsibility for annuity years other than those served in the East Ohio Conference, or one of its predecessor conferences, except for service in the former Sandusky, Lexington, or Southeast Ohio Conference assigned by a joint Distribution Committee of Wespath Benefits & Investments.

X. East Ohio Funds held with Wespath Benefits & Investments

Per action by the 1994 Annual Conference, the Board of Pensions (now known as the Board of Benefits) will include in their report to Annual Conference a report of all funds held, beginning balance, income for the previous year, expenses for same, and ending balances audited or un-audited.

The East Ohio Conference Board of Benefits maintains four accounts with Wespath Benefits & Investments in Glenview, Illinois. The first account is a deposit account for CRSP and CPP liabilities. Second is our holding account for the money raised in the Capital Funds Campaign and its accrued interest. The third deposit account holds a portion of our Health Care Reserve and the fourth account holds proceeds from a 1929 trust and earned interest. Following is a brief description of each account and its related balances and activity for the previous year 2017.

Deposit Account - 10018001

This is the East Ohio Conference deposit account with Wespath Benefits & Investments and is our 'primary' account. Money raised through Apportionments and Direct Pension Billing in East Ohio for HealthFlex, CRSP, (Clergy Retirement Security Program), CPP (Comprehensive Protection Plan), and Past Service obligations are forwarded from East Ohio to this Account. On a monthly basis, the GBOP charges and transfers money from this account to all the individual clergy accounts currently funded.

Deposit Account - Pension and Health Care Reserve Account (P&HCR)

This account was formerly known as the Capital Funds Campaign Account. By action of Annual Conference 2001, this account was re-designated as the Pension and Health Care Reserve Account, and approved to be maintained to provide a reserve for Conference pension and health care plan liabilities subject to disbursement only upon recommendation of the Conference Board of Pensions and approval of Annual Conference. This action was questioned at Annual Conference 2003. Judicial Council ruled on the question in October 2003; therefore, the guiding principle of this account was amended to read:

"The East Ohio Annual Conference is directed (Judicial Council decision #976) to fund the pre-1982 past service account meeting the donor intent of the 1988-92 capital funds campaign. The appropriate amount should be based on the current actuarial projections for the pre-1982 past service account. All remaining funds including accrued interest shall be held in the East Ohio Annual Conference Pension and Health Reserve Account for pension and health benefits for pre 1982 clergy, spouses, and dependents."

In addition, the EOC BOP will adhere to the following guidelines concerning this fund:

On an annual basis, an amount not to exceed $2.5 million may be withdrawn from this account for pre-82 benefits. All activity around these accounts will be printed in the annual *Pre-Conference Workbook*, as well as in the Journal.

Health Care Reserve

As the Conference recovered from its critical financial problems associated with its Health Care Program in 1990, we began to build a reserve. In 1992 this deposit account was established to hold that reserve. Prior to 2003, most of the reserve was maintained with the General Board (GBOP) and some health care funds were maintained locally as working capital. The General Board ceased paying interest on accounts as of February 28, 2003. For the balance of 2003, monies were transferred from this account to the deposit account to care for monthly MPP/CPP liabilities. The East Ohio United Methodist Credit Union, paying interest, then became the holder of most of the reserve. These reserves aid cash flow and protect our Health Pla n against unplanned and catastrophic events not covered by existing stop loss insurance. Finally, it allows us to stabilize fluctuation in our premium charges.

David Charles Boyd Trust

This trust was drafted in 1929 with distribution to the "Trustees or other proper governing body of the Northeastern Ohio Conference of the Methodist Episcopal Church or its successors for the benefit of the Itinerant Minister's Conference Claimants' Endowment Fund".

The actual distribution of $556,859.97 was made in June of 1996. The proceeds were deposited with the GBOP in Evanston. In 1998, $11,774 from the Superannuants Fund was donated to this fund. In 2014, the final distribution of $904,453.78 from the Boyd Estate was received. In 2016, $6,216.25 was donated from the estate of Warren Sartwell and deposited to this fund.

This fund has been used to provide financial assistance to clergy retirees, spouses and surviving spouses with regard to their required health care premium-sharing amounts and to fund monthly conference health care expense for disabled clergy and their families who do not have pre82 pension claim.

COMMISSION ON EQUITABLE COMPENSATION

Submitted by Dr. Gloria Brown, chairperson

The overall purpose of the Commission on Equitable Compensation is to support the bishop and Cabinet in fulfilling the mission of the Conference, which is to make and mature disciples of Jesus Christ for the transformation of the world. This Commission provides salary support, where the bishop and Cabinet deem necessary, establishes minimum salaries, and awards sustentation grants.

I. Pastoral Compensation for Full Time Clergy

A. Total ministerial compensation paid directly to or for the pastor by the charge shall include**:**
   1. Cash salary, which should be the maximum possible from the local church, but no less than the minimum standards listed in Section V of this report. In cases where equitable support is requested, churches must pay at least 50% of that listed in Section V of this report.
   2. Parsonage provided, or housing allowance when parsonage is not available.
   3. Parsonage/housing utilities, to be paid by the local charge, including but not limited to:
      a. Electricity
      b. Heating
      c. Water and sewer
      d. One basic telephone line (not including personal long distance), which could be cell phone service
      e. Regular trash collection
      f. Basic cable service or equivalent service where available and desired by the pastor
      g. Basic high-speed internet where readily available, if desired by the pastor
   4. Conference health insurance and pension.
   5. Travel for local charge business at the IRS mileage rate with substantiation of mileage required (see Guidelines for Mileage, Section VII below).
   6. Other general operating expenses to consider as reimbursable, such as: continuing education and cellular phone service, including a data package.

II. ELIGIBILITY FOR ALLOWANCES: CHARGES

A. No minimum salary should be paid to a charge that has not conducted a responsible stewardship campaign each year. Refer to the Conference website for information on stewardship and stewardship programs.

B. Any change in clergy appointment to a charge on minimum salary support should be reported immediately to the office of the executive director of Financial & Administrative Services.

C. No minimum salary support should be made to cover the failure of a local charge to meet the pastor's salary as approved by the charge Conference.

D. A local charge is expected to maintain its level of clergy support from previous years and must set a definite salary.

E. A local charge is expected to provide a comfortable parsonage (or adequate housing allowance) meeting standards adopted by the Conference for parsonages and parsonage furnishings.

F. Any charge receiving minimal salary support will be given a maximum of five years to assume full pastoral support. The charge must project a plan of incremental reductions effective with the second year of support. After five years, minimum salary support may be terminated if substantial progress in reducing dependence on salary support has not been made. Continuation of salary support beyond the five-year limit shall require concurrent action by the Commission and the Cabinet.

G. The Cabinet representation on the Commission on Equitable Compensation will give an annual report to the Commission regarding the progress each charge is making toward moving off equitable compensation funding.

III. ELIGIBILITY FOR ALLOWANCES: PASTORS

A. A pastor who is engaged in business, a profession, or farming, or who is engaged in non-church activity for remuneration, or who is employed in secular business shall not be eligible for any salary supplementation, except in cases which may qualify for less than full-time appointment.".

B. A retired Conference member or retired local pastor who is serving as pastor shall not be eligible for any salary supplementation or any sustentation allowance.

C. For the local church to be eligible for salary supplementation, a pastor shall live on the charge or in the parsonage provided by the charge. Under unusual circumstances, the Commission may make an exception.

D. Minimum salary support is not a contractual right but a consideration of our relationship in Christian ministry.

IV. APPLICATION AND PROCEDURES FOR MINIMUM SALARY SUPPORT:

Supplementation is not automatic but must be applied for each year or when there is a pastoral change. The deadline for filing applications for the next calendar year is November 1 or immediately following charge conference. However, any time there is a change in pastoral appointment or status of the applicant, a new application must be completed. The local charge is responsible for filing the application.

A. The local charge shall obtain the application forms from its district superintendent. The local Staff Parish Relations Committee shall complete the forms and send them in duplicate by the deadline to the office of the Conference executive director of Financial & Administrative Services. The following information is required, in addition to the application:

1. Two copies of the church budget for each church on the charge. A completed budget includes:
   a. The previous year's approved budget, year end expenditures, and audit report;
   b. The current approved budget and year-to-date expenditures; and
   c. The proposed budget for the year support is requested.

2. A one-paragraph description of the program for stewardship education in each church including information such as how members were contacted, use of pledge cards, percentage of members who respond to the program, use of regular financial updates, and any other helpful information.

3. One copy of the church's year-end report must be returned to the office of the Conference executive director of Financial & Administrative Services by January 31.

4. A report with plans for growing the ministry of the charge. Charges beyond the first year of receiving funds shall include in that report how they are progressing on their plans for growing ministry, including anything they have learned from what did not work in the past.

5. Incomplete applications or applications submitted without required documentation will be returned without consideration by the Commission on Equitable Compensation, and payment may be delayed.

B. When a pastoral change is made during the year:

1. Charges requesting support for the first time shall also submit the items listed in IV., A. 1, to A. 4.

2. Charges already receiving supplementation with pastoral changes need submit only a new application.

V. MINIMUM CASH SALARY SCHEDULES

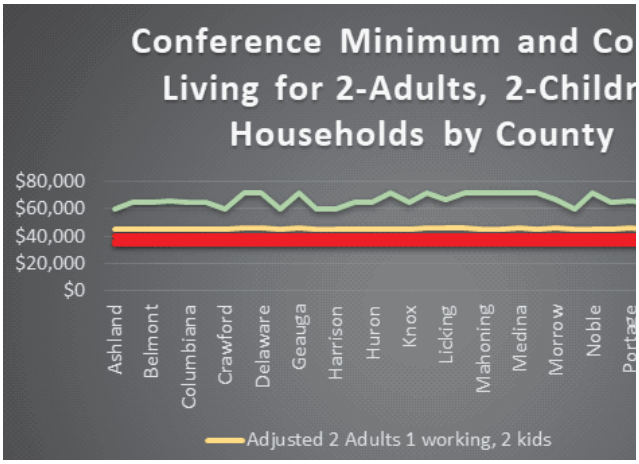
Currently, East Ohio Conference has one of the lowest minimum salaries across the United States and is second to the bottom excluding two missionary conferences (DAC & CAC Summary, 2022 and 2021 DAC and CACs by Conference name, Wespath Benefits and Investments, June 9, 2020). The Minimum Cash Salaries are not commensurate with the cost of living. This claim is substantiated by data shared with Commission members by Conference staff.

USDA (Food Pantry) WIC and Snap Income Requirements:
Head Start, free Lunch, WIC: 185% of Poverty.
For family of five: $57,424 (gross income)
SNAP (Food Stamps): 130% of poverty.
For family of five: $40,352 (gross income)
Food Pantry: 230% of poverty
For family of five: $71,392 (gross income)
For a full-time clergy person with a family of five at minimum salary living in a parsonage:

- Full-time local pastors who have not completed Course of Study are less than $2,000 away from being eligible for food stamps.
- All are eligible for Head Start, free school lunches and WIC and all are eligible to receive food from food pantries funded by local food banks through the USDA. These food pantries are often housed in the churches that the clergy are serving.

(E. Peterson, personal communication, October 7, 2021)

The above findings were corroborated by additional data submitted to the Commission on Equitable Compensation. Excerpts from that data follow:



(W. Fenton-Jones, personal communication, February 25, 2022).

The above graph shows the living wage salary required for households with two adults, two children [one adult working (yellow) and both adults working (green)] for all East Ohio Conference counties compared to Conference minimum salaries marked in red. The living wage salary is adjusted to account for housing and medical costs, both benefits provided by the Conference. The living wage salary is adjusted to account for housing and medical costs. Both benefits are provided by the Conference. Even when adjusted, the minimum salaries fall below the living wage for every county in the East Ohio Conference (https://livingwage.mit.edu/states/39).

(W. Fenton-Jones, personal communication, February 25, 2022).

To move our minimum salaries toward a more sustainable wage, the Commission recommends a 10% increase to each of the three minimum salary categories for 2022. If the above recommendation is approved, the 2023 salary schedule would be as follows:

	2022	**2023**	
A.	$40,431	**$44,474**	Full members, associate members, provisional members, and ordained persons from other denominations.
B.	$36,335	**$39,969**	Full-time local pastors who *have* completed the course of study.
C.	$34,289	**$37,718**	Full-time local pastors who *have not* completed the course of study.

VI. SUSTENTATION AID

Sustentation grants are available in cases of special need or financial emergencies to all clergy who are under appointment in the East Ohio Conference. In making its decision, the Commission is guided by a printed set of criteria available from the chairperson. The maximum that can be granted to any pastor in any one calendar year is $2,500. Due to inflation and growing need, donations to this fund are encouraged. The Fund # is 9917.

VII. GUIDELINES FOR MILEAGE:

A. In setting the pastor's mileage, the local church(es) shall pay vouchered mileage at the mileage rate set for the current year by the Internal Revenue Service. This figure may be obtained by doing a search for "business mileage rate" on the IRS website, www.irs.gov. Flat fixed rates for mileage are subject to apportionments.

B. A church or charge may have the option of prepaying an estimated mileage figure monthly. An accounting of actual miles driven must be reported to the local church treasurer, preferably at month-end but no later than 90 days after prepayment. At this time, any excess or unused portion of the prepayment could either be returned to the treasurer or used to reduce the next prepayment (except at year-end).

C. Standard documentation for vouchered miles shall include date, miles driven, purpose (may exclude specific contact information where confidentiality is an issue), not including commuting between home and the church.

D. Due to the connectional nature of The United Methodist Church, it is strongly recommended that mileage to district and Conference events and meetings also be paid by the local charge.

E. When specific pastoral duties at a community (non-church) event, (e.g., invocation and benediction at commencement), mileage to and from said event should be paid by the local charge. When an honorarium is given, mileage reimbursement should not be requested unless such honorarium is contributed to a charity or other worthy cause, in which case the local charge may choose to reimburse the pastor for mileage.

F. Mileage reimbursement for continuing education events should be worked out to the mutual satisfaction of the SPR/PPR Committee and the pastor.

G. When the pastor combines local charge business and personal business on the same trip, the mileage attributed to the personal errands shall not be included in the reimbursable mileage.

H. Mileage should be paid by the inviting charge when a pastor travels to another charge to perform services at the request of the other charge's pastor.

I. Multiple church charges should divide travel monies in the same proportion as salary, utilities, and other reimbursable expenses. Multiple travel logs must not be required.

J. Students who travel to the charge for weekend pastoral duties shall not include travel to and from school as charge mileage. The charge shall reimburse for extra trips necessitated by pastoral emergencies.

CONFERENCE COUNCIL ON FINANCE & ADMINISTRATION (CCFA)

Submitted by Rev. Dan Bryant, chairperson

This past year, 2021, continued the pandemic reality forcing both pastors and local church leadership to adapt and rethink how to do church. We found ourselves learning about hybrid worship and asking questions about "how we the church look on the other side of the pandemic?" In addition, the postponement of General Conference heightened the anxiety within the system as the uncertainty about our future remains. Under the steady leadership of Bishop Tracy S. Malone and the continued movement of God's grace in our lives, we see much for which to be thankful!

The pay-in rate from local churches to our East Ohio Conference budget was 79% in 2021 compared to 77% in 2020. In 2021 we had 679 churches compared to 692 in 2020. We received $8,648,960 in our five apportioned funds in 2021. Given our reduced budget and the faithful stewardship of our local churches we had a higher percentage of giving. Given the on-going pandemic and the anxiety within the system, the faithfulness of you – the local church – shines bright as we walk into 2022. As our budget continues to

gradually decrease and 2022 may return to a more "normal" way of mission and ministry, we are hopeful for an even larger pay-in rate in 2022.

celebrate the faithful commitment of our local churches that paid 100% of their apportionments. We saw a 6% increase in local churches paying full apportionments and praise God for those who were able to still maintain their level of giving. The giving amounts to almost $7 million for those churches in 2021. We had 300 of our churches contribute to the shared ministry challenge (Fund 7) by giving $230,328 which was over 10% more than in 2020. God continues to move in the gracious generosity of you, the local church.

It's not all positive news. In 2021, 49 of our local churches did not contribute anything toward any apportioned fund. That's about 6% of our churches. Those churches that did not pay anything represent $558,286 of our 2021 budget (which represent 5% of our budget). Our Conference can accomplish a great deal through shared ministry that local churches could not accomplish on their own. Yet, at the same time, we know that the most critical investment for mission and ministry are those made at the local church.

The 2021 Conference budget was reduced by 5% so that local churches would have more available funds for their respective mission fields. CCF&A continues to monitor trends and examine budgetary needs as we head into this quadrennium. Since General Conference is postponed until 2024, we are treading water regarding implications of denominational changes that may come our way.

Giving to Advance Specials in 2021 totaled $946,086 – the second-largest amount contributed over the past seven years. That is reason to celebrate! For comparison, here are the amounts contributed to Advance Specials by East Ohio Conference churches over that time: $682,901 in 2020; $882,000 in 2019; $950,000 in 2018; $924,500 in 2017; $760,000 in 2016; and $754,000 in 2015.

For more than a decade, the East Ohio Conference has reflected the value of paying 100% of shared ministry apportionments by paying 100% of the Conference's General Church apportionments. In 2021, we paid 100% of what we anticipated our General Church apportionments would be based on our approved budget. East Ohio Conference sent the General Church $2,075,680 for our share of the anticipated General Church apportionment amount.

Looking beyond apportioned funds to areas of direct billing, the direct billing pay-in rate in 2021 – for pensions and hospitalization – was 95.9% which was slightly less than the 98.6% pay-in rate from 2020. The actual cash shortfall caused by unpaid direct billings in 2021 was roughly equivalent to $425,609, an increase from 2020, but roughly equivalent to less than one-month's direct bill amount. This could be attributable to timing of billings sent and payments received.

Looking back at 2021, the emotional and physical toll of being the church in a time such as this cannot be ignored. Life is hard and the challenges seem unending. Yet, the good news is being proclaimed and God's mission continues through the faithful witness of you, East Ohio. We are not alone.

God is with us as we journey in 2022, and as we look ahead to 2023.

At this year's Annual Conference CCF&A will present a 2023 budget that proposes a 5% reduction in the five apportioned shared ministry funds. Approving this budget will be part of our actions at Annual Conference.

With the assurance of God's presence, and the foundational comments above, CCF&A proposes these policy items to the Annual Conference:

I. PAYMENTS AND REPORTING

A) **Local Church Apportionment Payments** - All payments to Conference budget items shall be made at least monthly to the executive director of Financial & Administrative Services on supplied remittance forms. Special offerings should be sent only with the regular monthly remittance. Please do not send them separately. Payments should be sent directly to the bank lock box in the envelopes provided. There is also a separate remittance form for the directly billed Health Care & Pension Program. Please follow the directions on the separate remittance forms.

1) **Timing** - Items in the Conference budget that are apportionments are expected to be paid in full. One-half of the apportionment should be paid by June 30. To do less causes hardship for the programs and people of the East Ohio Conference.
2) **Reporting** - The district superintendent will receive up-to-date reports on the apportionment giving levels of the local churches and is asked to be an advocate for full fair-share giving by each local congregation.
3) **Staying current** in all five apportionment funds is expected. Any church that wishes to support the ministry of any of the funds at greater than 100% is encouraged to do so.

B) **Annual Church Reports** - Annual church reports (pastor's report) shall be submitted online by January 18, 2023, but an extension until January 31, 2023, may be granted in cases of emergency, provided the request is made in writing and received by the executive director of Financial & Administrative Services before January 18, 2023. This extension is automatically granted to multiple church charges.

PLEASE NOTE: For monies to count toward 2022 it must be received at the bank by Thursday, January 5, 2023. This is the third business day of the new year. This deadline is imposed upon us by our audit firm. Please make note of this date! Monies received after January 5, 2023, will not be credited to the 2022 records. Be aware that credit card transactions and ACH payments take one business day to process. Please plan accordingly.

When churches do not file a year-end statistical report, those churches' next apportionments will remain at the same level as the last year for which they filed a statistical report.

C) **Audit Reports** - Reports - ¶ 617.2 of *The Book of Discipline of The United Methodist Church, 2016*. All agencies receiving financial support from Conference benevolences or from any other authorized Conference-wide appeal shall make audited reports to the Council concerning all such receipts and the disbursements thereof in such detail and at such times as the Council may direct. These audits shall be due on March 31, or 90 days following the closing of the fiscal year and shall be sent to the Funding Evaluation Committee of the Conference Connectional Ministries office. Any agency that fails to provide a satisfactory audited report by said deadline will have its current-year funding suspended until the Committee accepts the report. The Council has established minimum guidelines for audits and an Audit Committee has provided a standard form for use by all districts commencing with the 1995 audit using generally accepted accounting principles or an acceptable comprehensive basis of accounting other than generally accepted accounting principles and including a listing of property values and all fund balances including investments, restricted and non-restricted funds. All audits are to be duly signed by the person performing the audit. Copies of district audits shall be available to local churches at the district conferences.

D) **Investment Reports** - The executive director of Financial & Administrative Services is authorized, in consultation with CCF&A, to invest a portion of the Huntington Sweep Account fund in AAA Commercial Paper. Monthly reports of investments shall be made at CCF&A meetings.

II. BUDGET

A) **Timeline** - All program agencies asking for funds shall participate in a one-year budget.

B) **Ministries and Mission Balances** - Carry-over balances in the Fund I Conference Connectional Mission Apportionments accounts shall be channeled into a Ministries and Missions Contingency Fund. At year-end, all un-vouchered project/program funds shall be retained in the EOC Connectional Table Ministries and Missions Contingency Account. Final disbursements of unspent balances will be determined by the Connectional Table at the end of each 12-month period. The Ministries and Missions contingency balance can be accessed by procedures adopted by the Connectional Table.

C) **Pay-out rates** - All funds are budgeted for a 100% payout rate.

D) **Contingency and Reserve Funds**

1) **Contingency Funds** - By action of the 1976 Annual Conference, two contingency funds were established, Administrative and Ministries and Missions. CCF&A and the Conference Council on Ministries (now the Connectional Table) agreed that unused balances at the end of the year are put into the respective unbudgeted Conference Contingency Funds. The Connectional Table may initiate requests for Ministries and Missions Fund through its established procedure. Non-Connectional Table-related groups may appeal directly to CCF&A for Administrative Contingency Funds. Any such request must stand five tests:
   a) Does not duplicate budgeted funding
   b) Has not been turned down in budgeting process
   c) Does not circumvent budgeting process
   d) Funds are available
   e) Where applicable, there are specific bid figures attached to the requests. Ministries and Missions grants are paid only upon submission of a documented voucher, in the same manner as budgeted item grants are made.

2) **Reserve Funds** - These funds consist of interest earnings from short-term investments and restricted funds, and some unspent contingency funds voted to the Unrestricted Reserve Fund by CCF&A. This fund is used under the jurisdiction of CCF&A primarily as a reserve for capital or administrative expenditures. Since October 18, 1972, CCF&A's goal, upon recommendation of the General Council on Finance & Administration, has been to set the Unrestricted Reserve Fund Limit at one and one-half times the average monthly income from the preceding year's Conference apportionment receipts. The current limit for **2022** is **$1,288,770**. The Unrestricted Reserve Fund had a balance of **$1,288,770** on **December 31, 2021**.

III. COMPENSATION AND REIMBURSEMENT

A) **District Superintendent's Salary** - The formula for a district superintendent's salary was established at the 2002 Annual Conference. Because of the numerous voluntary wage freezes taken by the district superintendents over the years, the formula for their salary was updated in 2009 by Annual Conference. The formula salary is equal to 1.80 times (formerly 1.90 times) the Conference Average Cash Salary of the 2021 year for pastors as computed by the General Board of Pensions for the 2023 year. For 2023 salary, we will use the 2021 Conference Average Cash Salary of $59,740 which will calculate a salary of $107,532 for 2023. The salaries for the executive director of Connectional Ministries, the executive assistant to the Bishop, the executive director of Financial & Administrative Services, and the executive director of Communications are set by using the same formula, but with a housing allowance adjustment.

B) **Travel Allowance** - Effective **January 1, 2022** the mileage reimbursement rate for Annual Conference staff shall be the maximum rate allowed by the Internal Revenue Service, currently **$0.585** per mile. The rate was increased to $0.625 per mile on July 1 2022, in keeping with Internal Revenues guidance.

C) **Housing/Utilities**

1) District superintendents shall be provided housing with full utilities and maintenance provided.

2) The executive assistant to the Bishop, the executive director of Connectional Ministries, the executive director of Financial & Administrative Services, and the executive director of Communications shall receive a housing allowance – or if not clergy a salary adjustment – equal to 25% of the salary figure that is established in A.

3) Connectional Ministries directors (full-time) shall receive a housing allowance at a rate established by CCF&A, plus full utilities, if clergy.

D) **Expenses** - Conference treasurer audits all line items and requires substantiation for reimbursable expenses. Outside auditors review the treasurer's expense account.

E) **Minimum Salary** - Minimum requirements detailed in the Commission on Equitable Compensation report are to be applicable to all charges.

F) **Health Insurance** - Each pastoral charge shall be billed an amount for health care coverage where applicable. For 2022 it is anticipated that the premium will remain approximately the same. The East Ohio Conference Board of Benefits will set the final premium charges. Employing agencies will be charged the appropriate premium for their participants. Amounts will be remitted on Health Care Forms provided by the executive director of Financial & Administrative Services.

G) **Pension/Disability CRSP/CPP Direct Billing** - (See worksheet provided with Omnibus Form). Each pastoral charge will be billed an amount for CRSP and/or CPP.

H) **Travel Reimbursement** - The rate for mileage reimbursement for Conference business, for other than Conference staff, shall be paid only in cases of critical need at $0.14 per mile.

IV. MOVING EXPENSES

The purpose of this policy is to describe how the East Ohio Conference will help defray the costs of household moves related to clergy assignment within the Conference and to clearly state the rules which apply so that local charges and affected individuals may recognize in advance the maximum amount of financial help they might receive from the Conference. Moving expenses, subject to conditions and limitations that follow, are to be shared by the Conference and the charge accepting the minister. The

Conference-share reimbursement rate will be determined by CCF&A based upon available funding. Moving arrangements are to be made by the individual who will move, and such arrangements are subject to approval by the charge sharing the cost. It is recommended that a professional mover be used. On a non-professional move, the Conference will not reimburse for labor or wages and the Conference will assume no liability for such a move. All exceptions to this move reimbursement policy may be referred to CCF&A for resolution.

A) **Conditions and Limitations**

1) **Positions Covered** - Situations eligible for reimbursement are those which involve either a parsonage or a housing allowance from a local church or the Conference for clergy under Episcopal appointment. An appointment beyond the local church may be covered only if it is a position in which the East Ohio Conference funds full salary. Also covered would be newly retired pastors being hired as supply pastors (see also B-1). In negotiating with candidates for Conference professional positions approved in *The Conference Journal*, this policy should be used as a guideline.

2) **Reimbursements** - The charge receiving a pastor is to pay the carrier and submit a documented voucher to the executive director of Financial & Administrative Services for reimbursement of the Conference share. The Conference will reimburse the local church/charge 50% (subject to limitations) of the moving costs of each pastor under Episcopal appointment. All local churches/charges with a valid moving bill incurred at the usual moving time, at the end of June, must submit that bill to the executive director of Financial & Administrative Services by August 1 each year. The executive director of Financial & Administrative Services will subsequently reimburse to the local churches an amount of 50% of the moving bill (subject to limitations). Mid-year moving bills shall be submitted with prior approval of the Cabinet.

3) **Apportionment Requirement** - If half-year apportionment payments of Shared Ministry Funds II, III, IV as well as directly-billed Pension and Health Care are current as of June 30, a charge will be eligible for moving reimbursement as per established policy. In charges whose current-year apportionments are not paid to date, only churches of said charges which have these apportionments paid will be proportionally reimbursed the Conference-share of moving expense.

4) **Distance, Packing and Weight Limitation**

a) **Distance** - This is limited to mileage within the Conference boundaries following the shortest route acceptable to the carrier.

b) **Packing** - Conference reimbursement to local churches for packing materials and/or packing charges is limited to $500.

c) **Weight** - Only household goods are included. Specific exclusions include cars, boats, and trailers, as well as storage charges and overtime for movers.

d) **Estimate** - As part of exercising stewardship while planning the move, the pastor being moved shall obtain two written estimates of the full cost of the move (including insurance from licensed movers) and shall submit all estimates, as well as the final bill, as attachments to the reimbursement request.

5) **New Seminary Graduate Appointments** - Graduates entering the East Ohio Conference to assume their first full-time appointments will be given total moving expense reimbursement from the place of origin of their move to their new appointment in the Conference if they use a self-move method. If using a professional move, the graduates shall be under the conditions and limitations of Section IV.A. If moving from outside the Conference the local church/charge to which the incoming graduate is appointed shall be expected to pay the appropriate moving expense prorated from the nearest Conference boundary to the new residence. The mode of move shall be determined by the district superintendent in consultation with the pastor, church, and Cabinet.

6) **Out of Conference Transfers In** - Churches receiving persons transferring into East Ohio from other annual conferences shall have their related moving expenses reimbursed by the annual conference under the terms specified in A1-4 (except 4a, Distance). The local church/charge will be expected to pay one-half of the actual cost of the move, but not more than half of the cost of the average professional move over the prior two years as listed in this report. The East Ohio Conference will pay the balance subject to payout rates specified in A1-4.

The Average Professional moving expense over the prior two years:
2021 and 2022 average (used in **2022**) = **$2,907**

B) **Retirees and Disability**
NOTICE: All benefits described in this section are to be applied for those retiring in the current year. Anyone retiring in a prior year should consult the language in *The Conference Journal* for the year in which they retired. Reimbursed moving expenses for retirees is a taxable transaction and will receive a Form 1099 at year-end, appropriately.

1) **Retirees** - Full-time local pastors and clergy under appointment as district superintendents, Conference staff, or on a pastoral charge, serving with pension funded by the Conference, shall be eligible to receive a non-recurring moving expense allowance at the time of their retirement under ¶ 358.1, 2.a., 2.b., 2.c of *The Book of Discipline of The United Methodist Church 2008*, provided that such clergy shall not have been re-admitted for the purpose of retirement. Retirees eligible per the previous language that are approved to continue working in retirement will remain eligible for this non-recurring moving expense allowance at such time as they end their work. This allowance must be used within six months of the end of their work unless granted an extension in writing by the executive director of Financial & Administrative Services, and with prior approval of both Cabinet and CCF&A. The development and administration of policy governing the allowance shall be the responsibility of the Conference Board of Pensions.

2) **Payment Amount**
   a) **Inside Conference** - Clergy retiring and moving to a retirement residence within the East Ohio Conference at the time of their retirement shall receive full reimbursement for actual expenses in accord with the conditions and limitations of Section IV.A.1-4.

   b) **Outside Conference** - Clergy retiring and moving to a retirement residence outside the East Ohio Conference at the time of retirement shall receive actual expenses up to a maximum equal to the average cost of a professional move reimbursed by the Annual Conference over the two years prior to their actual retirement.

   c) **Other Than Time of Retirement** - Retired clergy moving to a retirement residency either inside or outside the East Ohio Conference (and who have not already used their non-recurring retirement move reimbursement), shall be reimbursed actual expenses up to a maximum equal to the average cost of a professional move reimbursed by the annual conference over the two years prior to their actual retirement.

3) **Disability/Death** - A similar non-recurring moving expense allowance will be granted to eligible members granted disability, full-time local pastors granted disability benefits, and surviving spouse of eligible members or full-time local pastors.

V. APPORTIONMENT PROCESS

A) **Formula** - CCF&A recommends the following formula for determining apportionment of Shared Ministry Funds: Apportionments to local churches will be based on non-benevolent and non-building expenditures (referred to as "total base figure"). A "grade figure" will be derived for each local church so that it may readily figure its share of any Conference-budgeted item. The "grade figure" shall be computed as follows:

Local Church Total Base Figure / Conference Total Base Figure = Local Church Grade Figure

1) **Total Base Figure** - Total base figures are the sum of the church program expenses, other current expenses, salary paid pastor and associates, and travel and utilities paid to pastor and associates by the church for them. The total base figure is listed annually in *The Conference Journal*.
   a) **Travel** - Travel at the Conference-approved rate per vouchered mile for each pastor and/or diaconal minister will not be counted in total base figure. If a flat rate or allowance is used, the total amount is taxable to the recipient, and the total amount will be included in the calculation of the total base figure.
   b) **Moving Expense** - The moving expenses paid by the church are not added to the total base figure but must be reported by each church as outlined in the local church report to annual conference.
   c) **Health Insurance** - The health insurance premiums for lay and clergy paid directly by the charge shall not be considered in establishing the charge's apportionments.
   d) **Pension** - Pension provided for lay employees is not considered in establishing the charge's apportionments. Pension charges billed directly to the local church/charge for clergy shall not be considered in establishing the charge’s apportionments.
   e) **Housing Allowance** - Housing allowance for apportionments shall exclude amounts expended on either rent or mortgage and interest payments. Taxes, maintenance, insurance, and utilities will remain a part of the formula.

B) **Timeline** - Preliminary apportionments for 2022 will be mailed in late July 2021 and will be based on the Local Church report for the year 2020. Final apportionments will be mailed by mid-September 2021.

C) **New Churches** – A new church will be apportioned by the Conference and the district 10% of its "full" amount during the first year after the effective charter year. During the second year the apportionments will be at 15%; during the third year 20%; fourth year 40%; fifth year 60%; sixth year 80% and 100% in the seventh year and thereafter. Existing new churches will be considered as in their first year. The term "apportionments" is meant to include all apportioned funds (Currently three churches in 2022).

D) **New Program Staff Position Salaries**- These salaries will be exempt from total base figure calculation for a period of two years from the date of hire. During this time, new program staff position salaries will be reported along with the date of hire each year on the local church report to annual conference.

E) **Merged Churches** - As part of the merger process, the congregations involved will create a proposed budget for the merged church which will go into effect on the date the merged church begins worshipping and meeting as one congregation. This budget will be worked out in consultation with, and given approval by, the district superintendent and the district Committee on Church Building and Location. This budget will then be forwarded to the office of the executive director of Financial & Administrative Services to be used to formulate the current year's apportionment figures for the newly merged church. A new total base figure will be calculated for the merged church based on the formula outlined in ¶ V.A) above.

new total base figure will be in effect until the actual financial records of the merged church are reported for the first full year of its existence and can be used to calculate a total base figure based on actual expenditures.

A new classification of merged churches will be VITAL Mergers. Those mergers fulfilling the VITAL Merger qualifications will be considered as a new church start by the Board of Congregational Development and will consequently be considered a New Church for apportionment purposes.

VI. EAST OHIO ANNUAL CONFERENCE CENTRAL TREASURY

All Conference assets, liabilities, and fund balances are to be accounted for by the office of the executive director of Financial & Administrative Services, who will provide a Central Treasury for the East Ohio Annual Conference (See 2012 Discipline ¶613.12). The executive director of Financial & Administrative Services is charged with the accounting for all financial activity of the Conference, including all boards, agencies, and committees. No group or individual may perform this accounting function in lieu of the executive director of Financial & Administrative Services, who must account for all receipts, disbursements, and fund balances.

The executive director of Financial & Administrative Services is not currently expected to perform the accounting function for the district offices, the EOC Credit Union, the EOC Foundation, or the UMW. These bodies perform their own accounting function and are both separately audited and reported to the annual conference.

VII. CONFERENCE LOAN POLICY

CCF&A may borrow up to 2% of the Conference annual apportioned budget in any given Conference year for current expense purposes.

INDEPENDENT AUDITOR'S REPORT

Conference Council on Finance and Administration
East Ohio Conference and Ohio East Area Office of the United Methodist Church
North Canton, Ohio

Opinion

We have audited the accompanying combined financial statements of East Ohio Conference and Ohio East Area Office of the United Methodist Church (Conference and Area Office), which comprise the combined statements of assets, liabilities and net assets - modified cash basis as of December 31, 2021 and 2020, the related combined statements of receipts and disbursements and changes in net assets - modified cash basis and the combined statements of functional expenses - modified cash basis for the years then ended, and the related notes to the combined financial statements - modified cash basis.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of East Ohio Conference and Ohio East Area Office of the United Methodist Church as of December 31, 2021 and 2020 and its receipts and disbursements and changes in their net assets and the functional expenses for the year then ended in accordance with the modified cash basis of accounting as described in Note A.

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Conference and Area Office and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with the modified cash basis of accounting described in Note A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the combined financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference and the Area Office's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Conference and Area Office's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Conference and the Area Office's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note A of the combined financial statements, which describes the basis of accounting. The combined financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASIS

EAST OHIO CONFERENCE
AND OHIO EAST AREA OFFICE OF THE UNITED METHODIST CHURCH

December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The East Ohio Conference of the United Methodist Church and Ohio East Area Office of the United Methodist Church (Conference and Area Office) are administrative entities of the United Methodist Church. The broad purpose of the Conference is to service the requirements of the individual churches that are located within its defined area of responsibility (northeast Ohio). The purpose of the Area Office is to perform the work of the area Bishop. The Conference administered 679 and 681 churches in 2021 and 2020, respectively.

Combination Policy

The combined financial statements include the accounts of the East Ohio Conference of the United Methodist Church and Ohio East Area Office of the United Methodist Church which are related through common control. All significant inter-entity transactions have been eliminated.

Basis of Accounting

The financial statements are not intended to present the Conference's and Area Office's financial positions and results of changes in net assets in conformity with accounting principles generally accepted in the United States of America on the accrual basis; rather, it is their policy to prepare their financial statements on the acceptable accounting method of modified cash basis by which certain assets and the related revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Apportionments receivable represent amounts which are due at December 31 of each year. The amounts recorded were received in January of the subsequent year. Investments are carried at fair value with both realized and unrealized gains and losses reflected in the accompanying combined statements of receipts and disbursements and changes in net assets - modified cash basis.

Cash Equivalents

The Conference and Area Office consider highly liquid debt instruments purchased with original maturity dates of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are capitalized at cost when purchased and at estimated fair value at date received for donated property, less allowances for depreciation. Maintenance, repairs and renewals are charged to operations as these expenditures are incurred. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets. The Conference and Area Office recorded depreciation expense of $303,948 and $299,962 in 2021 and 2020, respectively, which is included in program services on the statements of receipts and disbursements and changes in net assets - modified cash basis.

Gifts of long-lived assets such as land, buildings or equipment are reported as an addition without donor restriction support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment (Continued)

assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as with donor restriction support. Absent explicit donor stipulations about how long those long-lived assets must be maintained and expirations of donor restrictions are reported when the donated or acquired long lived assets are placed in service.

In-Kind Contributions and Services

In-kind contributions and services are recorded as revenue and expenses in the statements of receipts and disbursements and changes in net assets - modified cash basis. Donated services are reported as revenue and support and as assets or expenses only if the services create or enhance a non-monetary asset or would typically need to be purchased by the Conference and Area Office if they had not been contributed, or if the services require specialized skills and are provided by individuals with those skills. These donated services are stated at amounts based on fair value as designated by the contributor.

Net Assets with Donor Restrictions

Net assets with donor restrictions are used to differentiate resources, the use of which is restricted by donors or grantors to a specific time period or purpose, from resources on which no restrictions have been placed or that arise from the general operations of the Conference and Area Office.

Donor-restricted gifts, grants and bequests are recorded as an addition to net assets with donor restrictions in the period received. Resources restricted by the Conference and Area Office for specific operating purposes are reported in receipts without donor restrictions to the extent expended within the period. When the donor restriction expires, that is, when a stipulated time restriction ends, or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of receipts and disbursements and changes in net assets - modified cash basis as net assets released from restrictions.

Income Taxes

The Conference and Area Office qualify as organizations exempt from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code.

Use of Estimates

The preparation of financial statements prepared on the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation

The Conference and Area Office report information regarding its financial position and activities according to ASU-2016-14; net assets without donor restrictions and net assets with donor restrictions.

Functional Expenses

The costs of supporting the activities of the Conference and Area Office have been summarized on a functional basis. Accordingly, certain costs have been allocated among the program and supporting services benefited.

NOTE B - FAIR VALUE MEASUREMENTS

The Conference and Area Office classify their assets and liabilities carried at fair value based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect management's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

The Conference and Area Office hold their investments mainly with two entities: The East Ohio United Methodist Foundation (Foundation) and Wespath Benefits and Investments (Wespath). In addition, the Conference holds a beneficial interest in a trust through a bank (see Note F).

The following table sets forth by level, within the fair value hierarchy, the Conference's and Area Office's assets measured at fair value as of December 31, 2021 and 2020.

Level 2 assets consist of the Wespath short-term index fund which is comprised of cash and cash equivalents and short-term investments and also beneficial interests in assets held in trust by others. These assets are valued using the present value of the estimated future cash receipts, which is an amount approximating the value of the underlying assets of the trust.

Level 3 assets in the Foundation and Wespath mixed index funds are comprised of equities in small and midsize U.S. companies, public real estate investment trusts (REITs), international equities, international real estate securities, fixed income investments, U.S. Treasury inflation protected securities (TIPS), mortgage contracts and other loans, private real estate partnership investments and private equity partnership investments. Mortgage contracts and other loans are recorded at fair value based on the net present value of the future cash flows discounted at market equivalent rates. Private real estate partnership investments fair value estimates are based on a combination of appraisal reports from independent appraisers and models developed by the underlying fund managers using a variety of market-based assumptions. Fair value estimates of private equity partnership investments are based on available market data such as comparable public companies' trading multiples. These valuations are adjusted to give consideration to certain conditions specific to a private company.

The Wespath inflation-linked bond index fund is comprised of government issued inflation protected securities, inflation-sensitive commodities through futures and senior-secured floating rate loans. Government securities are stated at fair value determined primarily by matrix pricing. Inflation-sensitive commodities through futures are stated at fair value determined by prices quoted on national security exchanges. Loans are stated at fair value based on the net present value of the estimated future cash flows discounted at market equivalent rates.

See independent auditor's report.

NOTE D - HEALTH CARE BENEFITS

The Conference provides certain health care benefits for 681 retired, 8 disabled and 270 active employees including clergy, lay people and dependents. Substantially all of the Conference's employees and clergy may become eligible for these benefits upon meeting certain service requirements. Health care benefits are expensed as claims are paid. These costs, net of insurance refunds received, are included in program services.

The Conference had accumulated postretirement benefit obligations, as estimated by their actuary at December 31, 2020 and 2018, of $29,601,385 and $35,408,112, respectively, related to postretirement health care benefits. The Conference's policy is to have the report showing this estimate prepared every third year. The valuation assumptions used as of December 31, 2020 and 2018 included a discount rate of 5.5% and projections based on Scale MP-2018.

Because the Conference presents its financial statements on the modified cash basis of accounting as described in Note A, there are no additional footnote disclosures or liabilities recorded in the financial statements for this obligation.

Assumed health care cost trend rates have a significant effect on the amounts reported for health care plans. A one percentage point change in assumed health care cost trend rates in connection with the 2020 actuarial valuation would have had the following effects:

	One Percentage Point Increase	One Percentage Point Decrease
Effect on postretirement benefit obligation	$ 4,528,186	$ (3,705,294)

The 2022 health care cost trend rates included in the actuarial assumptions are projected to be 7.0% and are assumed to decrease gradually to 5.18% for 2031 and remain at those levels thereafter.

NOTES TO COMBINED FINANCIAL STATEMENTS - MODIFIED CASH BASIS (CONTINUED)

NOTE E - PENSION BENEFITS

Defined Contribution Plan

The Conference and Area Office have a defined contribution retirement plan for all lay people who meet certain eligibility requirements. Contributions to the plan, which are paid by the Conference, are based on a 12% fixed percentage of each participant's compensation. Contributions representing retirement plan expense of $144,760 and $157,402 were paid in accordance with the provisions of the plan in 2021 and 2020, respectively.

Multi-Employer Plan

The Conference's clergy are also enrolled in a hybrid defined benefit and defined contribution retirement plan administered by the General Board of Pensions of the United Methodist Church. The defined benefit portion is based on the denomination average as calculated by the actuaries of the General Board of Pensions. The defined contribution portion is 3% of a clergy's plan compensation. Retirement plan contributions, which are paid by member churches by a direct bill from the Conference and Area Office, are deposited in local banks and periodically transferred to the General Board of Pensions.

The defined benefit portion of the plan is made up of (1) the Clergy Retirement Security Program (CRSP-DB), (2) the Supplement Three to the Clergy Retirement Security Program otherwise known as the Ministerial Pension Plan (MPP Annuities), and (3) Supplement One to the Clergy Retirement Security Program (Pre-1982 Plan). The CRSP-DB, MPP Annuities and Pre-1982 Plan are part of a multi-employer defined benefit pension plan covering substantially all United Methodist clergy, including clergy appointed by the Conference. The Pre-1982 Plan covers service prior to 1982, MPP Annuities covers service from 1982 through 2006, and CRSP-DB covers service on or after January 1, 2007. The risks of participating in this multi-employer plan differ from that of single-employer plans in the following respects:

Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers;

If a participating employer stops contributing to the plan, then the unfunded obligations of the plan may be borne by the remaining participating employers;

If the Conference chooses to stop participating in its multi-employer plan, then it may be required to pay that plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Conference paid all contributions due for contribution year 2021 and 2020 as shown below. All contribution amounts are payable on December 31 of the year shown, while the funded status is as of the valuation date for the contribution year shown.

The Conference's participation in the plan for the years ended December 31, 2021 and 2020 is outlined in the table below:

The multi-employer plan is a non-electing church plan under Internal Revenue Code Section 414(e) and 410(d). As such, it is exempt from the minimum funding requirements of ERISA, the Pension Protection Act of 2006, and Internal Revenue Code Section 412 and 430-436. Accordingly, no funding improvement plan or "zoning" funding requirements apply.

This plan (all three historically consecutive plans are part of one multi-employer plan) is a multi-employer plan as defined in ASC 715. It is not a multi-employer plan under Internal Revenue Code Section 414(f) (i.e., a Taft-Hartley union-management plan) because no unions or union contracts are involved. The plan's provisions are governed by the General Conference, a United Methodist Church-wide decision-making body that meets once every four years. Changes to the plan provision are not allowed between General Conferences except to the extent they are required to maintain compliance with secular law.

There are no liabilities recorded in the financial statements for pension benefits since the Conference prepares its financial statements on the modified cash basis of accounting.

See independent auditor's report.

NOTE F - BENEFICIAL INTERESTS

The Conference is the beneficiary under a trust held in perpetuity administered by a bank. The trust, which is not controlled by the Conference, has been included in the statements of assets, liabilities and net assets - modified cash basis. The Conference has recorded the present value of estimated future cash flows (an amount approximating the Conference's percentage of the value of the underlying assets of the trust) as permanently restricted net assets. The Conference's share of future cash flows for this trust had a value of $873,656 and $828,463 for the years ended December 31, 2021 and 2020, respectively. Distributions from these trusts, reflected in investment income, amounted to $43,198 and $29,302 for the years ended December 31, 2021 and 2020, respectively.

NOTE G - NET ASSETS

The Conference and Area Office, through their relevant Boards and Councils, have chosen to place the following limitations on unrestricted net assets at December 31:

	2021
Designated retirees	$ 22,856,056

NOTE H - RISKS AND UNCERTAINTIES

The Conference and Area Office invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect amounts reported in the statements of assets, liabilities and net assets - modified cash basis.

The Conference and Area Office maintain cash balances at several financial institutions located in northeastern Ohio that at times, are in excess of Federally insured limits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation subject to various limitations and conditions.

NOTE I - LEASES

The Conference leases office equipment under various operating leases. Total rental expense charged to operations was $58,848 and $82,662 for the years ended December 31, 2021 and 2020, respectively. The following is a schedule of future minimum lease payments required under the above operating leases:

2022	$ 55,860
2023	55,860
2024	55,860
2025	1,245
2026 and thereafter	-

The Conference leases office space to various entities in their building. Total rental income collected was $38,516 and $34,272 for the years ended December 31, 2021 and 2020, respectively. The following is a schedule of future minimum lease income to be received under the above leases:

2022 RESOLUTIONS

Resolution 2022-01: "Reclaiming Peace"
General Church Budget Implications: None
East Ohio Conference Implications: Yes

RECLAIMING PEACE

WHEREAS: since the beginning, God provided abundant life among humans to live in harmony, but greed, jealously of others' successes, and selfish desire for control caused suffering, pain, and alienation from God, from the human family, and from community;

WHEREAS: jealousy, greed, anger, and personal desire result from a sense of entitlement, self-importance, and self-rightness all of which prompts a sense of deserving privilege, favor, resources, and even hoarding those from others;

WHEREAS: God has faithfully provided spiritual leaders and prophets to instruct, warn, guide, and lead us, "showing" and teaching us to live in harmony, to be 'right with' our brothers and sisters, and to share the resources for abundant life, eg. food, water, safety, land, leadership;

WHEREAS: Jesus, the foretold "Prince of Peace," welcomed the stranger, fed the hungry, cared for the outcast, the stranger, the neighbor as our family;

WHEREAS: for 2,000 years new 'disciples' and visionaries have modeled, taught, and guided humans to know God's love as a lived model for the health and welfare of peaceful co-existence;

WHEREAS: even as The UMC itself faces internal conflicts and separations of ideology and affirmed beliefs, our shared history of peace and unity in Christ's larger Church calls us to respect, care for, and affirm one another, in Christ;

WHEREAS: the 20th C. communities and the earth itself faced unimagined destruction as more lethal weapons escalated human hostilities into "world war," and some feared annihilation because, as stated in the preamble to the UDHR: "Disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind." (The Preamble to the UDHR)

THEREFORE, be it resolved that members of this conference read and reflect on individual and collective responses and responsibilities of The United Methodist Church's position regarding conflict, war, and the necessity for relationships grounded in love that respect and restore peace.

RATIONALE:
"We believe war is incompatible with the teachings and example of Christ. We therefore reject war as an instrument of national foreign policy. We oppose unilateral first/preemptive strike actions and strategies on the part of any government. As disciples of Christ, we are called to love our enemies, seek justice, and serve as reconcilers of conflict. We insist that the first moral duty of all nations is to work together to resolve by peaceful means every dispute that arises between or among them. We advocate the extension and strengthening of international treaties and institutions that provide a framework within the rule of law for responding to aggression, terrorism, and genocide. We believe that human values must outweigh military claims as governments determine their priorities; that the militarization of society must be challenged and stopped; that the manufacture, sale, and deployment of armaments must be reduced and controlled; and that the production, possession, or use of nuclear weapons be condemned. Consequently, we endorse general and complete disarmament under strict and effective international control." [From *The Book of Discipline of The United Methodist Church*, *"The World Community" [section VI of the "Social Principles," paragraph 165 BOD (2017-2020)*

THIS RESOLUTION CALLS ON UNITED METHODISTS OF THE EAST OHIO CONFERENCE TO REJECT AND DENOUNCE WAR, EITHER AS AN AGGRESSOR OR AS RETALIATION TO AGGRESSION. THAT WE MIGHT PERSONALLY AND COLLECTIVELY COMMIT TO THE PRINCIPLES SET FORTH IN THE BOOK OF DISCIPLINE REGARDING WAR, AND THAT WE MIGHT FOLLOW THE TEACHINGS AND EXAMPLE OF THE PRINCE OF PEACE, JESUS HIMSELF CRUCIFIED, FOR AND BECAUSE OF THE HATE AND HOSTILITY OF HUMAN AGGRESSION.

ADDITIONAL RESOURCES & REFERENCES: Justice and Law (BOD)
Persons and groups must feel secure in their life and right to live within a society if order is to be achieved and maintained by law. We denounce as immoral an ordering of life that perpetuates injustice and impedes the pursuit of peace. Peoples and nations feel secure in the world community when law, order, and human rights are respected and upheld.

Believing that international justice requires the participation of all peoples and nations, we endorse the United Nations, its related bodies, the International Court of Justice, and the International Criminal Court as the best instruments now in existence to achieve a world of justice and law. We commend the efforts of all people in all countries who pursue world peace through law. We endorse international aid and cooperation on all matters of need and conflict. We urge acceptance for membership in the United Nations of all nations who wish such membership and who accept United Nations responsibility. We urge the United Nations to take a more aggressive role in the development of international arbitration of disputes and actual conflicts among nations by developing binding third-party arbitration. Bilateral or multilateral efforts outside of the United Nations should work in concert with, and not contrary to, its purposes. We reaffirm our historic concern for the world as our parish and seek for all persons and peoples full and equal membership in a truly world community.

2022 INFORMATIONAL REPORTS

Conference Board of Trustees
Submitted by: Randall W. May

According to ¶2512 of the 2016 United Methodist Book of Discipline, each annual conference must have a board of trustees responsible for receiving, collecting, holding in trust, and administering all of the conference's real and personal property. The board meets as needed but must meet at least annually. According to ¶2512.6 of the 2016 United Methodist Book of Discipline, the board must make to each session of the annual conference a full, true, and faithful report of its doings, of all funds, monies, securities and property owned or held in trust by it, and of its receipts, acquisitions, expenditures, sales or leasing during the conference year. In accordance with these requirements, receive now the 2022 Annual Report of the Board of Trustees ("Board") of the East Ohio Conference ("Conference") for the conference year beginning July 1, 2021, and ending June 30, 2022 ("Conference Year").
During the Conference Year, the Board met four times for regular quarterly meetings using the ZOOM application on the following dates: July 10, 2021, October 9, 2021, January 8, 2022, and April 9, 2022. In addition, the Board met using Zoom for a special meeting on May 31, 2022, for a final review of disaffiliations and other matters prior to Annual Conference. Also, the Board dealt with several issues requiring Board action between regular quarterly meetings using email and on-line voting. At the October meeting of the Trustees, the Board elected the following members as officers: Randall May as President; Ivy Smith as Vice President; and Brian Hanner as Secretary. Vera Rebrovich, Director of Financial & Administration Services for the Conference, serves as the Board's Treasurer. The Board's work is comprised of three principal categories: 1) maintaining and managing Conference properties; 2) acquisition, sale, and leasing of Conference properties; and 3) other tasks associated with Conference property. The following is a summary of work completed by the Board during the current Conference Year.

Maintaining and Managing Conference-Owned Properties

District and Episcopal Residences: *District Parsonages and the Episcopal Residence:* The Board, in coordination with the Conference Director of Financial & Administration Services - Vera Rebrovich, the Conference Council on Finance and Administration, and the Episcopal Residence Committee, are responsible for the repair and maintenance of the Conference's district parsonages and episcopal residence. If the maintenance and repair work is minimal in nature, it is handled directly by the district superintendent or the Bishop from a budget allocation, while larger maintenance and repair work is handled through the Conference Director of Financial & Administration Services - Vera Rebrovich. The district parsonages and episcopal residence are currently in good condition and repair.

Area Center and Other Properties:

- The Board worked with the Conference Director of Financial & Administration Services - Vera Rebrovich and other Conference leaders on maintenance and repair work in the Area Center. No significant renovation work was needed this year in the Area Center, however ordinary repairs, maintenance, and interior finish work were needed in the total amount of $19,735. Carpet and other flooring for the Area Center, as well as additional interior finish work and conversion of lighting to LED is scheduled for next Conference Year.
- Epworth Center Roof: This Conference-owned property in Bethesda, Belmont County, Ohio, is leased to the Epworth Center for use as a community-based Christian outreach mission. In 2021, the roof began to leak, and it was determined that a full roof replacement was needed. Epworth had insufficient funds to pay for the repairs and requested assistance from the Board so that the Conference's property remained in good condition. At its January 8, 2022, meeting, the Board voted to provide $20,000 from its budget to help Epworth carry-out the roof repairs. The total cost for the work is $21,085, and Epworth will pay the balance.

- Additional District Parsonage Sales and/or Purchases: Finally, with respect to the acquisition and sale of Conference properties, the Board is also seeking permission from this Annual Conference to sell and/or acquire district parsonage properties. With the new superintendency plan announced by Bishop Malone on February 15, 2022, which provides for co-superintendency in several districts within the Conference, and with some additional superintendency and district changes anticipated during the coming conference year, the Board needs the ability to sell unneeded or inconveniently located district parsonage properties, and to acquire parsonage properties conveniently and centrally located within districts in which superintendents can he housed. Thus, the Board seeks permission from this Annual Conference to sell and/or acquire additional parsonage properties *ad interim* with the consent of the Bishop and a majority of the district superintendents, and as approved by the Board, all as provided for in ¶ 2515 of the *2016 Book of Discipline.*
- Additional Closed Churches: As of the date of this report, the Board is aware of several additional churches which are closing or preparing to close. Other local churches have been discussing their futures, but have not yet made any firm decisions.

Leasing:

- Area Center Lease: Space in the Area Center in the amount of 184.5 sq. ft. was leased to the Canal District for a new district office, effective in April of 2022, for a term expiring on June 30, 2025.
- Epworth Center Lease: This Conference-owned property in Bethesda, Belmont County, Ohio, was previously being leased to the Epworth Center for use as a community-based Christian outreach mission. The original lease has expired, and a new lease was entered into, effective July 21, 2021, for a term expiring on December 31, 2035, with annual rental in the amount of $1 (same as the previous rent).
- Oil and Gas Leases: The Board is currently considering interest in the oil and gas rights associated with several properties owned by the Conference.

Various Other Tasks Associated with Conference Properties

- Camping and Retreat Endowment (C.A.R.E.) and Other Camp Assets: The total current balance of C.A.R.E. is $3,414,376. The total current balance of all funds (restricted, unrestricted and C.A.R.E.) is $3,414,377. There is a loan payable to the Conference for the Aldersgate Director's House with a total principal balance of $38,305. Loan terms are:15 year term, 2% interest, $13,165 payment per annum, expected to pay off in 2024.
- Paycheck Protection Program Second Draw Loan: The Director of Financial & Administration Services - Vera Rebrovich, at the direction of Bishop Malone, and in consultation with the Conference Council on Finance and Administration and the Board, applied for a Paycheck Protection Program ("PPP") Second Draw Loan under the U.S. CARES Act. The PPP Second Draw Loan in the sum of $117,100 for the Conference camps only, was approved on May 19, 2021. The Conference filed a Loan Forgiveness Application, and on January 6, 2022, the Conference was granted 100% forgiveness of the PPP Second Draw Loan by the Small Business Association.
- Trusts: The Board continues to work on resolving several trust issues associated with closed local churches: former Beach City UMC and former Conotton UMC.
- BSA Bankruptcy: The Board, in coordination with the Director of Financial & Administration Services - Vera Rebrovich, the Conference Council on Finance and Administration, and the Conference Chancellor – Rex Miller, and with the leadership and direction of Bishop Malone, has been participating in a joint legal defense and resolution effort in the Scouting BSA bankruptcy. The BSA bankruptcy plan is currently being reviewed and considered for approval by the bankruptcy court. If settled, the Conference and local churches with claims against them would be responsible for payment of a designated settlement amount. In addition, all local churches of the Conference would be responsible for reviewing and updating their Safe Sanctuary Policies and taking other actions to protect vulnerable individuals.
- Detterman Log Church, Historic Lyme Village: The Conference Commission on Archives and History ("Archives") financially contributed to the rescue, relocation and restoration of a historically significant log church formerly located on private land owned by the Detterman family in Seneca County, Ohio. The church was relocated to Historic Lyme Village in Lyme, Ohio, by the Historic Lyme Village and was restored by Historic Lyme Village. Archives continued financial support for periodic repair of the Detterman Log Church. The Board is working with Archives and other Conference leaders to clarify legal issues associated with the church, to determine if any further financial support is warranted or desired, and where that financial support will come from.

- Transfer of Stained-Glass Windows from Closed Richmond UMC to Jefferson UMC: At its October 9, 2021, meeting, the Board considered a unique and interesting request by Jefferson UMC to remove the historic stained-glass windows of Richmond UMC in Andover, Ohio, which had been closed in June of 2021. Jefferson UMC wanted to remove the stained-glass windows before the church was sold, in order to mount and back-light the windows for display inside Jefferson UMC, the church to which some of Richmond UMC's members had transferred their membership. In order to preserve and protect the beautiful windows, the Board agreed to allow Jefferson UMC's request, provided that Jefferson UMC replace the windows in Richmond UMC with clear glass at their own cost and expense. As of the date of this report, the project has been completed and the windows are available for viewing inside Jefferson UMC.
- Disaffiliating Local Church Issues: The former Boyce UMC completed the disaffiliation process and was approved by the 2021 Annual Conference for disaffiliation. This year, we have 11 disaffiliation requests relating to human sexuality pursuant to ¶2553 of the *2016 Book of Discipline* to present at the 2021 Annual Conference. The Board met in a special session on Tuesday, May 31, 2022, to review these disaffiliation requests, and the status of each requesting church with respect to their fulfillment of all requirements set forth in ¶2553 of the *2016 Book of Discipline*. At that meeting, the Board found that the 11 churches had entered into a written disaffiliation agreement with the Conference on its standard form, made all required payments, and complied with all other conditions precedent as set forth in ¶2553 of the *2016 Book of Discipline* and in the church's disaffiliation agreement, and to submit these 11 churches to the Annual Conference for disaffiliation. These 11 churches are: Bisel UMC (TW), Bristolville UMC (WR), Broadway UMC (TW), Chapel of the Cross UMC (CN), Herrington Bethel UMC (OV), Mt. Olive UMC (SH), Mt. Vernon Mulberry UMC (TR), New Rumley UMC (OV), North Bloomfield UMC (WR), Real Hope UMC (TW), and Williamsfield UMC (WR). According to Judicial Council Decision 1379, and ¶2529.1b(3) of the *2016 Book of Discipline*, these disaffiliation agreements must be ratified by a simple majority of the members present and voting at a duly called session of the Annual Conference. The Annual Conference approved all 11 disaffiliation agreements for the churches listed above by majority vote, and the churches will be disaffiliated from the East Ohio Annual Conference and The United Methodist Church effective at 11:59 pm, on June 30, 2022.

The Board has been extremely busy during this Conference Year, so I would like to thank all of the members of the Board and the Director of Financial & Administration Services - Vera Rebrovich, for their time and commitment during this challenging season. During the Conference Year, the Board continued to meet, communicate, and handle issues in many novel ways in order to effectively, promptly and safely complete all the work for which the Board is responsible. This concludes the annual report of the Board of Trustees of the East Ohio Conference.

Respectfully Submitted,
Rev. Dr. Randall W. May, President
East Ohio Conference Board of Trustees

Commission on Archives and History Report to Annual Conference 2022
Submitted by Meg Sondey, chair

The Commission on Archives and History works to preserve the records of the East Ohio Conference and provides oversight of the Archives of Ohio United Methodism (AOUM) at Ohio Wesleyan University through the Joint Archives Committee (JAC). The Commission's association with the United Methodist Historical Society of Ohio (UMHSO) provides local church historians with online resources at www.umhso.org as well as an annual in-person Convocation. UMHSO also provides congregations celebrating milestone anniversaries with certificates honoring special events upon submission of a request and updated history.

The current Commission consists of 16 members: the chair, a representative from each district, two at-large representatives, the Conference historian, the archivist, and the bishop or the executive assistant to the bishop.

Currently serving in those roles are Meg Sondey, chair; Executive Assistant to the Bishop Ed Peterson; Deb Saito, CN; Pat Hogue, FL; James Macdonald, MO; Sandra Beard, NC; Sue Evans, OV; Mollie Gerlach, SH; John Parr, TR; Kathy Fuller, WR. Kerry King and Mary Ann Stotts are at-large representatives. Sharon Monigold is the current archivist. Donald Trigg is the Conference historian. We currently are without representatives for MV and TW.

The Commission continues its research to clarify the history, relationship, and responsibilities of the Commission with the historically significant Detterman Log Church, built in 1846, and now located at Historic Lyme Village in Bellevue. A rough draft of the history of the relationship is in its final stages of development and the desire is to bring that information to the Conference Board of Trustees later this year.

UMHSO moved the 2021 Convocation and Business Meeting to October 22-23 at Anderson Hills UMC in Cincinnati. The 2021 Convocation theme was "Firsts in Ohio United Methodism." The 2022 Convocation and Business Meeting is planned for October 14-15 at Powell UMC in Powell, Ohio. Information about the Convocation and UMHSO membership can be found online at www.umhso.org.

As a JAC participant, we continue to work to address rapidly developing space issues at the Archives at Ohio Wesleyan because of the large influx of records from recently closed churches. Archivist Sharon Monigold has undertaken a detailed space study and JAC is continuing conversations to determine how and where additional appropriate space may be found as well as what potential editing of current holdings might be undertaken.

Lists of local church historians in the various East Ohio districts have been provided to the Commission members representing those districts so that they may both provide information to them and communicate their needs to the Commission as a whole. Commission members have been encouraged to contact congregations without listed historians to determine if there is, in fact, an active local church historian at that location. A one-page description of Commission members' responsibilities, as well as a "welcome packet" for new Commission members have been developed and distributed.

The Commission members have continued to work remotely and meet virtually throughout the past year. As always, the Commission remains dedicated to preserving the history of the East Ohio Conference so that through those faith stories we can make disciples of Jesus Christ for the transformation of the world.

Board of Congregational Development Report to Annual Conference 2022
Submitted by Stephanie Tennant, chairperson; Rev. Beth Ortiz, director of Strategic Ministries

The purpose of the Board of Congregational Development is to creatively increase congregational vitality in East Ohio so that we make disciples of Jesus Christ for the transformation of the world. Our vision is to inspire, equip, and empower local church leadership to risk bold and innovative ministry. The core values of the Board of Congregational Development are leadership training, financial resourcing, congregational networking and promoting new work. This Board's main function is governance and responsibilities including creating an overall strategy for strengthening the ministry of the local church in meeting the needs of communities or regions and to maintain financial oversight and accountability for the achievement of the Board's objectives.

Some of the ways we have served the Conference over the last year include:

- Both/And trainings that help congregations embrace online worship and find ways to improve and do it better,
- a Creative Worship training,
- Simplified Accountable Structure (SAS) workshops and coaching,
- Small Church Leadership trainings with Paul Nickerson, and
- Transitions training.

We also help provide accountability to churches receiving funds, such as the Trinity Fund proceeds, for initiatives as part of our commitment to be good stewards of what God has given us. We are excited and blessed to walk alongside congregations faithfully serving and boldly living out discipleship. We will continue to be here for the congregations in the coming year providing opportunities for coaching, discipleship, and cohorts.

Board of Multicultural Vitality Report to Annual Conference 2022
Submitted by Will Fenton-Jones, director of Multicultural Vitality

The Board of Multicultural Vitality provides a space for the intersectional work of the Commission on Religion and Race (CORR), Church & Society, Native American Awareness, Office of Christian Unity and Interreligious Relationships (OCUIR), and Ethnic Local Church Concerns. All of these functional areas are represented in a way that searches for common points of intersection to allow us to creatively undertake justice work with the churches and people of the East Ohio Conference.

Our work this year was driven by Luke 4:18-19 where Jesus states his mission to proclaim good news to the poor, freedom for the prisoners, recovery of sight for the blind, to set the oppressed free, and to proclaim the year of the Lord's favor. Jubilee has inspired our work and will continue to do so for the next year. This work has taken shape in the following initiatives, and we invite you to join in God's call for us to do justice!

Community Organizing
For the past two years, we have been working with community organizer trainer Rev. Dr. Angela Cowser, who has consulted with a group of clergy and laity from Akron around two core questions:

- What does a healthy and vital church look like, and what would it be doing?
- What does a healthy and vital community look like, and what would it be doing?

It's important that these questions be answered by both church members and community members and deep listening is done through the tool of relational meetings to find and develop leaders and to build power.

Racial Justice
Our commitment to anti-racism continues to be a focus as we resource churches with guides such as the "All in God's Image" family guides for Native American Awareness and Black History month. Intercultural Competency training and trainings for Cross-Racial/Cross-Cultural appointments are still important, even amidst the COVID-19 pandemic. Events such as Perspectives: Black Theologian Day or our Bishops' Retreat with Black Clergy continue to be sources of inspiration and renewal. We continue to fund scholarships for minority students and provide grants for church ministry and clergy.

Advocacy and Ecumenism
Communal acts of mercy – seeking justice – is discipleship in action. We are a witness to the world when we advocate for marginalized groups, historically oppressed groups, and those who have little. The Ohio Council of Churches and Hunger Network in Ohio continue to be avenues for our voice to be present in the Ohio State Legislature.

Our witness to the world is also to live into Jesus' prayer that we may be one. Our ecumenical partnerships have resulted in webinars and learning opportunities around important issues like climate justice, Afghan refugee resettlement, and the death penalty. We have continued to be in partnership with our ecumenical allies to bring training and studies to United Methodist Church congregations.

Young People's Ministries Report to Annual Conference 2022
Submitted by Kaye Wolfinger, director of Young People's Ministries

1. Our biggest initiative has been to equip, empower, and support the adult leaders who minister with young people. There are several ways that we continue to accomplish this goal.
   a. In November, the regional coordinators took a Sabbath retreat with one another. So much fruit came from our time together. The fellowship and spiritual reconnection helped us individually as well as a team.
   b. A Youth Leader's Network retreat was held in January. This retreat focused on the spiritual discipline of prayer. Youth leaders were able to experience many different types of prayer that were very experiential. Not only was this an opportunity for individuals to strengthen their own prayer lives but also share many ideas that can be used in ministry with young people. This was also a launching time for the theme of Youth Annual Conference for the 2022-23 school year.
   c. Leaders continue to meet monthly for our Book Club. All details can be found on the Conference website at www.eocumc.com/youngpeople/yln.
   d. Regional coordinators are available for resources and support for leaders of young people. They have networks they connect with on a regular basis and meet with the director of Young People's Ministries monthly to check in and set goals.

2. Conference Council on Youth Ministries (CCYM) meets monthly via Zoom. We have seven faithful members.
   a. They created a social media Lent devotion/challenge that was promoted to East Ohio Conference clergy and laity, who were able to follow along on Instagram or Facebook eoc_ypm or by looking for #reLENTless.

b. Youth Annual Conference is June 17-19 at Walsh University. The theme is "Relentless." Please add this event, the teens, and their leaders to your prayers.
c. Applications are now available online for CCYM for the next school year, please encourage teen leaders to apply.
d. We are beginning to talk about and promote YOUTH 2023 which is a Discipleship Ministries event in Florida next year. We hope to have good representation from our East Ohio Conference. Micah Beck, a KSU student and member of Wadsworth UMC, is on the planning team for this event.

3. BHECCM, the Board of Higher Education and Collegiate Campus Ministries, continues to work at aligning the mission and vision of the Conference with partnering of campus ministries that share this common mission.
   a. Currently, we are funding eight ministries in the state.
   b. The Board is working with a few other local congregations to cast a vision and reach the mission field of the campus in their own back yards.
   c. We are continuing to work with the General Board of Higher Education and Ministry (GBHEM) for our scholarship process which was awarded in late spring.
   d. The Board is exploring ways to improve the scholarship process and is discussing how internships may play a part in the future.

Board of Camps & Retreat Ministries Report to Annual Conference 2022
Submitted by Rev. Beth Wilterdink, chairperson; Rev. Gary Jones, director Camps & Retreat Ministries

The East Ohio Conference Board of Camps & Retreat Ministries (BCRM) has a vision for partnering with local churches, developing safe places of hospitality at our camp and retreat sites, facilitating transformational Christian programs, connecting people to God's creation, and encouraging all people to encounter and grow in the power of Christ's love in Christian community.

In 2021, despite COVID-19 still being present, we were able to welcome summer campers and retreat guests back to our sites and programs. It was so good to be present with all the guests and campers we missed! The summer camp ministry was able to offer a fruitful program at Aldersgate, Asbury and Wanake as well as at Lakeside Institute. Things were handled differently to keep campers and staff safe from COVID; and we closed the season with no outbreaks and much new learning. We were also able to step back in to hosting groups for our retreat season. It is great to be back in the business of spiritual, birth, growth, and renewal!

We have had some transitions in camp staff. At Camp Asbury, we were saddened by the retirement of Rev. Bill Graham after 23 years of wonderful, faithful service as our director. Sammi (Vaughan) Riggs who was serving as the assistant director, has stepped into the role of interim director and we hired John Cruz as the new assistant director for Asbury. At Camp Wanake, we had two year-round staff people move on to other jobs and we have hired Amy Ecklund as the assistant director of Guest Group Services and Taylor Johnson as the assistant director of Program. We also have welcomed Buford Sullivan as the new Maintenance manager at Camp Aldersgate. We are blessed to have dedicated and qualified people stepping into leadership in our camping ministry!

At the close of 2021, the camping ministry was able to end the year in a good place financially due to a Small Business Administration-backed Paycheck Protection Program (PPP) Loan and gracious giving from supporters of the ministry.

The BCRM has been paying attention to changing trends in society, looking at the lessons learned during COVID-19, and exploring the possibilities to address these trends and needs in the future. Overall, 2021 was a very challenging year for our Camps & Retreat Ministries, but one also filled with many blessings. We look forward to serving the East Ohio Conference of The United Methodist Church as we move into the future.

Board of Missions & Community Engagement Report to Annual Conference 2022
Submitted by Rev. Kathy Dickriede, director of Missions & Community Engagement

We have been actively working on building resources for community engagement in our East Ohio Conference United Methodist churches; looking to build partnerships and relationships that can lead to advocacy and transformation in community for justice, civic engagement, and community development. The office of Missions & Community Engagement is partnering with the Communications office and the office of Multicultural Vitality to make this happen with webinars, website resources, and already-existing Advances.

As we look to the 2022-2023 conference year, we look to local churches to inspire and inform us on what is already happening as well as turning to mission partners and EOC Advances to teach and lead us in best practices for community engagement. Mission sites like OPEN M, Urban Mission in Steubenville, South Street Ministries in Akron, Canton for All People, and others are leading the way in this work. We will be resourcing these agencies to equip clergy and laity for this work.

Conference leadership has been exploring how to increase the East Ohio participation in Royal Family KID'S Camp. We have worked with leaders from East Ohio's four existing camps to increase diversity in camp staff volunteers and increase the number of camps that are hosted in our communities. Learn more at www.forthechildren.org.

Long-Term Recovery United Methodist Volunteers in Mission (UMVIM) journeys have happened in Puerto Rico and Lake Charles, Louisiana. During the COVID pandemic, volunteers have engaged in risk-taking missions. Some things are essential. Answering God's call to repair, recover, and rebuild hope in people's lives is one of those essential needs in the world that we can do as followers of Christ. East Ohio is responding, and mission opportunities are available.

International mission partnerships have been strengthened through virtual means over the past two years. We look forward to returning to in-person UMVIM journeys in 2023 to Liberia, Cambodia, Guatemala, Cuba, Zimbabwe, and beyond. Let us know what mission journey you are doing, what you are planning, or a place you would like help building a UMC relationship or partnership within the future!

Board of Missions & Community Engagement Committee Reports to Annual Conference 2022

Global Ministries
Submitted by Kevin Schaner, Conference secretary of Global Ministries

In the past year, I have continued matching churches and small groups with our UMC Global Missionaries. We have worked to educate about the importance of establishing official annual covenant relationships with the missionaries that we support and to add new ones. There are three ways to financially initiate such a relationship:

- larger-member or smaller-member churches joining together ($2,500)
- individuals ($500), and
- small groups ($5 per member).

Learn more on the covenant relationship page of the Global Ministries website at www.umcmission.org/covenantrelationships.

COVID-19 has opened opportunities for more regular communication compared with when we waited for missionaries to itinerate to us. A sub-committee was initiated in the hopes of creating future local conference leaders. Some of the members assisted seniors to make vaccination appointments. Monthly, the Board of Global Ministries presents #STILLINMISSION, virtual visits with those serving in both the U.S. and around the world. Learn more and register on #STILLINMISSION page of the Global Ministries website at www.umcmission.org/missionaries-stillinmission.

Health & Well-Being Committee
Submitted by Pastor Georgette Gaston, chairperson

In early 2022, the EOC Health & Welfare Committee changed its name to Health & Well-Being to better reflect the work we are engaging in with EOC agency ministry partners as we work to build better bridges for ministry among UMC agencies, congregations, and the greater community. The current Conference Health & Well-Being Agencies are:

- Canton for All People (new in 2022)
- Copeland Oaks in Sebring
- Epworth Center in Bethesda
- Flat Rock Homes
- Heart 4 the City in Akron
- Nehemiah Mission in Cleveland
- OhioGuidestone, multiple locations in East Ohio
- Otterbein Marblehead Senior Living
- Urban Mission in Steubenville
- West Side Community House in Cleveland

The change in name reflects a shift from an institutional focus on funding to a more relational focus of resourcing one another with ideas and people as well as financial support. Health & Well-Being is working toward building better relationships among the EOC agencies, so that one another's encouragement and expertise enables our partnering agencies to serve their clients in ways with focused training, brainstorming along with a growing list of possibilities.

Ultimately, we're working towards resourcing local churches with opportunities to give, serve and learn from these agencies AND to enable the agencies to learn from the local congregations. It is an inspiring and liminal space we're working in to make and mature disciples of Jesus Christ for the transformation of the world.

DisAbility Awareness Team
Submitted by Karen Kilgo, Team leader

The DisAbility Awareness Team invites churches to deepen their understanding of individuals with disabilities, to broaden their reach to these individuals and their families, and to include all in the life, ministry, and work of the church. Made in the image of God and gifted within the Body of Christ, all can be part of God's fellowship of believers. The DisAbility Awareness Team offers resources to churches, including speakers for churches and church events for DisAbility Awareness Sundays and other DisAbility Awareness presentations. We offer special messages, group activities, interactive seminars, and more – all focusing on disability awareness and inclusion.

New this year, the respective DisAbility Awareness Teams of the East Ohio Conference and the West Ohio Conference have joined together to form the Ohio Disabilities and Ministries Collaborative. The Collaborative publishes regular newsletters chock full of resources for churches in both conferences. We invite volunteers interested in serving on the East Ohio Conference DisAbility Awareness Team to join us, and we especially welcome individuals with disabilities as part of the team. We encourage churches to make their congregations welcoming places for all people! Learn more on the DisAbility Awareness pages of the East Ohio Conference website at www.eocumc.com/disabilities.

Mission Awareness Committee
Submitted by Rev. Bruce Becker, chairperson

During 2021, the Mission Awareness committee members had a focus on engaging local churches with the Advance Specials and other local ministries. Each district is represented on our team, see the 2022 Leadership Committee Report for details. Each of those team members is encouraged to find ways to connect churches with missions in the local area. Many of them regularly submit articles to district and East Ohio Conference news. We spend a good amount of time introducing our team members to the different Conference Advance Projects (also called Advance Specials) in or connected to the East Ohio Conference. Our team members work with these ministries to help and encourage them to get the word out to local churches.

Over the past couple of years, we have seen some significant fruit of these efforts. Most of our Conference Advances have seen an increase in support, including financial support. Looking at the 2021 end-of-year report our total giving to Advances is up over the past two years: $185,844 in 2021 compared to $112,804 in 2020 and $145,044 in 2019.

As you can see, even if we discount the lower giving of 2020 due to the pandemic, we are still more than 25% above the 2019 figures. I think awareness is paying off. We look forward to being able to work with more congregations and mission sites in 2022.

You will note that we have one new Health & Well-Being Agency (Canton for All People) and one discontinued Health & Well-Being Agency (Canton Calvary Mission). We also have two new Advances (Multicultural Ministries of Cuyahoga Falls and Thrive 10:10), and two discontinued Advances (Resurrection Community Center and Starting Point Outreach Center). Discontinued missions/ministries are listed at the end of Recommendation 1 with the reason they were discontinued.

The Advance for Christ is an official program within The United Methodist Church through which donors may designate giving to specific projects and purposes. Advance giving goes the “second mile” in generosity. It is in addition to our covenant promise to support The United Methodist Church through shared ministry funds (budgeted apportionments). The Advance designates 100% of your donation to the specific project indicated in your gift. This is possible because apportionments pay for the communication and financial networks that administer the Advance. Other charities must deduct administrative fees to process similar donations. Donations may be directed to your local church using the Advance number or may be made online at www.eocumc.com/donate.

Advance projects are partners in mission helping us extend the love of Christ into local communities. Through volunteering with and learning about these projects, we find the presence of Christ in ways and in areas beyond that which we experience as individual churches. A Conference Advance project directs funds to a mission partner (or purpose) that has been reviewed and approved by the Mission Awareness Committee of the East Ohio Conference. The Board of Missions & Community Engagement has reviewed and recommended the Advances listed as Health & Well-Being agencies.

A General Advance project directs funds to a mission partner (or purpose) that has been reviewed and approved by the Advance Committee of the General Board of Global Ministries. This can include General Advance Projects in Ohio as well as those around the world. Please pray for the people and communities these serve. Volunteer and build relationships with these partners. These connections have much to teach us about being “the body of Christ redeemed by His blood.”

Recommendation #1: that the following be adopted and promoted as Conference Advance projects for support by the East Ohio United Methodist churches (NOTE: Grouped by ministry or mission type).

Committee on Lay Servant Ministries Report to Annual Conference 2022
Submitted by Mandy Armstrong

The Committee on Lay Servant Ministries has given its most heartfelt thanks to members whose time with us had come to a close, and then welcomed both new members as well as some familiar faces over the past year. We give praise that districts are able to get back to at least partial face-to-face trainings while in many cases also offering online opportunities for those called by Christ into lay servant ministry.

In 2021 the Committee determined it would no longer use the title Basic Lay Servant. This year we found ourselves focusing on the annual reports as a whole. Much discussion was had over the importance of completing each section of the annual report, especially the section pertaining to having lay servants and speakers write about the activities they are taking part in to help:

"develop your devotional life; improve your understanding of the Bible; improve your understanding of The United Methodist Church; and to improve your skills in caring, leading, communication and speaking"
(EOC lay servant/speaker annual report to the charge conference).

The Committee wants to ensure lay servants continue in the learning process on their own and with their church family and not just rely on the trainings offered by the districts. If a lay servant completes an annual report for initial application to become a certified lay speaker or for renewal of certified lay speaker status, certified lay speaker status will not be approved until the report is completed in its entirety. To help ensure this is done, district directors will be working with the clergy in their districts as well as with district administrative staff to stress this.

Suzette Tidrick, a certified lay minister herself, and Certified Lay Minister Dr. Linda Morrow are working to build the East Ohio Conference lay minister training in the BeADisciple.com platform. They have started a round of training using the new format which includes Zoom sessions. Currently, the following are our East Ohio certified lay ministers:

- George Clark - Southern Hills
- Mel Felder - Mid-Ohio
- Lynn Gorton - North Coast
- Jackie Lewis - Three Rivers
- Cathy McIlvaine - Western Reserve
- Dr. Linda Morrow - Southern Hills
- Dr. Liz Piatt - Canal
- Dr. Joshua Reichard – Mahoning Valley
- Suzette Tidrick - Southern Hills

The Conference Committee on Lay Servant Ministries and its district directors continue to diligently work towards new and innovative ways to meet current and upcoming lay servants where they are and at the same time provide ways to bring them together safely

The Methodist Foundation of Ohio, like many of our local churches, worked diligently to support the missions and ministries of the church during the COVID-19 pandemic.

We were the first East Ohio entity to reach out and proactively fund feeding programs across the Annual Conference, helping local churches and organizations such as the Urban Mission in Steubenville to meet the needs of their communities. Feedback from grant recipients told us of the stabilizing factor these grants provided, giving United Methodists the opportunity to focus on feeding people without the stress of uncertain financial resources. All of these programs continued well beyond the life of our grants to them, showing how a well-structured gift can be multiplied into not only more dollars but feeding more people.

We continued our focus on supporting young clergy during this time as well. We offered two rounds of grants during this time, one for professional development online opportunities and another for personal care. These personal care grants were a direct result of the stress that all clergy were feeling during the pandemic. They were most commonly used for time away with family, such as a trip to a state park, or an emphasis on physical health, including gym memberships or exercise equipment.
In all the Foundation provided more than $80,000 in response to the pandemic to keep our young clergy and community mission strong.

With fewer local church staff and volunteers working in their buildings the need for online account access became clear. Our new Donor Central software provides monthly updates for account balances, historical data for deposits and withdrawals and a host of analytical tools for local churches and other advisors.

Even through these difficult times, the Foundation remains a resource for stewardship, planned giving and professional development assistance. We continue to be blessed with those opportunities.

Africa University Report to Annual Conference 2022
Submitted by James H. Salley, associate vice chancellor for Institutional Advancement and president/CEO of Africa University (Tennessee) Inc.

"You are the light of the world. A city on top of a hill can't be hidden." – Matthew 5:14 (CEB)

This year, The United Methodist Church marks 30 years of vibrant, transformative ministry through Africa University. Thank you, East Ohio Conference, for your faithfulness and generosity in bringing the dream of Africa University (AU) to life. In celebrating its 30th anniversary, Africa University is honoring the past and looking to the future, while remaining true to its mission as the cornerstone ministry for United Methodist-related leadership development in Africa.

Like the year that preceded it, 2021 affirmed that God's grace is sufficient in all circumstances. In January 2021, the students, faculty, and staff grappled with the sudden death of Africa University Vice Chancellor, Dr. Munashe Furusa. As the year unfolded, the coronavirus pandemic claimed more lives and continued to restrict travel and damage livelihoods. Unable to be together on campus, the students, faculty, and staff grieved, pivoted, supported, and encouraged each other, and persevered.

Against the backdrop of a global pandemic, Africa University harnessed new opportunities for missional engagement in 2021. The year's highlights include:

- **Effective online-only teaching, learning and student assessment**: About 99 % of students participated in online learning. Enrollment held steady at 3,060 students and more than 500 graduates from 24 African countries were awarded degrees in July 2021.
- **The installation of AU's fifth chancellor**: Bishop Gaspar João Domingos of the Western Angola Episcopal Area became chancellor following the death of Bishop John K. Yambasu of Sierra Leone.
- **Research and community service**:
    - AU researchers received US $2 million in funding for regional initiatives to eradicate malaria, tuberculosis, and other communicable diseases.
    - AU's students and graduates led, and showed their love of neighbor, with initiatives to feed hungry families, care for the environment, and improve the quality of life of legally blind parents and their children.
    - AU received the 2021 Jairos Jiri Humanitarian Award from the government of Zimbabwe for its pandemic impact mitigation efforts.

From the first conversations in 1984 to formal approval at the General Conference in 1988, the planting of Africa University required vision, faith, and bold action in the face of predictions that it could never succeed. Africa University found staunch allies in East Ohio, across the global Methodist connection, and beyond. The "Dream is Alive" was the rallying cry in March 1992 as the first 40 students from six African countries started lectures in repurposed farm buildings.

The people called United Methodists in the East Ohio Conference caught the vision. Individual members as well as local congregations have consistently responded with extravagant generosity, including most recently in support of the Teach • Reach • Bless campaign to provide safe, comfortable on-campus housing for female students. Thank you, East Ohio Conference, for exceeding the goal of $1.5 million a full year earlier than initially planned.

Africa University's journey from day one to the present is a shared story of being salt and light. Africa University is also an East Ohio Conference success story – of restoring hope, equipping, and sending forth young leaders to shape an abundant life for themselves and for the communities they serve.
Africa University is grateful to the East Ohio Conference for investing 84.68 % of its budget commitment to the Africa University Fund (AUF) in 2021. Thank you for ensuring access to a life-changing educational experience for African young people, especially those who are unable to fund a college education on their own.

Thank you, East Ohio United Methodists, for letting your light shine for young women and men who would otherwise be left on the sidelines. “A city on top of a hill can’t be hidden.” Similarly, AU’s current students and its more than 10,000 graduates to date are that metaphor made real. Continue to walk alongside them, East Ohio Conference, as they hone their abilities, live fully into their God-given purpose, and join in the work of making disciples of Jesus Christ for the transformation of the world.

Candler School of Theology Report to Annual Conference 2022
Submitted by Jan Love, Mary Lee Hardin Willard dean and professor of Christianity and World Politics

Since 1914, Candler School of Theology at Emory University has lived into our mission, educating faithful and creative leaders for the church's ministries throughout the world. This year, as we leaned into this critical work and continued to adapt to a world changed by the coronavirus pandemic, we imagined new possibilities for students who are called by God to pursue serious theological study and preparation for ministry. For some, opening avenues to graduate theological education requires moving financial obstacles, and for others, geography or family responsibilities may be the barriers. Candler is committed to assisting students in removing these barriers and opening new pathways to ministry.

An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from 43 denominations, with 45% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 466 from 16 countries and 38 states, 45% Persons of Color (U.S.), and a median age of 28 among MDivs. This diversity is a blessing, enriching our students and our larger community and providing a "learning laboratory" for ministry in the 21st century – ministry that reaches across difference, works to resolve injustice, and embodies Christ's love in and among us.

Candler offers six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and 10 dual degrees. Our DMin is 90% online, so students can remain in their places of ministry while earning their degrees. Its high 87% completion rate illustrates both the quality of our students and Candler's commitment to their success. This year, we increased online offerings in other degrees as well. Now students can complete the Master of Religion and Public Life completely online; the Master of Religious Leadership with concentrations in Youth Ministry, Justice, Peacebuilding and Conflict Transformation, or Wesleyan Leadership and Heritage in a hybrid format; and MDiv students can complete core classes online. Plus, our new Remote Teaching Parish (RTP) program allows MDiv students who have jobs in ecclesial settings far from our Atlanta campus to take core classes online and complete their contextual education requirements at their place of ministry, participating in mentor-led online groups with other RTP students.

Alleviating student debt through generous financial aid is a top priority. In 2020-2021, we awarded more than $6.8 million in financial aid, with 100% of MDiv and 98.5% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

Hundreds of laity and theology students alike have joined in classes and events offered through The Candler Foundry, our innovative program to make theological education accessible to all. Through short and semester-length courses taught by Candler faculty, videos, and discussion guides to spark conversation in groups or one-on-one, and online panel discussions, those who want to delve more deeply into theology and the Bible have the chance to do just that. View the latest offerings at www.candlerfoundry.emory.edu.

Associate Dean of Methodist Studies the Rev. Dr. Anne Burkholder will retire from Candler at the end of the 2021-22 academic year. We are grateful to God for her energetic and skillful leadership in this vital area as she strengthened the connection between our students and conferences throughout The UMC, mentoring them as they discerned their call and navigated the ordination process.

Candler's ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at www.candler.emory.edu.

Drew University Theological School Report to Annual Conference 2022
Submitted by Melanie Johnson-DeBaufre, interim dean

In Spring and Fall of 2021, Drew Theological School began returning to its Madison, New Jersey, campus for some classes, meetings, and worship. As with many churches, in-person events were held in spaces equipped for livestreaming or Zoom participation. The shift to remote learning during the COVID-19 pandemic thus significantly expanded our online course offerings and accessible community events. Now, a number of students in Drew's masters' programs will progress through their programs in U.S. and global locations far from New Jersey. This year, we welcomed 150 new students, again the largest class in a decade, and have a current enrollment of 376 students.

Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who are taking their place as the next generation of faith leaders and change agents. Diversity is a hallmark of our student body, including theological, vocational, age, and especially racial and national diversity both international – Asian, African, and South American and U.S. – Black, white, Latinx, and Asian American – students. Our student body is truly global, with 35% of students from 21 different countries. For the first time in its history, Drew has an African student association, initiated by Drew Theological School students from 14 African countries, that is already contributing richly to the Drew community both on campus and online. We have welcomed new faculty in Latinx ministries and world Christianity. We have also seen an increase in United Methodist students particularly interested in the school's Gospel-inspired traditions of social justice advocacy and widely inclusive ministry. We are proud that many United Methodist Global Fellows have recently chosen to continue their journey in ministry at Drew. Our United Methodist Church graduates are serving in Greater New Jersey, Eastern Pennsylvania, and New York Conferences as well as conferences across the country.

The faculty is committed to continuing to develop the curriculum in ways that take seriously the wide range of lived experience and calls to ministry of the students that gather in our global classrooms. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation.

Duke Divinity School Report to Annual Conference 2022
Submitted by Stacey Tompkins, Wesleyan Engagement project coordinator

Edgardo Colón-Emeric, the Irene and William McCutchen associate professor of Theology and Reconciliation and director of the Center for Reconciliation, began his two-year term as the dean of Duke Divinity School (DDS) on July 1. Colón-Emeric earned both his M.Div. and Ph.D. from Duke and has been a member of the faculty since 2008. An ordained Elder in the North Carolina Annual Conference, he directs the Central American Methodist Course of Study and the Peru Theological Initiative and serves on the United Methodist Committee on Faith and Order. He is the first Latino dean of the school.

A partnership with North Carolina Wesleyan College will enable qualified undergraduates to take courses at DDS. Funded by the Kern Family Foundation, the Duke Accelerated Pastoral Formation Program offers select undergraduates the option to begin coursework toward the Hybrid M.Div. or Master of Arts in Christian Practice (M.A.) degrees while completing their baccalaureate degree. It will help lower educational debt and accelerate the timeline to ministry. DDS launched the Asian House of Studies, to support Asian and Asian-American students; build a network of students, alumni, and church leaders under the leadership of Sangwoo Kim, senior director of the Methodist House of Studies, and Jung Choi, senior director of Wesleyan Formation Initiatives.

Three new certificates were approved this year. The Certificate in Methodist/Wesleyan Studies is aimed at pan-Methodist/Wesleyan students who want to engage in robust training in Wesleyan theology and spiritual practice in preparation for leadership positions. In the Certificate in Latinx Studies, students will hone skills for ministry while becoming part of a learning community that is committed to and seeks to learn from Hispanic/Latinx traditions and cultures. The Certificate in Worship is designed to prepare students to engage in practical formation and theoretical reflection on the worship in Christian congregations.

DDS announced 12 full-tuition fellowships to support incoming residential M.Div. degree program students who pursue a certificate in Black Church Studies or Latinx Studies. In addition to providing full-tuition scholarships, the fellowships provide vocational formation and mentoring and up to $24,000 in stipend and internship opportunities. The fellowships begin in the fall of 2022.

The office of Wesleyan Engagement announced the "Rediscovering the Heart of Methodism," an initiative of DDS with the support of the Kern Family Foundation. It seeks to nurture innovative leadership within the Wesleyan tradition as a constructive and hope-filled response to a turbulent ecclesial landscape. Supported by the Duke Endowment, the school launched To Heal the Wounded Soul, a project to strengthen Wesleyan pastors in the Carolinas who are Black, Indigenous, or People of Color, including from the AME, AME Zion, CME, and UMC churches.

This academic year DDS welcomed the largest incoming class in the school's history, with 259 new students. Enrollment in the M.Div. degree program increased to 133 students. The growth was driven by the first cohort of 52 Hybrid M.Div. students. The Doctor of Ministry (D.Min.) welcomed 36 students, the Master of Theological Studies (M.T.S.) gained 33, and the M.A. 17. The Master of Theology (Th.M.) enrolled 12 students, and the Doctor of Theology (Th.D.) enrolled seven. The Certificate in Theology and Health Care welcomed five residential students and 14 students in the hybrid program.

Three new faculty members joined the faculty in 2021. Polly Ha is an associate professor of the History of Christianity. Ronald K. Rittgers is the chair in Lutheran Studies and professor of the History of Christianity. Daniel Castelo is the William Kellon Quick professor of Theology and Methodist Studies.

Methodist Theological School in Ohio Report to Annual Conference 2022
Submitted by Danny Russell, director of Communications

Thank you for this opportunity to bring you news from MTSO.

With $1 million Grant, MTSO Supports Existing Religious Leaders and Helps Form New Ones

MTSO has received a five-year grant of $999,665 to establish "Connecting Pathways: A Multi-Faceted Approach to Strengthen and Sustain Current and Future Faith Leaders." The project is being funded through Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. The project utilizes MTSO's distinct strengths in two distinct parts. Part One, "Connecting Pathways: Congregations and Other Ministry Partners," supports existing religious leaders, focusing on anti-racism training and resourcing. Working with partner organizations, MTSO helps faith leaders to assess land use and church food programs to assist in building community engagement. Part Two, "Connecting Pathways: Vocational Exploration Intensive for Young Adults," invites young adults to imagine the possibilities for lifelong faith, offering experiential learning, theological reflection, worship, and relationships with healthy community leaders and vibrant faith communities. It introduces the whys and hows of ministry, connecting participants with faith leaders, including some of those involved in Part One of the project.

New Initiative Enhances Scientific Literacy for Seminarians

MTSO has a long-standing commitment to preparing religious leaders who are conversant in and respectful of science. An important part of that effort is "Questioning Science with Good Faith: Shifting the Engagement of Science in Seminaries," a project that integrates science into church history and theological studies curricula while also contributing to the public discourse on intersection of science and religion. The project is made possible by a $75,000 grant from the American Association for the Advancement of Science Dialogue on Science, Ethics, and Religion program. The grant is funded by the John Templeton Foundation. In September 2021, MTSO offered an online, multi-professional conversation, "Pastors, Pandemics and Public Health: Building Collaborative Responses to COVID-19."

Full-tuition Scholarships Extended to Those Pursuing United Methodist Candidacy

MTSO and the school's donors pledged to extend a full-tuition pledge to all prospective students who are pursuing United Methodist Elder or Deacon candidacy. The MTSO admissions staff is happy to answer questions about this initiative at (800) 333-6876 or admissions@mtso.edu.

Saint Paul School of Theology Report to Annual Conference 2022

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a flexible schedule, Saint Paul School of Theology is a seminary of The United Methodist Church committed to the formation of people for innovative, creative ministry. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and a contextual curriculum.

As the global pandemic continues to bring challenges to our daily lives, Saint Paul School of Theology began the 2021-2022 academic year again offering students an option to attend courses via Zoom or on-campus while maintaining safety protocols. Our weekly chapel service continues to be available online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are.

This year, we have had many faculty and staff changes. After many years of tremendous service to students and the Seminary, Dr. James Brandt and Dr. Hal Knight announced retirement plans effective at the end of the 2021-2022 academic year. In addition, Dr. Jeanne Hoeft will step down from her role as vice president of Academic Affairs and dean at the end of the academic year but will continue as faculty. New additions to Saint Paul include Dr. Joshua Bartholomew, assistant professor of Ethics, Church and Society; Dr. Tiffany Nagel Monroe, executive director of the Oklahoma Campus; Dr. Lucas Endicott, COS School regional director; and Rabbi Michael Zedek, rabbi-in-residence.

Saint Paul welcomed 45 new students for the 2021-2022 academic year. New student enrollment for the Fall semester increased by 44% (34 new students), with an overall increase for the year of 73%. Enrollment remained strong for the MDiv program with promising growth in our newly designed MATS and MACM programs. Saint Paul Course of Study (COS) School educated 228 individual students, 49 of which were new students, with approximately 550 registrations and offering a total of 50 courses. Serving 32 conferences, 121 full-time and 106 part-time licensed local pastors comprised these registrations.

As we have happily reported in years' past, Saint Paul is financially-sound and operates with a balanced budget. These last years' changes have established a solid financial foundation for years of sustainability. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students.

Our aim has always been to utilize technology as a conduit to bring faculty and students together regardless of whether they are on-campus or joining remotely through Zoom. All our classrooms began upgrades in Fall 2021 with offerings from Neat. Each smaller classroom added a 65" Neat Board, a self-contained screen that functions as a full Zoom room, as well as an electronic whiteboard. We implemented Neat Bars in other classrooms that connect to our classrooms' existing screens. We are currently implementing Neat Bar Pros, just released at the end of 2021, in each of our large classrooms. At Saint Paul School of Theology, we have always tried to be pioneers with distance-learning technologies.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

United Theological Seminary Report to Annual Conference 2022
Submitted by Dr. Kent Millard, president

For the past 150 years, United Theological Seminary has educated men and women for Christian ministry within the historic traditions of the United Brethren, Evangelical United Brethren, and United Methodist churches. On October 11, 1871, United Theological Seminary, then Union Biblical Seminary, held its first classes in Dayton, Ohio. From a starting class of 11 students, the seminary has grown to 488 students in its most recent academic year,* representing 39 denominations, 11 countries, and 39 states. Today's seminary serves a diverse student body that is 53% African American.**

On October 10, 2021, the seminary celebrated its 150th anniversary and burned the mortgage on its current campus facilities, freeing up $400,000 annually to support student scholarships.

In 2021, United received a grant of $1 million from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative to expand the seminary's Houses of Study, which offer specialized master's tracks to equip students for the unique ministry needs of the communities, movements and denominations they serve. The seminary has introduced six Houses of Study, currently enrolling for 2022-23:

- Fresh Expressions, directed by Rev. Dr. Michael Beck;
- Mosaix, in partnership with Mosaix Global Network and directed by Rev. Chip Freed;
- Hispanic, 100% in Spanish for Spanish-speaking leaders, directed by Dr. Jorge Ochoa;
- Black United Methodist, directed by Dr. Vance Ross;
- Global Pentecostal, directed by Dr. Mark Chironna; and
- Global Wesleyan, directed by Rev. Gregory Stover

Because United believes so passionately in this initiative, the seminary has dedicated additional resources to offer half-tuition scholarships for inaugural students in its Houses of Study programs.

United also introduced the Academic Dean's Scholarship, which provides 50% tuition for the duration of a master's degree program, and the Presidential Scholarship, awarding up to $5,000 per year to new students.

In honor of United's 150th anniversary year, a generous donor gifted $2 million to help graduating students reduce their educational debt. Each graduate in the 2021-22 academic year will receive up to $20,000 toward student debt from theological and previous academic studies.

As United looks forward to the next 150 years with gratitude and anticipation, the seminary remains committed to the preparation of faithful and fruitful Christian leaders to make disciples of Jesus Christ.

STEPHANIE LEE
September 10, 1954 – November 9, 2021

Stephanie Lee, of Akron, Ohio, formerly of Oberlin, Ohio, departed from this life into life eternal on Tuesday, November 9, 2021, after a recurrence of Acute Myeloid Leukemia. She was born September 10, 1954 in Erie, Pennsylvania to Samella Beaasley Carroll and Lewis Mitchell Lee.

Stephanie began her extraordinary journey in Cleveland, Ohio as an early age musical savant. She was introduced to the violin at the age of eight years old. She quickly proved to be a consummate talent, and trained in classical music. Many accolades and recognition followed her throughout grade school, Collinwood High School, and on to Oberlin College, where she earned a Bachelor of Art Degree (Violin) from the renowned Oberlin College Conservatory of Music.

Soon after, Stephanie began her life of service in ministry in the early 1980s, serving as a minister of music. But her gifts flourished into so much more. As a violinist, singer and lifelong musician, she poured the talents into the lives of her children, as well as many other children and families within the various communities in which she lived with a fervor to carry the message of healing, hope, and reconciliation in Jesus Christ.

So, she continued her journey, into which she humbly, but wholly accepted to be her calling. In her own words she said "Even after God's call became obvious to me and burned within me 'Like fire shut up in my bones' and I began to realize that God had given me

many gifts and graces for ministry and was continually equipping me for the tasks ahead, I finally came to a point where my faith in God and in God's infinite wisdom and tender love for me (yes, for me in all my humanity and imperfection) with my desire to do God's will became more important than any doubts or fears. I was not sure how God's plan would unfold, but I committed myself to go wherever it led."

Stephanie answered God's call to move further into ministry for Him. While working , and being a dedicated hands-on mother, she attended the Methodist Theological School in Ohio, earning dual degrees - the Master of Divinity and a Master of Arts in Christian Education, graduating in the top of her class with honors. She was ordained an elder in the East Ohio Conference of the UMC in 2005. Her witness of God's grace, and her passion for music was infused into every aspect of her ministry, service, care and personal growth.

During her years on ministry, Stephanie served on the North Central Jurisdictional Worship Committee, the East Ohio Conference Worship Committee, The East Ohio Board of Church and Society, and on both the Canal and the Tuscarawas District Committees on Ministry. She was a certified labyrinth facilitator, A Disciple Bible Study trainer, and a champion of reconciliation and spiritual wholeness, and a committed member and outstanding activist of the IFPB-OG chapter. She was also named Pastor of the Year by the Canal District Lay Servants Ministry, a recognition she held near and dear to her heart.

By her words, she served "to make God proud – if there is such a thing." Indeed, God's love was seen in her empathy, her dedication, and her words of affirmation. Her passion was and always will be felt amongst her parishioners, cherished by her beloved family members and friends, and remembered by all those that witnessed how she unselfishly served, loved, and cared, even until the hours of her passing. Set down they good and faithful servant, job well done. She indeed will always be loved, and will always be missed.

Stephanie's musical legacy and love for life's simple pleasures will be cherished by her children: Shani L. Bell, Melanie J. Smith, and Robert S. Wallace. She is also survived by a stepdaughter, Sherri L. Wallace; a sister, Bishop Linda Lee; a brother, Chris Lee; eight grandchildren; as well as host of nieces, nephews, and extended family; and of course, her two adorable feline fur babies, Patrick and Missy. She was preceded in death by her parents, and her big brother, Lewis Mitchell Lee Jr, whom she adored.

Her memorial service and Celebration of Life was held November 27, 2021, at the University Circle UMC. Revs Angela Lewis and Derek Kubulis, as well as Bishop Linda Lee, her sister, officiated.

STANLEY “STAN” MILLER
June 5, 1948 – September 9, 2021

Stanley “Stan” Miller was a Cleveland institution, extraordinarily active in public spaces for many decades and across many boundaries. A former executive director of Cleveland NAACP, a long-time executive at Ameritech/Ohio Bell, pastor of several UMC congregations in Cleveland and Lorain County, he came of age in the Glenville community of the 1950s and 1960s. He later moved to Warrensville Heights where he was an especially active civic leader in the city’s schools, before eventually returning to his Glenville roots, where he died in home hospice care on September 9, 2021 of cancer. At the time of his death, he was surrounded by his wife Ronnie and his two sons: Stanley Jr. and Steven.

Stan was born on June 5, 1948 to Idell and John Miller. After graduating from Glenville High School in 1966. Upon graduating, he enrolled at Kent State University. Undoubtedly, what helped to make his undergraduate years so special was his marriage on June 8, 1968, to Veronica Perry, his high school sweetheart, his beloved “Ronnie”. Stan graduated from Kent State in 1971 with a Bachelor of Business Administration degree. He later earned a Master of Nonprofit Administration and Leadership degree from Cleveland State University. He also studied at the Methodist Theological School in Ohio and in the year before his death, he achieved certification as a grief counselor.

Stan was deeply committed to serving the people of Northeast Ohio. He served in over thirty community service organizations over the years. He received gubernatorial appointments from both parties. Gov. Voinovich named him to the board of Cuyahoga Community College, where he later served as vice chairman. Later, Gov. Strickland appointed him to serve on the Cuyahoga County Reform Commission.

Over the last few years, Stan worked to drive transformational change as chair of the East Cleveland Schools Academic Distress Commission. Fittingly, his most meaningful and perhaps consequential work was his tenure as member and president of the Warrensville Heights Board of Education. In that role he was not only serving the community but helping to shape the district that provided an educational foundation for his own two sons.

Next to his faith, Stan was most committed to his family. He somehow managed to be omnipresent in the wider community and yet present for every baseball game or other event of consequence in the lives of his children and grandchildren.

He was preceded in death by his parents and his brother John Miller. In addition to Ronnie, his wife of fifty-three years, Stanley's survivors include sons Stan Jr. (Brande) and Steven (Lucy); brothers Tyrone Miller, Frank Miller, and Czerny Miller; a sister, Linda Reed; nine grandchildren: Loren, Ahyesha, Habeeb, Naeyana, Jordan, Skylar, Samara, Sidney, Nicholas and four great-grandchildren; Kaiden, Karsyn, Mason, and Kingston; and many loving cousins, nieces and nephews.

His funeral service was held September 17, 2022 at Church of the Saviour UMC in Cleveland Heights. A wake preceded the service. Memorial contributions were suggested to be made to Life Care Hospice of Wooster, Ohio.

Pastor Miller served several East Ohio congregations as pastor, including Shaffer, Nottingham, Rust (Oberlin) and Wesley (Lorain) UMCs.

Geoffrey B. Oswald died January 7, 2022. The son of Benjamin and Jane (Tarr) Oswald, he was born January. 27, 1945, in Bay Village, Ohio, where he spent his childhood years pulling clever pranks on his neighbors (without the approval of his parents). Despite his best efforts, and by the grace of God, Geoffrey's mischievous youth produced a kind, compassionate and responsible young man who graduated from Lutheran West High School in 1963. Raised in a devout Christian family, Geoffrey chose to dedicate his life in service to God earning an education in Ministry at the Methodist Theological School and Catholic Pontifical College Josephium in Columbus, Ohio earning a Master's degree.

Geoffrey attended Summer School at the Culver Military Academy in 1964. It was there that he discovered his passion for sailing and military service. His newfound nautical passion led to a commissioning in the United States Navy in 1979, where he served as Lieutenant in the Navy Chaplain Corps. Chaplain Oswald completed assignments at NAS Norfolk, NSA Bahrain, NTTC Orlando and the USS Independence (CV-62), where he earned the Navy Expeditionary Medal for the Iranian Campaign in 1980. Even though Chaplain Oswald's Navy career was only six years before he was honorably discharged in 1986, it did provide a lifetime of sea stories to be shared with his family and friends.

In 1986, Geoffrey returned to the East Ohio Conference of the UMC, where he continued his ministries serving hundreds of parishioners at multiple churches throughout Ohio before retiring in 2009. He was a gentle soul who touched many lives during his career as a minister and the enrichment his life received in return is immeasurable.

Geoffrey spent his retirement in Cape Vincent, with his wife, Michelle Oswald (DeJourdan) enjoying the short summers and not so short winters of the North County. On any given day, one could find Geoff sitting on the back porch, munching on kettle corn from the French Festival, sharing Navy stories, and boasting about his son following in his Navy footsteps while taking in a beautiful sunset over the St. Lawrence River. Geoffrey was a gentle soul who lived a full life of adventure, purpose and selfless service to God, country, family and friends. He will always be remembered for his kindness and service to others.

He is survived by his wife of 35 years, Michelle Oswald and his son, Charles R. Willis III, a retired Navy Senior Chief. A true Sailor at heart, his remains will be buried at sea by the United States Navy. A headstone was also placed at the Riverside Cemetery in Cape Vincent, New York.

H. WALTER WILLIS, JR.
Died February 9, 2022

H. Walter Willis, Jr., slipped peacefully from this earthly life into the arms of his Lord on February 9, 2022, at his home in Oak Ridge, Tennessee. His beloved wife, Joyce, son, Tim, and daughter-in-law, Portia, were by his side. Walter was first and foremost a pastor and servant of God. With a twinkle in his eye and a quick smile, he loved each individual who crossed his path. No matter how brief the encounter, he knew each person by name. Rev. Willis was a native of Sylacauga, Alabama, and graduate of Clark College and Gammon Theological Seminary.

He was ordained as an elder in the Methodist Church when the denomination was still racially segregated. He faithfully served local churches in Alabama, Tennessee, and Eastern Ohio. His first pastorate was in Montgomery, where he became friends with Rev. Dr. Martin Luther King, Jr. and Dr. Ralph Abernathy, as they were organizing to end segregation. In 1971, Rev. Willis accepted an appointment to Kern Memorial UMC in Oak Ridge, becoming the first African American pastor to serve a white congregation in the denomination's Southeast Jurisdiction.

He was named Minister Emeritus of Kern and continued worshiping there until his death. Walter's ministry stretched beyond the local church. He served as chaplain at Claflin University amid the violent backlash against the Civil Rights Movement. He served as one of the first African Americans on the editorial staff of the Methodist Publishing House in Nashville. From 1975 to 1981, he was District Superintendent of the Maryville District in Tennessee. He returned to Nashville as Director of Ethnic and Minority Local Church Education for the General Board of Discipleship. Music was the language of God that resounded most sweetly in Walter's heart. His beautiful tenor voice lent itself to many choirs and to the Kern quartet, the Oreos. He often interspersed conversations with hymn verses.

Walter was a caring husband to his first wife, Claudia, for fifty-four years until her death in 2011. He was a loving and proud father of three sons and a daughter who, along with his wife, Joyce, all survive him; Henry Walter III (Anita), Timothy (Portia), Stephen & spouse, Chris Gonyo, and Lisa Willis. Also surviving are granddaughter, Lizzie Willis, niece, Carla Quarles, and nephew, Charles Quarles.

In lieu of flowers, Walter requested donations to Kern Memorial UMC in Oak Ridge, Tennessee, or to the charity of choice. A celebration of Walter's life was held on Saturday, Feburary 19, 2022, at Kern Memorial UMC in Oak Ridge followed by inurnment of ashes in the church Memorial Garden. RETENTION SCHEDULES FOR LOCAL CHURCH, DISTRICT, AND ANNUAL CONFERENCE
East Ohio Conference

The General Commission on Archives and History (GCAH) has created a document called ***Guidelines for Managing Records of the Annual Conference and the Local Church***. As the title suggests, the Commission has provided guidelines for retention of various record types, in the hope that local churches, districts and annual conferences will use them to create their own formal retention schedules.

The complete document can be downloaded from www.gcah.org. Look under "**Ministry Resources**" to find this publication. You will also find retention charts that have been excerpted from the publication for **the local church**, **the district**, and **the annual conference**. The document and the charts can be easily printed. Links to the charts are provided for easy access, but full explanations of the record types are found within the publication itself. You will notice that the district chart is small. District offices may follow the guidelines for annual conference, with the exception of the record types given in the district chart. For your convenience, the charts are printed on the following pages with the permission of GCAH.

There are three columns in the charts following the type of record and a record description. The column "Total" indicates the total number of years a record should be kept. If the word "Permanent" appears in this column, the records should be kept in perpetuity. If a certain number of years appears in the column, the record creator can shred material once that number of years has passed. The column "Current" indicates the number of years records should be kept accessible for use (e.g. in an office file cabinet). For example, if the chart indicates 7 years in the "Total" column and 2 years in the "Current" column, this means that the record type need be kept a grand total of seven years, with the two most current years kept accessible in an office drawer or accessible location.

Where are the "Permanent" records to be kept? Local church records are to be kept onsite in the local church archives, and are only transferred to the Conference archives if the church closes. District and Conference permanent records may be deposited at the Conference archives, the Archives of Ohio United Methodism, after consultation with the Conference archivist.

The **Archives of Ohio United Methodism** (AOUM) is the official repository for both the East and West Ohio Conferences, located at Ohio Wesleyan University, Beeghly Library, Delaware, Ohio.

- **Local Church Records** – **Please note that your "permanent" records need to be archived in your local church archives**, not the Conference archives (Archives of Ohio United Methodism, AOUM) located at Ohio Wesleyan University. If a church closes, the items marked "permanent" will be deposited at AOUM by the district superintendent. When churches merge, the new church should retain all records of the former churches. Membership records (birth, marriage, death, pastoral records) should never be destroyed. In fact, it is recommended that the local church have such records microfilmed. Churches keeping such records electronically are reminded to print them off each year and keep a copy off-site.

- **District and Annual Conference Records** – Boards, commissions and agencies are encouraged to deposit minutes and important publications at the Conference archives (Archives of United Methodism, AOUM) at the end of each quadrennium for permanent safekeeping. Consult with Conference archivist to arrange the transfer.

The **Archives of Ohio United Methodism** houses several types of materials:

- **Ohio Conference Journals** from our current and predecessor denominations – UMC, Methodist Episcopal, Methodist, United Brethren, Evangelical, Methodist Protestant, and Evangelical United Brethren (EUB).
- Historical collection of periodicals from all of the predecessor denominations (***Western Christian Advocate***, ***Pittsburgh Christian Advocate***, ***Religious Telescope*** (limited holdings) ***Evangelical Messenger***, ***Christliche Apologete***, ***Methodist Magazine***, ***Ladies Repository***, etc.)
- Local Church History Files – Each church in the Conference has a history file that is constantly being updated by local church historians and others. These files contain published and unpublished histories, anniversary programs, photographs, photo-directories, newspaper clippings, etc. Additions of this type are always welcome. These should be duplicates of material, not one-of-a-kind items.
- People Files – Files of clippings, photographs, general biographical information about clergy (non-personnel related), publications, etc.
- Subject Files – Files of clippings, brochures, articles related to UMC historical events, topics, organizations, with particular emphasis on the state of Ohio
- Closed Church Records – Membership records, administrative/program material for churches that have closed, deposited by the district superintendent
- Minutes and Publications of boards, commissions, agencies

- Manuscript diaries, correspondence (clergy and missionaries)
- Published books dealing with UMC history in Ohio and beyond – biographies, theological works, hymnals, Disciplines, etc.

Personal papers of clergy are actively solicited by the Archives of Ohio United Methodism. This includes pastoral records, sermons, published books, photographs, diaries, and correspondence that will help future researchers to understand United Methodism in the state of Ohio. Also solicited are quarterly conference minutes from 19th century circuits that contain records of several churches.

CONFERENCE POLICIES AFFECTING CLERGY

The Covenant

1. Members in full connection with an annual conference by virtue of their election and ordination are bound in special covenant with all the ordained ministers of the annual conference. In the keeping of this covenant they perform the ministerial duties and maintain the ministerial standards established by those in the covenant. They offer themselves without reservation to be with their fellow ministers in mutual trust and concern and seek with them the sanctification of the fellowship. Only those shall be elected to full membership who are of unquestionable moral character and genuine piety, sound in fundamental doctrines of Christianity, and faithful in the discharge of their duties. (*The 2016 Book of Discipline*, ¶¶340, 328, 321 and Judicial Council Decision 406)

Professional Standards

2. Clergy shall observe the following professional standards:
   a. We respect the parish of another clergyperson and perform a service in that parish only at the invitation of the assigned clergyperson (¶341.4).
   b. A clergyperson who has retired or been appointed to a new charge shall not return to the former charge for at least one year and with the invitation of their successor(s).
   c. Clergy who attend, but are not appointed to a charge (who may be retired or serving in extension ministry) are to respect the work of the clergyperson appointed to that charge. At the invitation of the appointed clergyperson, credentialed clergy may preside over sacraments, funerals, and weddings at that charge. At all times, clergy are to seek to enhance, not undermine, the pastoral authority of the clergyperson under appointment at charge.
   d. We deal honorably with the record of our predecessor and successor.
   e. We give endorsement only to those movements, agencies, or individuals who have been thoroughly investigated and have our full personal approval.
   f. We respond to community calls for our service as a part of our ministry to the church.
   g. We promote the entire program of the church.

Retirement

3. A retiring clergyperson shall complete the following:
   i. Prior to announcing their retirement, clergy shall contact their Superintendent, Bishop, and the Board of Ministry with their request in writing (¶357). Retirement requests should be submitted by December 1st in order to better care for the church. Clergy are expected to retire as of June 30th unless there are extenuating circumstances.
   ii. Prior to their retirement, clergy shall engage in Conference provided transition training.
   iii. Prior to their retirement, clergy shall provide clear written communication, in consultation with their successor and Superintendent, to the congregation establishing clear boundaries to include at least (1.) social media contact and (2.) the expectation that all pastoral services will be conducted by the newly appointed clergy.
   iv. Prior to gaining charge conference membership for retirement, clergy should request approval from the current pastor of that appointment.
   v. Local Pastors who are currently under appointment (full or part-time) shall be invited to participate in the retirement service and related retirement activities only if they have met the following requirements:
      1. The local pastor has completed the five year Course of Study (or)
      2. The local pastor has completed ten years of service without interruption as an episcopally-appointed local pastor.

Sabbath Day

3. Clergy are expected to take one day a week for Sabbath and inform the congregation of that day. In addition, one day per week should be reserved for personal and family responsibilities.

Annual Time Away

4. The clergyperson shall work with the Pastor-Parish Relations Committee each year to plan as far in advance as possible concerning the needs of the clergyperson to be away for vacation, continuing education and professional responsibilities. Such advance planning will help to ensure adequate coverage of responsibilities during the clergyperson's absence and to provide for a balance of time spent between serving the local church and providing for other professional opportunities and responsibilities.

Vacation

   a. The minimum annual (July 1- June 30) vacation schedule for clergypersons be (weekly Sabbath day and personal day not to be counted as a vacation day):
      1) 25 days paid vacation for clergy appointed full-time.
      2) Conference members serving in less-than-full-time appointments shall be entitled to vacation in proportion to the per-

cent of time they are serving. The minimum shall be:
Appointed at 75%: 18 days
Appointed at 50%: 13 days
Appointed at 25%: 6 days

3) Clergy shall be entitled to five Sundays of vacation regardless of full-time or less than full-time appointment status.
4) Service in a leadership capacity at a Conference-sponsored event or attendance at Annual Conference shall not be considered a part of the clergyperson's vacation time
5) The completion of ministerial education requirements such as seminary or the Course of Study shall not be considered a part of the clergypersons's vacation time.

Continuing Education

b. Clergyperson serving a local church, who has graduated from the Jurisdictional Course of Study or from an accredited seminary, having completed the requirements for associate, probationary, or full Conference membership, shall be granted up to 14 days, including two Sundays, annual study time for continuing education with full remuneration and benefits. A request for further study time, with plan of scholastic study, should be made in writing to the Pastor Parish Relations Committee and district superintendent and carry approval of each. This time segment granted for continuing education is an addition to that provided for vacation. The local church is encouraged to share in the cost of continuing education.

c. For the completion of the education requirements of licensed and ordained ministry, an appointed clergyperson shall be granted an additional up to fourteen days, including two Sundays, time away.

d. In our connectional church, part of the leadership responsibility must be filled by pastors and lay persons working in district and conference agencies, including Conference Camping program, and in other connectional tasks. Clergy time away from the parish for this kind of ministry will be negotiated with the Pastor Parish Relations Committee with consultation with the District Superintendent.

Board Of Ministry Explanation of Changes to Vacation and Time Away Policy

Submitted by Rev. Jonathan Priebe, chairperson

The Annual Conference 2021 update to the Clergy Vacation and Time Away policy was proposed by the Board of Ministry so that local pastors and ordained clergy will have equal time away for education, rest, family, spiritual renewal, and other opportunities. Changes to the policy include:

- Increasing the minimum number of vacation Sundays for full-time clergy from four to five. This is in addition to two Sundays for continuing education and renewal leave. This means that a clergyperson who is responsible for a pulpit should preach no more than 45 Sundays per year plus special services and holidays. Adequate days are enumerated in the policy so that clergy have the entire week off when they take a Sunday of vacation;
- Changing policy language so it reflects that clergy are expected to take to take a regular "Sabbath" day off each week on which they are unavailable for church work, instead of only being encouraged to do so;
- Encouraging clergy to have a day that is generally reserved for home and family work, but on which they may occasionally do church work: finishing a sermon, responding to a pastoral emergency, officiating a wedding or funeral, etc.; and
- Encouraging clergy who work on that day to adjust the rest of their work week to make up for those lost downtime hours so that they keep their schedule healthy and manageable.

The new policy is not "how things used to be" but is more fair for all clergy.

Educational and Professional Responsibilities

5. Pastors working on a graduate degree or any other major academic program shall develop a plan for the allocation of their time use among church responsibilities, study responsibilities and personal time (vacation). This plan shall be affirmed each year in consultation with the district superintendent and with the Pastor/Staff Parish Relations Committee.

First Sunday in New Appointments

6. All pastors receiving new assignments shall be responsible for their new pulpits for the first time following Annual Conference on a Sunday determined by Cabinet action.

Salary Schedule

7. The salary for pastors shall be paid by local churches from July 1 through the succeeding June 30.

Non-Appointive Staff

8. Churches planning to employ a non-appointive part-time or full-time pastor, director of music, business administration or Christian education staff person, shall consult with the district superintendent concerning the person to be employed and come to a mutual agreement.

Employment of Evangelists

9. Our churches and pastors shall observe strictly the provisions of ¶341.1 in the 2008 *Book of Discipline* regarding the employment of evangelists who are not of our denomination: "Pastors shall first obtain the written consent of the district superintendent before engaging for an evangelist any person who is not a conference evangelist, a regular member of Annual Conference, a local pastor, or a certified lay speaker in good standing in The United Methodist Church."

Parsonage Standards

1. Implementation:
   a. Trustees have responsibility for the care and maintenance of the parsonage. Each church shall have an active parsonage committee with charge of an adequate budget for the parsonage. This committee may be a sub-committee of the trustees. However, membership shall include a representative from the Pastor Parish Relations Committee, at least one woman, and some persons with a sense of décor and maintenance.
   b. The committee shall conduct an annual inspection of the parsonage with the parsonage family, reporting to the Charge Conference to be followed by action where necessary.
   c. Each parsonage committee, in consultation with the parsonage family, shall recommend periodic (three to five years) painting and decorating.
   d. Pictures and other wall decorations shall be hung in a way that minimizes damage to walls and woodwork.
   e. Each parsonage committee should work out guidelines concerning pets in the parsonage. It is understood that pets are not prohibited; but damage in the parsonage caused by pets shall be the financial responsibility of the parsonage family (see letter I below).
   f. District superintendents through the appropriate committee, which normally would be the District Committee on Mission and/or the District Board of Church Location and Building, is required to see that all these standards are carried out in the purchase and/or building of new parsonages. This group may make some exceptions when appropriate.
   g. A copy of these parsonage standards shall be sent out annually in the Charge Conference materials.
   h. The parsonage committee and parsonage family shall each prepare a yearly independent evaluation of the parsonage and how it meets standards. The district committee (see f) shall review these and visit the parsonage along with the parsonage committee and parsonage family where needed to encourage improvements. The date of this visit to the parsonage shall be arranged in writing two (2) months prior to the visit with a written feedback statement sent to the church, the parsonage family, and the district superintendent within two (2) months after the visit.
   i. When there is a change of pastoral leadership, the local parsonage committee or its equivalent called for in the 2012 *Book of Discipline,* ¶258.2.g.(16) shall inspect the parsonage(s) before the newly assigned pastor(s) occupies the parsonage(s).
      (1) If damages beyond normal wear are claimed by the local parsonage committee or its equivalent, the District Board of Church Location and Building will be asked to send at least two representatives in consultation with the local church and the parsonage family involved to make a judgment on the validity of the grievance and receive estimates on the cost of repair or replacement.
      (2) Upon validation of damage and costs of reparation, the pastor(s) responsible for the damage will be informed by the District Superintendent with a copy sent to the district superintendent of the pastor's current appointment.
      (3) The district superintendent of the involved church shall work with the pastor(s) responsible for the damage to make reasonable provision for repayment of the cost of damages with information of the plan communicated to the current district superintendent.
      (4) In the event the pastor responsible for the damage has retired, the same process shall be followed; non-response by the pastor will result in the district superintendent informing the resident bishop and the Conference treasurer's office. A complete written report of damages and repair or replacement costs should accompany this notification.

Non-public water wells and cisterns shall be tested semi-annually (every six months) to ensure potability and the absence of bacteria. These tests can be administered by any public water treatment plant at little expense. The presence of bacteria will require appropriate treatment and retesting. In the event that the bacteria cannot be removed after 4 successive treatments, an appropriate water treatment system should be installed to ensure a safe water source. Wells should be tested periodically (at least every five years) for the presence of heavy metals and contaminants. A list of appropriate testing agencies can be obtained from the Ohio State University extension service website."
   (3) Effective drainage and sewage disposal shall be provided.

   f. In building a new parsonage, provisions for air conditioning should be considered in the heating system for possible installation at a later date. In an older home, when the furnace needs to be replaced, air conditioning should be considered.
   G. When a parsonage is rented rather than owned by a church, the foregoing standards should be considered insofar as possible.

POLICY ON CLERGY HOUSING

It is recommended that the East Ohio Conference of The United Methodist Church affirm the continuance of the policy of the Charge/Parish providing housing for the pastors according to the Conference standards to be administered by the appropriate committee, which normally would be the District Board of Church Location and Building, recognizing that there are situations in which a Charge/Parish or pastor would necessitate other housing arrangements.

In this latter situation, housing arrangements other than parsonage, the arrangement shall be agreed upon by the bishop, district superintendent, the pastor, and the local Pastor Parish Relations Committee with the advice and consent of the District Board of Church Location and Building. Copies of this record or agreement shall be kept in the district and Area offices.

In the implementation of this policy by the district superintendent, and the above named parties, the following guidelines are to be followed:

1. The district superintendent shall present the advantages and limitations to the charge/parish and pastor when either the Charge or pastor desires the ministerial housing option.
   a. The charge/parish needs to understand that a ministerial housing allowance policy commits the charge/parish for the duration of a pastorate.
   b. If the parsonage is sold, proceeds from the sale shall be kept in a fund for the purchase of another parsonage when the charge/parish elects to purchase one. All principal earned shall be accumulated in the fund to insure the ability to purchase a parsonage in the future, and thereby protect the itinerant system. If monies in this fund exceed what is required to buy a new parsonage in that locale, the District Board of Church Location and Building can approve withdrawal of excess funds. If a period of five years has passed and there is no evident need to purchase another parsonage, then escrow funds may be released for the purpose of church capital improvements or church debt reduction. The church must submit as a part of their request for the release of these funds a written plan for providing a parsonage should the need arise in the future. The evident need and release of funds shall be determined by a two-thirds (2/3) vote of the local church conference, and by two-thirds (2/3) vote of the respective District Board of Location and Building and written approval of the district superintendent. This policy will be applied retroactively to churches that are currently holding funds in escrow from the sale of a parsonage.
   c. Those churches presently spending the principal from the parsonage sale for non-capital purposes or non-capital debt retirement purposes will have 5 years to comply with item 1b.
   d. Interest income earned from the invested principal can be invested along with the principal as the SUGGESTED policy of this annual conference. This investment of interest income is done on a voluntary basis by the local church/charge. However, the local church/charge may choose to use the interest income as part of the ministerial housing allowance – as agreed upon annually by the district superintendent, District Board of Church Building/Location, Pastor-Parish Relations Committee of local church/charge, and the pastor.
   e. Any change in ministerial housing, especially sale of parsonage, shall be approved by the district superintendent, pastor, local Pastor Parish Relations Committee, and District Board of Church Location and Building.

2. When a pastoral change is made, the sale of the pastor's house is his or her responsibility and the charge/parish or new pastor is not obligated to purchase the said house.

3. When the pastor rents his/her own housing, the local church shall pay rental allowance to the pastor plus full utilities. Rental allowance shall be at least the smaller of:
   a. Actual rental of home or apartment which meets size needs of the pastor's household.
   b. Average rental cost of a home or apartment unit in good condition in the parish setting which meets size needs of the pastor's household.

4. When the pastor purchases his/her own housing, the local church shall pay housing allowance to pastor plus full utilities. Housing allowance to be considered shall be an amount based on the average home in parish setting, sufficient to cover (a) principal and interest mortgage payments with 25 year amortization after down payment of at least 10% made by pastor, (b) property taxes; (c) fire and liability insurance.

5. The pastor and the congregation represented by the Pastor Parish Relations Committee shall agree in writing that a ministerial housing allowance will not interfere with the United Methodist system of appointing pastors.

6. The ministerial "Rental/Housing Allowance Agreement" shall be reviewed annually by the Pastor Parish Relations Committee and a recommendation made to the Charge Conference for its approval. Signed copies of the "Agreement" shall be given to the District Board of Church Location and Building and the Area office.

7. If a new pastor does not desire a housing allowance, the church shall provide adequate housing according to current parsonage standards set by the Annual Conference. (*The Book of Discipline* 2012, ¶252.4.e).

8. References from *The Book of Discipline* (2012) applicable to this policy, will be found in ¶252.4.e and ¶258.2.g.(16).

POLICY FOR CARE OF DISTRICT PARSONAGES

Presented for Information of the Annual Conference
Adopted by the Board of Trustees 3/20/99
Revised by the Board of Trustees 5/15/2010

In regard to district parsonages, the goal of the Conference Board of Trustees is to provide comfortable, well-maintained homes for the use of Superintendents and their families. In order to fulfill this intention, the following policy is adopted.

1 While budgetary considerations are important and will be observed, our primary concern is for the safety and well being of the district parsonage families.
2 Without prior authorization, superintendents may expend up to $250 for emergency repairs and routine maintenance. Bills for these items will be sent to the Conference administrative services director for payment.
3 Each district parsonage will have an annual allowance for lawn care and snow removal; the amount will be determined by consultation between the Conference Administrative Services director and the district superintendent.
4 Emergency and/or unscheduled needs will be communicated to the Administrative Services director. If they are unavailable, contact should be made with the Parsonage Trustee or the president of the Board.
5 A schedule for routine maintenance and redecoration (wall and floor coverings, exterior painting, etc.) will be formulated for each district parsonage, with special attention to years when there is a projected change in superintendents.
6. The parsonage trustee shall be appointed by the Board of Trustees.
7 There will be an annual visit to each district parsonage, scheduled by the Administrative Services director in consultation with the parsonage family, by a committee consisting of:
   - Parsonage Trustee (or Trustee designate)
   - A second Trustee is preferred
   - Consultant
   - The chairperson (or representative) of the district's Superintendency Committee and/or a representative of the District Church Building and Location.
   - The district parsonage family

   The purpose of the annual visit will be:
   A. To inspect the parsonage for care, condition and potential major maintenance needs;
   B. To receive recommendations and requests for possible improvements from the parsonage family.
8. Reports of these annual visit**s** will be made in writing to the Board of Trustees at its next meeting, along with recommendations for implementation. A copy of the report will also be sent to the Superintendent and the Chairperson of the district's Superintendency Committee. The Board of Trustees will communicate its disposition of parsonage family requests to the Superintendent within a week after they are considered.
9 If damages beyond normal wear are claimed by the BOT, then the cost of repairs will be billed to the responsible district superintendent. A copy of estimated cost to repair damages will be given to the Bishop to facilitate a plan for reparation.
10. The president of the Conference Trustees and the parsonage trustee will meet with the Cabinet at least annually to review the process by which the Trustees are caring for district parsonages and to receive proposed changes in this policy.

RACIAL HARASSMENT POLICY
Policy Statement
DON'T BE SILENT!

Racial harassment is an act of covert or overt racism.
Racism is a sin because it is antithetical to the gospel itself.
We celebrate the worth of all persons.

I INTRODUCTION:

The East Ohio Annual Conference of The United Methodist Church voted during its June 1995 meeting to form a Racial Harassment Task Force. The task force was given the task of developing and presenting an Annual Conference Policy on Racial Harassment. Bishop Boulton appointed the task force and during the course of the last year, the group has met to develop the necessary policy statement. The directive from the Annual Conference called for the Racial Harassment Task Force to:

> *address racial harassment of church member or community person to clergy, clergy to clergy, community or church member to clergy family, and clergy to church member or community. It should include, but not be limited to: the theological foundations for responding to racial harassment, definitions (behavior, language, and environment), identification of a crisis intervention team, a plan for communication amongst and between the bishop, the cabinet and the commission, a plan for fact finding and reporting, a process for deciding how and when information is to be shared, identification of the appropriate responsible persons, the role of the local congregation and its leadership (i.e., PPRC), and at what point outside agencies and services will be needed or utilized. The policy should also address responsibility for pastoral and family care. (Page 254, Volume II, 1995 Journal, includes motion to amend found on page 121 in the Daily Proceedings, Volume II, 1995 Journal).*

In our research for existing Racial Harassment Policy Statements, we found very little official statements within The United Methodist Church. We gathered information from General Commissions, annual conferences, colleges and universities across our country in the hope of learning and developing a meaningful statement. The Rural Racism Task Force Report to General Conference, which was approved, was the most comprehensive resource we discovered examining racism and ways to confront, overcome and bring wholeness to our church and communities. Additionally, Rev. Sue Ellen Miller, West Ohio pastor and chair of the Commission on Religion and Race, led the task forc through a discernment process. Ms. Constance Clark shared the process the YMCA went through in developing a Racial Harassment policy and helped guide us in developing an approach for East Ohio. The task force developed a training module for use in local churches, districts, and across the conference to:

1. Define racial harassment,
2. Invite participants into active involvement in recognizing and responding to racial harassment,
3. Present a clear theological and historical statement on racial harassment,
4. Make a clear statement on the United Methodist perspective and response to racial harassment as stated in the Discipline and Book of Resolutions,
5. Help participants to experience the universality and commonality of racial harassment.

Additionally, Mr. Charles Lewis, East Ohio Chairperson of the Commission on Religion and Race, reviewed the existing Guidelines for Reviewing, Investigating, and Conducting Hearings of the General Commission on Religion and Race. The task force agreed that a general policy already exists on how the church should respond to racial harassment. These are found in *The Book of Discipline* (2008) and *Book of Resolutions* (2008).

The following report is a result of our journey towards wholeness and inclusivity in the life of the church. We believe the time is at hand to be prophetic and honest about the reality of racism and the call for basic human dignity for all. God's grace strengthened, sustained and awakened the task force to the vision of justice for all people.

II. THEOLOGICAL STATEMENT

The prophet, Micah, proclaims: The Lord has told us what is right and what he (the Lord) demands: *"See that justice is done, let mercy be your first concern, and humbly obey your God."* (Micah 6:8, CEV) The church is called to do the work of the God who executes justice and mercy, lest we fail to walk humbly with God. The plan of God, in creation, was and is to unite all things, both in heaven and in earth (Eph. 1:10). For this reason, Christ came into the world as our peace, and has broken down the dividing wall of hostility (Eph. 2:14). Jesus asked, *"Who are my mother and my brothers?"* Responding he said, *"All who do the will of my Father."* (Mk. 3:31) We are one body and one Spirit, called to one hope in Christ (Eph. 4:4). The role of the church is to be an agent of God's plan for unity and reconciliation. Reconciliation is the mandate of the Christian faith because God has made of one blood all persons who dwell on the face of the earth (Acts 17:26). The church, therefore, is called to proclaim the transforming and cleansing power of the Gospel of Jesus Christ, a gospel which transforms relationships and cleanses us from the sin and guilt of racial harassment. God's gracious promise is to be with us in our efforts to see that justice is done, to let mercy be our highest aim, and to humbly obey our God.

III. ADDITIONAL INFORMATION FROM UNITED METHODIST STATEMENTS

Historical Tradition of The United Methodist Church
The historical journey of The United Methodist Church is filled with faithful witnesses who stood for justice and wholeness amidst tremendous pressure and hostility. Throughout the centuries of our church's story, we have seen the church take holy and bold stands when justice was involved. **The stand for justice and inclusiveness was not without cost: for instance, the split of the early Methodist Episcopal Church in 1844.** However, Jesus Christ calls us to be a faithful witness to the world of God's love for all people. The United Methodist Church faces daily decisions by which we are to live out our faith in light of Christ's example. The 1996 *Discipline* states, "our theological task is essentially practical. *It informs the individual's daily decisions and serves the Church's life and work. Our interest is to incorporate the promises and demands of the gospel into our daily lives."*

As United Methodists, we have an obligation to bear a faithful Christian witness to Jesus Christ, the living reality at the center of the Church's life and witness. Wesley believed that the living core of the Christian faith was revealed in Scripture, illumined by tradition, vivified in personal experience, and confirmed by reason. These four elements are linked together in our quest for justice and inclusiveness in our world. We must utilize all aspects of our understanding to be faithful to our calling as Christ's church. **No action is appropriate without biblical grounding, experiential reflection, examining our tradition and utilizing the gift of reason God has given to us.**

The United Methodist Church has a long history of concern for social justice. Its members have often taken forthright positions on controversial issues involving Christian principles. Today, we live in a society which is becoming more diverse culturally, racially and economically than in years past. **We are at a crisis** in our life and our country and the church is challenged to step to the forefront and be a holy and bold witness for human dignity, compassion, and justice for all. **Sadly, we have not always fulfilled the biblical calling to be prophetic and visionary in our witness. It is time for the Church to be in the forefront in leading the process towards wholeness and justice in our country**. We hope and pray that, under God's guiding Spirit, we may be faithful to the challenge and stand fast amidst the forces, which seek to divide and destroy the human dignity of people in our country and world.

Rights of Racial and Ethnic Persons
Racism is the combination of the power to dominate by one race over other races and a value system, which assumes that the dominant race is innately superior to the others. Racism includes both personal and institutional racism. Personal racism is manifested through the individual expressions, attitudes, and/or behaviors which accept the assumptions of a racist value system and which maintain the benefits of this system. Institutional racism is the established social pattern, which supports implicitly or explicitly the racist value system. Racism plagues and cripples our growth in Christ, inasmuch as it is antithetical to the gospel itself. Therefore, we recognize racism as sin and affirm the ultimate and temporal worth of all persons. We rejoice in the gifts which particular ethnic histories and cultures bring to our total life. We commend and encourage the self-awareness of all racial and ethnic groups and oppressed people, which leads them to demand their just and equal rights as members of society.

Called to Inclusiveness
We recognize that God made all creation and saw that it was good. As a diverse people of God who bring special gifts and evidences of God's grace to the unity of the Church and to society, we are called to be faithful to the example of Jesus' ministry to all persons.

Inclusiveness means openness, acceptance, and support that enables all persons to participate in the life of the Church, the community, and the world. Thus, inclusiveness denies every semblance of discrimination. The mark of an inclusive society is one in which all persons are open, welcoming, fully accepting, and supporting of all other persons, enabling them to participate fully in the life of the church, the community and the world. A further mark of inclusiveness is the setting of church activities in facilities accessible to persons with disabilities.

In The United Methodist Church, inclusiveness means the freedom for the total involvement of all persons who meet the requirements of *The United Methodist Book of Discipline* in the membership and leadership of the Church at any level and in every place.

(¶ 139, 2012 *Book of Discipline*)

Support "Racism in Rural Areas" Task Force Report
WHEREAS, the Racism in Rural Areas Task Force, created by the 1992 General Conference, through comprehensive study, has indeed determined that racism is "alive and active in our society and in the church" in rural areas; and
WHEREAS, racism is sin, separating us from God and one another; and
WHEREAS, a manifestation of sin is injustice, abuse, and violence; and
WHEREAS, the task force found personal and institutional racism and interethnic conflict in rural areas throughout the United States;
Therefore, be it resolved, that the 1996 General Conference of The United Methodist Church affirms the work of the Racism in Rural Areas Task Force, accepts the report, and approves the adoption and implementation of the recommendations contained in the report.

Be it also resolved, that the 1996 General Conference of The United Methodist Church designates The Elimination of Racism in its Many Forms as a special emphasis of the Church, to be addressed by every level of the Church, and to be included by every general board and agency as one of the continuing priorities for the quadrennium 1997-2000.

Definitions

Racial Harassment

- *Abusive and/or derogatory language that in a subtle or overt manner belittles, humiliates, impugns, or defames a person or a group of persons based on racial and ethnic traits, heritage, and characteristics.*
- *A behavior (individual, group, or institutional) which abuses, belittles, humiliates, defames or demeans a person or group of persons based on racial or ethnic traits, heritage, and characteristics.*

- *Documentation, printed or visual, which abuses, humiliates, defames, or demeans a person or group of persons based on racial and ethnic heritage and traits, heritage, and characteristics*.

Justice
- *State of being right, or right conduct, judged either by divine standard, or according to human standards.*
- *God's justice aims at creating an egalitarian community in which all classes of people maintain their basic human rights.*
- *It may involve establishment or determination of rights according to the rules of law or equity.*

Reconciliation

The coming to agreement of two or more persons after a misunderstanding. Humans by their actions are often alienated from God. God takes the steps to overcome the alienation, and has in Christ provided a means of reconciliation.

Transformation

A change in form; outward appearance or inner orientation; to convert, to change the function, to change the personality or character.

Mercy

An inner feeling of sympathy or love which is expressed outwardly in helping action for a condition or need of others. It also denotes the divine love manifested in saving acts of grace, which God holds for God's covenant people.

Humility

A situation of lowliness or a characteristic way of acting toward God. It is primarily an attitude or a mode of acting. It does away with selfish pride, arrogance and furnishes the possibility of peace and harmony.

Grace

The undeserved, unmerited, and loving action of God in human existence through the ever-present Holy Spirit. While the grace of God is undivided, it precedes salvation as "prevenient grace," continues in "justifying grace," and is brought to fruition in "sanctifying grace." God's grace is manifest in all creation even though suffering, violence and evil are everywhere present. God's grace awakens in us an earnest longing for deliverance from sin and death and moves us toward repentance and faith.

Inclusiveness

Openness, acceptance, and support that enables all persons to participate in the life of the Church, the community, and the world. Thus, inclusiveness denies every semblance of discrimination.

IV. POLICY STATEMENT

East Ohio Conference Policy on Racial Harassment

The first two chapters of the book of Genesis describe the creative genius of God. The writers tell us that God created heaven and earth and gave life to woman and man. Animals, vegetation, and the entire universe were products of God's grace and work. The Psalmist of Psalm 24 reaffirms the relationship between all of God's creation and the divinity of God.

Yet, in spite of humanity's common legacy as God's descendants, we have consistently established differences among God's children because of their race. We have continuously engaged in verbal exchanges, behavioral demonstrations, and documentation which have rejected the sacredness of all persons. The belief that one race is superior to others has permeated our lives, thus creating the perception of inferiority of some persons because of their skin color, features, language, and their racial/ethnic heritage.

When this prejudicial and/or racist attitude is expressed in a behavior that is focused specifically in the abuse, humiliation, and defamation of persons because of their race or ethnicity, it has become racial harassment.

Racial harassment is an act of covert or overt racism. Racism is a sin because it is antithetical to the gospel itself. We in East Ohio will not condone the degrading of persons through this activity.

Therefore, be it resolved, that the East Ohio Area of The United Methodist Church defines the following conditions as racial harassment:

1. Abusive and/or derogatory language that in a subtle or overt manner belittles, humiliates, impugns, or defames a person or a group of persons based on racial and ethnic traits, heritage, and characteristics.
2. A behavior (individual, group, or institution) which abuses, belittles, humiliates, defames or demeans a person or group of persons based on racial or ethnic traits, heritage, and characteristics.
3. Documentation, printed or visual, which abuses, humiliates, defames, or demeans a person or group of persons based on racial and ethnic heritage and traits, heritage, and characteristics.

Be it further resolved, that the East Ohio Area of The United Methodist Church and all its agencies be given opportunity for sensitivity training provided by the East Ohio Commission on Religion and Race including the procedures for reporting and responding to complaints of racial harassment.

A. PROCEDURES FOR REPORTING AND RESPONDING TO COMPLAINTS OF RACIAL HARASSMENT

1. Anyone who desires to discuss a concern regarding racial harassment may contact their pastor, another UMC pastor, a district superintendent or the Bishop. In addition, the person may contact the Conference Commission on Religion and Race for general information and guidance concerning racial harassment policies.
2. The provisions of ¶¶ 2701-2719 of *The Book of Discipline* of The United Methodist Church (2012) shall determine, if needed, the specific procedures to be followed.

DON'T BE SILENT!

"There is no longer Jew or Greek, there is no longer slave or free, there is no longer male and female; for all of you are one in Christ Jesus." (Galatians 3:28, NRSV)

APPENDICES TO SEXUAL ETHICS POLICY FOR CLERGY
of the East Ohio Annual Conference
of The United Methodist Church

Further Definitions

Clergy Relationship - A clergy relationship exists between a clergy person and any other person (i) when the other person is a parishioner of a congregation to which that clergy person was previously or is currently appointed, (ii) when the other person is supervised by, is a colleague with or receives ministry from a clergy person serving in any function for which he or she was ordained, licensed, hired or approved by the Annual Conference or its representatives, (iii) when a clergy person uses the authority of the clergy office or role in establishing a relationship with the other person, and (iv) when the other person is a member of a community which recognizes the authority of the clergy person as a person in ministry (i.e. appointments beyond the local church and honorable location, retirement, leaves of absence and other situations in which a clergy person serves a community other than a local congregation).

Clergy Sexual Misconduct - Clergy sexual misconduct must be understood primarily as an issue of the abuse of the power, trust, and status inherently present in any clergy relationship rather than an issue of the sexual morality of an individual clergy person. An inherent imbalance of power exists in any clergy relationship simply through the clergy role and totally separate from the clergy person's character, personality and style of ministry. A similar imbalance of power can also exist when one clergy supervises another clergy. The same sacred trust inherent in ordination, consecration and licensing that makes effective ministry possible leaves persons in clergy relationships open and vulnerable. This predisposes those persons to believe that clergy will act only in ways that will contribute to their well-being. The only appropriate and acceptable clergy response to the trust and power given to clergy through their role is ministry to the emotional, spiritual and temporal needs of those who come to them for help.

Clergy Sexual Misconduct In Context of Single Clergy Romantic Relationship - A single clergy person engaging in a romantic relationship with a single person with whom he or she has a clergy relationship does not necessarily commit sexual misconduct. The clergy person must be aware of the inherent imbalance of power that he or she has in this type of clergy relationship and take full responsibility for the related potential for harm. A single clergy person entering into this type of relationship bears the burden of demonstrating that there has been no exploitation in the relationship, in light of all relevant factors, including the personal history and mental status of the other person and the likelihood of an adverse impact on the person or on others. A clergy person should refrain from entering into a romantic relationship with a person with whom he or she currently has a pastoral counseling relationship. Should a pastoral counseling need arise for a person with whom the clergy person is romantically involved, that clergy person would make recommendations of two or three choices for pastoral or other professional counselors. Neither shall a single clergy person enter into a romantic relationship with a person whom he or she has had a pastoral counseling relationship for at least two years after cessation or termination of the pastoral counseling (consistent with the American Psychological Association Code of Ethics of 1992). The clergy person who engages in such activity after the two years following cessation or termination of the pastoral counseling relationship bears the burden of demonstration that there has been no exploitation, in light of all relevant factors, including the amount of time that has passed since the pastoral counseling relationship terminated, the nature and duration of the pastoral counseling, the circumstances of termination, the personal history of the counselee and others and any statements or actions made by the clergy person during the course of the pastoral counseling suggesting or inviting the possibility of a post-termination romantic relationship with the counselee.

Pastoral Counseling - Pastoral counseling is the special dimension of ministry in which a clergy person utilizes a variety of counseling perspectives and techniques to help people handle their problems and crises and thus work toward healing. A pastoral counseling relationship begins at the point that the clergy person and the person or persons seeking pastoral counseling explicitly agree to enter into a relationship wherein is understood that the clergy person will apply special skills to assist the other person or persons in resolution of problems or crises.

Sexual Harassment - (further definition) Sexual harassment can consist of a single intense or severe act or of multiple persistent or pervasive acts. There are many possible scenarios in sexual harassment situations. Each situation must be evaluated on a case-by-case basis. Types of unwanted conduct that constitute sexual harassment as listed by the Equal Employment Opportunity Commission include (but are not limited to):

1. Unsolicited and unnecessary touching, pinching, patting or closeness.
2. Sexist remarks about a person's body or clothing.
3. Sexually degrading words to describe a person.
4. Repeated propositions or explicit demands for sexual activity.
5. Sexually suggestive pictures or objects in the work place or gathering place for the group or activity.
6. Judging a person by looks or body instead of ability.
7. Unsolicited suggestive looks or leers.

8. Unsolicited attempt to fondle or kiss.
9. Unsolicited sexual comments, teasing or telling of jokes with sexual context.
10. Unsolicited letters, calls or materials of a sexual nature.
11. Offer to use influence in return for sexual favor.

NOTE:
The above definitions are provided solely for the purpose of this **SEXUAL ETHICS POLICY**. The definitions do not create any chargeable offenses pursuant to The Book of Discipline of The United Methodist Church. This policy does not sanction any conduct, which may constitute a chargeable offense pursuant to *The Book of Discipline of The United Methodist Church*.

Theological Reflections

Affirmations
Our relationship with and knowledge of God guides and illuminates our reflections on human sexual behavior. We affirm that:
- God created us as embodied sexual beings, male and female; there is no dichotomy between body and spirit—ourselves are not separate from our bodies (see Genesis 2:18-25).
- God calls us to honor our bodies and gives us responsibility over our own bodies (see I Corinthians 6:12-20).
- God calls us to honor the integrity of our neighbors, and their authority over their own personhood (see Deuteronomy 22:25-30).
- God calls us into covenant with each other within the family of God (see Deuteronomy 14:1-2; Ephesians 4:14-16).
- Christ taught, "You shall love your neighbor as yourself." (Matthew 22:39, NRSV)
- God, through the church, calls leaders (whether ordained, consecrated, elected or appointed) to witness to the preciousness of bodies, our own and others;, and to declare that each person is unique and of divine worth (see I Corinthians 6:19-20; Ephesians 4:1).
- In light of these understandings, when we honor the complete integrity of another, we honor and remember the Body of Christ.

Alienation/Confession
We sometimes make willful choices that violate our covenantal relationships, victimize others, and alienate us from God, others, and our best selves. The story of Jesus' temptation to misuse power (see Luke 4:1-13) reminds us of our own temptation to covet or employ unjust power which harms the fragile covenant relationship within ministry, church and community. When sexual misconduct violates community among persons within the church, brokenness is our common plight, and none is spared its suffering—"If one member suffers, all suffer together with it." (I Corinthians 12:26a, NRSV) God calls us to humility and repentance in order to gain "a new heart and a new spirit" (Ezekiel 18:30-32, NRSV; Matthew 18:1-5)

Redemption/Wholeness
For the abused, God came in Christ to proclaim wholeness through loving acceptance by empowering the powerless as Christ helps them name the oppressors and claim the healing that comes through justice (see Luke 13:11-13; John 9:1-7).
For the abusers, many of whom were also abused, God provides forgiving and healing power. When they confess their woundedness, and their own abusive actions, accept consequences while taking responsibility for their abuse and, in repentance, pursue reconciliation (see Mark 2:17b; Luke 18:13). As Christ's body, through God's grace, the church is entrusted with the ministry of naming the woundedness and abuse, vindicating the oppressed and reconciling community (see Matthew 18:15-18; II Corinthians 5:18-20).

Suggested Methods of Dealing with Allegations of a Breach of Clergy Sexual Ethics

I. Incidents Involving Children under 18 years old (For the purposes of this section, sexual misconduct includes all forms of sexual misconduct except sexual harassment and gender harassment.)

   A. If any incident of sexual misconduct is known or suspected to have occurred involving clergy and a person under the age of 18, the nearest agency or authority charged with child protection must be contacted immediately and a report given. This report is mandatory as outlined by the Ohio Child Abuse Reporting Law Section 2151.031.

   B. Do not confront or discuss the incident with the alleged perpetrator.

   C. Contact the District Superintendent or other church authority to inform them of the report that you have made.

II. Clergy Sexual Misconduct Against Persons 18 years old or older (For purposes of this section, sexual misconduct includes all forms of sexual misconduct except sexual harassment and gender harassment.)

A. If a clergy commits an act of sexual misconduct against you:
   1. Contact the Bishop or a district superintendent who will act according to his/her responsibility as outlined in ¶ 361 of the *2008 Book of Discipline of The United Methodist Church*. In addition, the bishop or district superintendent may include third parties for mediation and consultation.
   2. It is advisable to keep a journal which documents all incidents in question, including conversation and contacts with the person, dates, times, witnesses and descriptions of the incidents.
   3. When the alleged conduct constitutes a criminal act, report it to the police.

B. If you are accused of sexual misconduct:
   1. Listen objectively when confronted with behaviors that have caused discomfort or harm to another, whether intended or not, and be open to ways that your behavior can change.
   2. It is advisable to keep a journal which documents all incidents in question, including conversations and contacts with the person, dates, times, witnesses and descriptions of all incidents.

C. If sexual misconduct is reported by complainant to you as clergy, Deacon, Christian Education director, Diaconal minister, Staff-Parish Relations Committee chairperson:
   1. Listen objectively and take it seriously with due consideration and sensitivity given to the safety and emotional needs of the complainant.
   2. Make certain the complainant is aware of the East Ohio Annual Conference's Sexual Ethics Policy and his or her option to report the incident. Affirm with the complainant the decision to participate in reporting the incident(s) is in the hands of the complainant. The person hearing the report should resist making decisions for or attempting to influence the complainant.
   3. Alleged sexual misconduct is reported to the district superintendent. If the alleged perpetrator is the district superintendent, contact the bishop. If it is the bishop, contact the president of the North Central Jurisdiction College of Bishops.

III. Sexual Harassment and Gender Harassment

A. If you are sexually harassed or gender harassed by a clergy:
   1. It is advisable to keep a journal which documents all incidents of sexual or gender harassment including dates, times, witnesses and descriptions of the incidents. If you receive any written letters, cards, or memos of a suggestive nature from the harasser, it is advisable to keep them, noting the date received and how received (mailed to your home, left on your desk, etc.)
   2. If you choose, confront the alleged harasser before taking official action.
      a. Tell the alleged harasser firmly and clearly what behavior is not acceptable to you. If you choose, take another person with you for support. Be as specific as possible. This action, in many cases, will be sufficient (see attached Exhibit A); or
      b. Contact the alleged harasser in writing. Clearly state what behavior(s) and action(s) are not acceptable to you, or
      c. Contact another pastor or supervisor and ask them to talk with the alleged harasser. Clearly state what behavior(s) and action(s) are not acceptable to you.
   3. If you choose not to confront the alleged harasser, contact a district superintendent. See the list of district offices.

B. If you are accused of sexual harassment:
   1. Listen objectively when confronted with behaviors that have caused discomfort or harm to another, whether intended or not, and be open to ways your behavior can change.
   2. It is advisable to keep a journal which documents all incidents in question, including conversations and contacts with the person who confronts your behavior, dates, times, witnesses and descriptions of the incidents.
   3. If there is no one-on-one resolution you may contact a district superintendent.

C. If acts of sexual harassment or gender harassment are reported by complainant to you as pastor, Deacon, Christian Education director, Diaconal minister, Staff-Parish Relations Committee chairperson:
   1. Listen objectively and take it seriously with due consideration given to the safely and emotional needs of the complainant.
   2. Give complainant the East Ohio Annual Conference's Sexual Ethics Policy and review with her or him the option to report the incident to the district superintendent.
   3. If you are a district superintendent or in a supervisory position (such as senior pastor) and you are aware that an employee or clergy person is being harassed by another employee, clergy person or even a non-employee, you are legally required by 29 Code of Federal Regulations 1604.11 paragraphs "d" and "e" to take immediate and appropriate corrective action.

Statute of Limitations

Limitations of claims for sexual misconduct apply only to the extent that the behavior in question was one listed in *The Book of Discipline of The United Methodist Church* in effect at the time the behavior took place. A person may be charged with an offense only if

it was a chargeable offense in *The Book of Discipline of The United Methodist Church* in effect at the time the action was committed. The applicable limitation periods for sexual misconduct and sexual or gender harassment may be found in paragraphs ¶¶ 362.1.b), 413.3.a), and 2702.4 of the *2008 Book of Discipline of The United Methodist Church*.

The chair will then call for a vote on the (new) main motion. The new main motion can

be amended only by addition. If the substitute does not carry, without further debate the chair shall call for a vote on the original motion as it has been perfected.

I. **Division of the Question.** Before a vote is taken, any member may move to divide the question into two or more questions as the mover specifies, so that a separate vote can be taken on any particular point or points. If the conference sustains the motion, the division shall be made.

J. **Tabling Related Motions.** No motion which adheres to another motion or has another motion adhering to it can be tabled separately. Such motions, if tabled, shall carry with then the motions to which they adhere or which adhere to them.

K. **Limitations on Debate.** No member shall speak more than once on the same question until all who desire to speak have spoken. No member shall speak more than three minutes at any time without leave of the conference, provided, however, that a committee making a report shall be entitled to three minutes to close the discussion. There may be no more than three persons speaking in favor of any debatable motion and three persons speaking in opposition of the motion. The motion to limit or extend the limits of debate is in order at any time, except when a member has the floor.

L. **Motions After Speaking on a Pending Question.** A member who has spoken on a pending question may not, at the close of his or her speech, call for the previous question or move to table the motion.

M. **Who May Vote.** Every member who is seated within the voting area of the conference at the time of the question is put may vote. A member who is not within the voting area of the conference at the time the question is put by the chair may not vote, unless his or her absence is necessitated by the work of the conference.

N. **Previous Question.** When any member moves the previous question (that is, that the vote be taken on the motion or motions pending), the member shall indicate to what the previous questions shall apply if any secondary motion or motions are pending. If the member does not so indicate, the chair may regard the motion as applying to the immediate pending question. This vote shall be taken without debate and, if in the judgment of the chair two-thirds of those who are present vote for its adoption, the vote shall be taken on the motion or motions to which it applies.

O. **Interrupting the Speaker.** No one shall interrupt a member who has the floor except for:
   1. A breach of order
   2. A misrepresentation
   3. To direct the attention of the conference that the time has arrived for a special order of the day
   4. To raise a very urgent question of high privilege

P. **Reconsideration of a Question.** A motion to reconsider an action of the conference shall be in order at any time, if offered by a member who voted on the prevailing side. If the motion it is proposed to reconsider is non-debatable, the motion to reconsider may not be debatable.

Q. **Suspension of Rules.** The application of any vote of the provisions of these rules of order may be suspended at any time by a two-thirds vote of the conference.

R. **Robert's Rules of Order, Supplementary Authority**. In any parliamentary situation not covered in these rules of order, the conference shall be governed by *Robert's Rules of Order, Current Edition*.

S. **Adoption of Business by Consent**. In order to expedite the business of the conference, the Committee on Agenda, Rules and Administrative Process, in consultation with agencies or individuals presenting reports, recommendations or resolutions, may, on the opening day of the conference sessions, present a written list of items which shall be considered as adopted by consent of annual conference, unless they are removed from this list at a time set aside for this purpose on the second day of conference. A motion supported by 25 members of the conference shall be required to place an individual item from the consent list on the agenda. The Committee on Agenda, Rules and Administrative Process shall determine where on the agenda such an item or items shall appear.

T. **Authority of the Presiding Bishop.** The presiding bishop shall be the legal chairperson of the annual conference. The chairperson shall decide points of order raised by the members, and shall rule on points of order not raised by the members, as the chair deems necessary to conform to these rules, subject, in both cases, to an appeal to the conference by any member without debate, except that the chairperson and the appellant, in the order here named shall both have three minutes for a statement in support of his or her respective positions. A tie vote in the case of appeal shall sustain the chair. Any member who raises a point of order shall cite the rule adjudged to have been violated. The presiding bishop shall have the right to recess a session of the annual conference at any time at his or her discretion and to reconvene at such time as he or she shall announce. The presiding bishop shall also have the right to stipulate that the session shall reconvene with only members, authorized personnel and authorized guests permitted to attend such a session.

U. **Bishop's Right to Speak on Issues.** The bishop is not, and by church law cannot be, a member of the body over whom he or she is charged to preside. But he or she is head of the area, vitally concerned with the decisions of conference. Therefore, the bishop shall have the right to speak on the issues before the conference, provided that the bishop feels he or she should apprize the conference on matters pertaining to it.

V. **Amending Rules.** The rules of the annual conference shall be those printed in the latest *Conference Journal* until they have been altered or modified by the action of the annual conference. These rules may be amended or changed by a two-thirds vote of the conference, provided the proposed change or amendment for parliamentary rules, rules of procedure, annual

conference membership, Conference secretary, General and Jurisdictional nominations and election of delegates has originated in the Agenda, Rules and Administrative Process Committee. Proposed changes in the procedures for nominations and elections, organizational procedure for councils, boards, commissions and committees and district organizational matters must be presented to the Leadership, Nurture and Evaluation sub-division of the Leadership Committee. The Leadership Committee, as a whole, must act upon the change and present it to annual conference.

¶2. **RULES OF PROCEDURE**

A. **Attendance.** It is the duty of every ministerial member and local pastor under appointment of the annual conference to attend conference sessions and to furnish such reports in such form as *The Book of Discipline* may require. Any such person unable to attend shall report by letter to the conference secretary, setting forth the reason for the member's absence. Should any clergy member in active service be absent from the session of annual conference without a satisfactory reason for the absence, the matter shall be referred by the conference secretary to the Board of Ordained Ministry (*The 2016 Book of Discipline* ¶ 602.8). All members, both lay and clergy, who sign for full-time attendance at the conference are required to fulfill that commitment unless otherwise excused by the district superintendent; excuses, shall be for emergency purposes only.

E. **Document Distribution.** Printed material for official distribution to the conference shall be submitted to a committee consisting of the conference secretary, the chairperson of the conference Program Committee and the assistant to the Bishop. Promotional and/or informational material shall be distributed through the conference packet.

F. **Printed Reports.** Reports to the conference shall be included in the Pre-Conference Workbook when they are filed with *The Journal* editor and/or the Conference secretary by the published date for admission of reports to the Pre-Conference Workbook as set forth in conference rule 4.C. At the Conference secretary's discretion and after consultation with the chairperson of the board, committee, task force, or agency giving the report, reports prepared after the published deadline may be included in the Annual Conference packet or distributed at the site of Annual Conference. In such instances, the board, committee, task force or agency giving the report is responsible for duplicating costs incurred in presenting its report to the

Annual Conference. Further, the board, committee, task force or agency is responsible to provide sufficient quantities of the report to the Conference secretary no later than the session immediately prior to the scheduled time for the presentation of the report as scheduled on the agenda for Annual Conference. (Note: "sufficient quantities" means at least 1,500 copies of a report to be presented to the Annual Conference and 600 copies for reports presented to executive session.) When it is necessary for the Conference secretarial staff to print reports at the site of Annual Conference, one of the following two conditions must be met:

1. The Conference secretary or presiding bishop, in consultation with the presenter of the report, has determined that such publication of the report is necessary;
2. The Annual Conference has ordered the report's publication and distribution. The presenters of the report shall be responsible for the clarity and accuracy of the content of the report and shall present it to the Conference secretary in a "camera ready" form. The expense of producing the report shall be born by the agency presenting the material to the Annual Conference or, when ordered by the Annual Conference, at the expense of the Annual Conference. In all cases of printed reports, brevity is encouraged and appreciated.

G. **Formal Reports.** All boards, committees, agencies, task groups, individuals and officers either having official business to be presented to the Annual Conference for action or information pertinent to the Annual Conference, may request time on the agenda of the Annual Conference through the Annual Conference secretary and/or the Agenda, Rules and Administrative Process Committee. The total time allotted to such requests for time on the Annual Conference agenda shall be determined by the Agenda, Rules and Administrative Process Committee, upon recommendation by the Conference secretary or, while in a session of the Annual Conference, the presiding bishop or the Annual Conference itself. Brief and carefully prepared oral presentations of reports coming before the Annual Conference are encouraged and appreciated.

H. **Courtesies.** Persons introduced to the conference as a matter of courtesy shall refrain from speaking beyond three minutes.

I. **Resolutions.**

1. General Provisions
   a. Resolutions are matters for consideration by the Annual Conference which are not motions for action or proper amendments to reports by conference agencies, but which call for expression of opinion by the Annual Conference on issues of concern to the membership of the church and the general public. Resolutions may be submitted by any member of a United Methodist church or an annual conference organization in the East Ohio Conference.
   b. Resolutions shall be presented to the Conference secretary prior to the announced deadline for inclusion in the Pre-Conference Workbook. Where the secretary receives two or more substantially identically worded resolutions, the secretary may print one, indicating the total number of petitions received on that subject.
   c. Resolutions on subjects which become timely after the deadline has passed for inclusion in the Pre-Conference Workbook may be acted upon by the Annual Conference if submitted to the Conference secretary by 5:00 pm on the day before the opening of Annual Conference. The resolutions will be distributed in their entirety to the Annual Conference by the close of the first session. To be placed on the Annual Conference agenda, a resolution must receive at least a 2/3 vote without debate or question.

2. Procedures for Processing Resolutions for the Annual Conference Session
   a. The Conference secretary and *The Journal* editor shall receive and edit for clarity the resolutions to be printed and distributed to the Annual Conference. A member or designee of the Agenda, Rules and Administrative Process committee shall present resolutions for action by the Annual Conference at times designated by the Agenda, Rules and Administrative Process Committee.
   b. The person or agency making the resolution may support it with a two-minute presentation. If the person sponsoring the resolution is not a member of the Annual Conference, he or she may designate a member to be the presenter.
   c. Following the presentation by the sponsor, debate on the resolution shall be limited to two speeches in favor and two speeches in opposition of two minutes each. Any amendments to the resolution shall also be limited to two speeches in favor and two speeches in opposition of two minutes each. Resolutions may be amended until the previous question is called. Following debate, the conference shall then vote to approve or disapprove the resolution as amended. A two-thirds affirmative vote shall be necessary for adoption of the resolution as well as any amendments to the resolution.
   d. When the resolution is a petition to the General Conference, the following additional rules shall apply:
      1. No amendments shall be permitted.
      2. Only petitions endorsed by a two-thirds majority vote shall be forwarded by the Conference secretary to the General Conference.
      3. If the votes are counted the Conference secretary shall forward the tally to the General Conference with the petition.

3. Reporting back regarding the impact of Annual Conference Resolutions adopted.
   a. The maker of the resolution has the responsibility of reporting to the Annual Conference the following year regard-

ing who received the resolution, what was the response of the resolution and what if any dialogue was established. This information may be printed in the Pre-Conference Workbook.

J. **Source of Funding.** If action on a motion will require funding not specifically included in the budget, the motion shall include a recommended source of funding.

K. **New Organization.** All requests and/or motions which would expand the conference structure by establishing a new program or committee within the Annual Conference will be referred to the Conference Connectional Table. The Connectional Table must approve of the new committee by 2/3 vote before the Connectional Table recommends it to the Annual Conference for approval. Any new committee proposed or established must include an estimation of how long the committee is to exist. It must also name the existing Annual Conference body to which it would be accountable. Two-thirds vote of the Annual Conference is required to create new committees recommended by the Conference Connectional Table.

L. **Secretary, Statistician, Treasurer, Chancellor.** At the first session following the General Conference, the conference shall elect a secretary and statistician, upon nomination of the Committee on Agenda, Rules and Administrative Process in consultation with the cabinet and a treasurer upon nomination by the Council on Finance and Administration and a chancellor upon nomination of the bishop.

M. **Assistants.** The secretary, treasurer and statistician may appoint such assistants as they deem necessary to carry out the function of their offices.

N. **Conference Lay Leader/Associate Lay Leader.** At the first session following General Conference, the conference shall elect the Conference lay leader and associate lay leader for the upcoming quadrennium. The Board of Laity shall recommend prospective nominees to the Conference Leadership Committee and the Bishop by January 1 of that year to start the nomination process. Their considerations shall not be restricted to names submitted.

O. **Per Diem and Travel.** For clergy and lay members that experience significant financial hardships because of the cost of attending Annual Conference, an assistance fund and an application procedure shall be provided through the Treasurer's Office.

¶3. **ANNUAL CONFERENCE MEMBERSHIP**

A. **Lay Members.** Lay members and alternates to the Annual Conference shall be elected annually.

B. **Equalization of Lay and Clergy Membership.** The Constitution of The United Methodist Church (*The 2016 Book of Discipline* ¶ 32. Article 1) names the following laypersons as members of annual conference:

1.) Lay members elected by each charge
2.) Diaconal ministers
3.) Active deaconesses
4.) Home missioners under episcopal appointment within the bounds of the annual conference
5.) Conference president of United Women in Faith
6.) Conference president of United Methodist Men

13.) One young person between the ages of 12 and 17 from each district
14.) One young person between the ages of 18 and 30 from each district
15.) Additional lay members to equalize additional clergy serving in local churches

In addition to those lay members as outlined by *The 2016 Book of Discipline*, Lay membership will include the following:

16.) Lay members of the Board of Ordained Ministry
17.) Lay members of the Agenda, Rules and Administrative Process Committee
18.) Lay members of the Annual Conference Daily Proceedings Team
19.) Lay members of the Annual Conference Program Committee

21.) Lay chairpersons of Conference Committees, Commissions, Boards, and Teams
22.) Lay delegates to General and Jurisdictional Conference
23.) Lay executive and director staff
24.) CCYM Executive team
25.) Two youth CCYM members from each district

After the laypersons serving in these positions are counted and the number compared to the total number of clergy members of annual conference, the balance needed shall be filled by district lay members at-large.

The balance shall be divided among the districts by dividing one-half of the total needed equally among the districts. The remaining portion of the number needed shall be proportioned among the districts by dividing the total local church membership of the annual conference into the total district local church membership and multiplying the result by the remaining portion of the number needed for equalization.

C. Equalization Process for Districts

1. By January 15 of each year, the Conference secretary shall determine, according to the provisions of this rule, the number of at-large members to be elected by each district conference and communicate this number to the district superintendents. By February 15 each year, the district superintendents shall certify to the Conference secretary, according to the provisions of this rule, the names and addresses of persons elected as at-large members from their respective districts.
2. District conferences shall elect their respective district lay members at-large of Annual Conference. Of the total number set by the Conference secretary for each district, a minimum of two of these members must be between the ages of 18 and 30 at the time of spring district conference immediately preceding their conference of membership. The nominating process by which each district conference develops its candidates for district lay member at-large positions shall be determined by each district conference. Each year each district shall seek eligible nominees in number not less than one and a half times the number of total district members at-large needed to complete the district delegation. In making such nominations, each district is to nominate at least two persons between the ages of 18 and 30 to stand for election as a district lay member at-large, or as many as are available or required. The nomination process in each district shall be determined by the district conference. The election process shall be as follows:
   a. At each spring district conference, the district conference shall elect qualified district members at-large one year before the Annual Conference session in which their representation shall take place.
   b. After all nominations are received, the district superintendent shall announce to the district conference the number of district lay member at-large positions available as certified by the Annual Conference secretary.
   c. Ballots shall be distributed to each member of the district conference with the names of all eligible nominees printed or written on the ballot. Eligibility for election as a lay member at-large must be certified by each nominee. The qualifications are:
      1) Active participation in The United Methodist Church for the four years immediately preceding their election;
      2) Membership in The United Methodist Church for the two years immediately preceding their election.
      3) Qualifications for lay membership in Annual Conference are set by the Constitution of The United Methodist Church. Neither the district conference nor Annual Conference can modify these qualifications for election.
   d. Members of district conference shall vote for the exact number of persons needed for the lay member at-large delegation from their respective district. Ballots received with less or more votes than the exact number needed as certified by the Annual Conference secretary shall be declared invalid.
   e. Ballots shall be counted and vote totals recorded in order of the number of votes received for each nominee down to 1 and a half times the number of persons needed for the lay member at-large delegation. Persons shall be declared elected or elected as alternates to Annual Conference in order of total votes received.
   f. In the event a person elected as a district lay member at-large to Annual Conference is unable to serve, a replacement shall be named from those elected as alternates in order of the votes received at district conference. In the event that a district has an insufficient number of elected alternates for any given year, the delegates to the spring district conference immediately proceeding the Annual Conference session may elect additional alternates to represent the district.
   g. If a position designated for a member at-large between the ages of 18 and 30 is vacated or left vacant following the district conference one year before their Annual Conference membership, it must be held open for an eligible and qualified person of the same age group to be elected at the district conference in the following year. If no persons of this age group stand for election at this time, it may be filled by any other elected delegate through normal procedures.
3. In addition to district lay members-at-large, each district shall be represented by at least two youth ages 12-18. In those districts where senior and/or junior high youth members of the Conference Council on Youth Ministries meet the disciplinary qualifications for lay membership in the Annual Conference, said youth member(s) shall serve as the person (s) between the ages of 12 – 18 from that district holding membership in the Annual Conference. In the event that one or both of the CCYM members from the district do not meet the disciplinary qualifications for lay membership in the Annual Conference, the District Council on Ministries, upon recommendation by the District youth coordinator, shall select the appropriate number of eligible persons between the ages of 12 – 18 for membership in the Annual Conference.

¶4. **CONFERENCE SECRETARY**

A. **Official papers.** The secretary shall take charge of *The Journal* and other official papers of the Conference and preserve them with care. No one shall be permitted to take any original paper without the consent of the Conference.

B. **Official Record**. The official record of the Conference is *The Journal*, containing reports of the Conference organizations and reports and information required by *The Book of Discipline.* The editing and publishing of the official record shall be under the supervision of the Conference secretary.

1. Reports and information of the Conference, which do not require the legislative action of the conference, along with reports from affiliated institutions are due to *The Journal* Editor by **March 15** for inclusion in *The Journal*.
2. The Pre-Conference Workbook contains reports and resolutions, which require the legislative action of the Annual Conference. Material published in the Pre-Conference Workbook is not the official position of the Annual Conference. When the material is perfected and approved by the conference, it shall become part of the official record of the Annual Conference and published in *The Journal*. The deadline for submission of resolutions is **March 15**. The deadline for submission of reports for legislative action is **March 15.** The Pre-Conference Workbook shall be distributed by **May 15.**
3. Any amended report is due to the journal editor by July 15. If there are no changes, chairpersons should confirm that as well.
4. The *Conference Journal* will be distributed by **November 15**.

D. **Daily Proceedings Review Committee.** The Leadership Committee shall nominate a committee of four people to be elected by the Annual Conference. This committee shall read and correct the record of daily proceedings kept by the Conference secretary, and shall report to the Annual Conference near the close of the annual session. The committee's report will constitute the approved record. The committee shall serve for the quadrennium.

E. **Authority to Print.** The secretary shall have the authority to print the proceedings of the last of the conference sessions without a formal report of the Daily Proceedings Review Committee.

F. **Standing Rules.** The Conference secretary is authorized to edit the standing rules and regulations annually and to bring them into harmony with any conference actions when no such specific action is taken relative to necessary change. The Conference secretary will also edit the rules to bring them into conformity with the current *Book of Discipline*, once a quadrennia.

¶5. **NOMINATIONS AND ELECTIONS**

A. **General Policies.** The Leadership Committee shall recruit, develop, nurture and evaluate people who have been nominated and elected to serve on annual conference agencies. It is the responsibility of the Leadership Committee to insure that the people who serve in the various volunteer positions throughout the Conference structure represent the diversity of our annual conference. Unless otherwise stated by *The Book of Discipline*, all boards, committee, commissions and agencies of the annual conference shall be composed of one half laypersons and one half clergy persons.

B. **Nominating Process.** The Leadership Committee of the annual conference is responsible for nominating all persons to serve in the Conference structure except where provided for in *The Book of* Discipline, the Conference rules, or the Conference structure. The Leadership Committee shall present its report as early as possible at the annual session. Additional nominations may be made from the floor to the councils, boards, commissions, committees and other agencies unless prohibited by *The Book of Discipline.* If necessary, ballots will be cast at a later session of the conference. The consent of the nominees shall be secured prior to the presentation of the nomination to the conference from the floor. Nominations from the floor must include the nominee's name, address and eligibility. When The Discipline or Conference rules specify that a nomination must come from a certain person or agency, a request for an additional nominee to be considered may be made from the floor of Annual Conference. If the request is supported by a majority vote of conference members, the additional nominee shall be considered by the responsible person or agency and reported to the Annual Conference.

C. **Nominations Deadline.** All nominations originating in offices or groups other than the Leadership Committee must be in the hands of the Leadership Committee by March 1 of the year those nominations are to be presented to the Annual Conference, except for institutional trustees. The deadline for the nomination of institutional trustees is May 1. The Leadership Committee shall review all nominations and may suggest changes to those who made the nominations.

D. **Tenure Limitation.** Unless otherwise permitted by the Annual Conference or *The Book of Discipline*, membership on all conference councils, boards, commissions, or committees elected by the Annual Conference shall be limited to two quadrennia. In the case where a person fills a vacancy in the third or fourth year in a quadrennium, he/she shall be permitted to serve two additional quadrennia. After a person has served the full tenure permitted for the various positions within the annual conference he/she will be ineligible for service on the *same* agency of the annual conference for four consecutive years.

E. **Limitation on Membership.** Unless otherwise directed by the Annual Conference or *The Book of Discipline*, no one shall be elected to more than one council, board, commission or committee of the conference, except for:

1. Persons who are serving on Conference councils, boards, commissions or committees by virtue of election to a general or jurisdictional agency. (These people are eligible for election to a Conference council, board, commission or committee and also be eligible to serve as an ex-officio member of the Conference agency which carries out the functions on the Conference level that are directed by the general or jurisdictional agency to which the person has been elected);

2. Persons who serve on Conference agencies which exist for the sole purpose of facilitating the sessions of Annual Conference. Persons who serve as members of the Annual Conference Program Committee, Worship Task Group, and the Agenda, Rules and Administrative Process Committee are eligible for election to one Annual Conference council, board, commission, or committee;
3. Persons who serve the East Ohio annual conference by virtue of their positions on the Committee on Investigation and the Administrative Review Committee are also eligible for election to a Conference council, board, commission, or committee.

F. **District Superintendent Membership**. *The Book of Discipline* requires that all district superintendents be members of the Conference Connectional Table. Their assignment to all other Conference agencies, unless otherwise stated in *The Book of Discipline*, shall maximize their function as a connecting link between the congregation and the conference. Assignments shall be at the discretion of the resident bishop in consultation with the Leadership Committee and the respective organization. Membership will be termed ex-officio with vote.

G. **Institutional Trustees.** Nominations for trustees elected or confirmed by the Annual Conference to serve on the boards of trustees of hospitals, homes and educational institutions shall be made by the agencies themselves. The Leadership Committee may suggest nominees to the respective agencies. The Leadership Committee shall present the list of trustees to be elected by the Annual Conference on behalf of the various agencies. A person's membership on an agency board of trustees does not negate his or her eligibility for service on a Conference program board or agency.

H. **Ex-Officio Membership.** Unless otherwise specified by *The Book of Discipline* or Annual Conference rules, an ex-officio member assigned to a board, committee, commission or council may vote. The bishop of the Ohio East Area and the Annual Conference lay leader are ex-officio members with vote on the following conference councils, boards and committees unless specified otherwise in *The Book of Discipline* or by conference action:
   1. The Council on Finance and Administration
   2. The Board of Pensions
   3. The Board of Trustees
   4. The Commission on Archives and History
   5. The Commission on Equitable Compensation

   At the discretion of the bishop, he or she may designate the assistant to the bishop to serve in his or her place with vote on the conference council, board, commission or committee named above. For strategic missional concerns, the Episcopal leader shall have direct access to any board, committee, commission, or council of the Annual Conference.

¶6. **ORGANIZATIONAL PROCEDURE FOR COUNCILS, BOARDS, COMMISSIONS AND COMMITTEES**

A. **Organizational Structure.** All provisions concerning the size, configuration and responsibility of conference councils, boards, commissions and committees are delineated in the ANNUAL CONFERENCE STRUCTURE AND ORGANIZATION section of the current *Conference Journal*. The size of the Conference boards, commissions, committees, councils and agencies shall be limited to the absolute minimum number of persons specifically called for throughout the structure. Each Conference council, board or commission is authorized to perfect its organization by forming divisions, sections and/or committees from its membership, as may be advisable to carry out its function. Proposed changes in the procedures for nominations and elections, organizational procedure for councils, boards, commissions and committees and district organizational matters must be presented to the Leadership Committee. The Leadership Committee must act upon the change and present it to Annual Conference. Task groups for specific tasks may be formed and can include persons who are not members of the agency forming the task group. In such cases though, all expenses of the special task group must be born from the existing budget allocated to the agency forming the task group. The Leadership Committee shall be informed of the need for the task group and shall be told why the task assigned to the special group cannot be carried out by the existing membership of the agency. Each special task group formed by an existing agency shall have a time line which sets forth when the task for which the group has been formed is to be completed and when the group called together for the task is to be dissolved.

B. **Officers.** Unless otherwise stated by *The Book of Discipline*, all chairpersons of Conference committees, boards, commissions, and agencies shall be nominated by the resident bishop, after consultation with the Leadership Committee and elected by the Annual Conference.

C. **Task Group or Study Commission Established by the Annual Conference.** Any Conference action requesting a study, administrative action, specific task or program emphasis shall be presented to the conference by the close of the next-to-the-last day of the Annual Conference and shall require a 2/3 majority vote for approval. Unless the composition of a task group/study commission is specified in the enabling legislation, any conference actions which request a study, administrative action, specific task, or program emphasis shall be referred by the Agenda, Rules and Administrative Process Committee (ARAP) to existing Conference councils, boards, commissions, committees and agencies under whose disciplinary or structural responsibility such an action or study falls. If the ARAP Committee should determine that the requested study, administrative action, task, or program emphasis ordered by the conference does not clearly fall under the jurisdiction of an existing agency within the Conference structure, ARAP shall report such findings to the Annual Conference in the same session

which ordered the action, and shall recommend to the Annual Conference a proposed organization to carry out that action, how long the organization is to exist, and to what existing Annual Conference body it is accountable. Furthermore, if the action requires financial support, the request shall be referred to the Council on Finance and Administration for proper funding.

D. **Vacancies.** Should vacancies occur between session of the Annual Conference, the Leadership Committee shall present nominees to fill in the vacancies and his or her assignment will be reported to the next regular session of the Annual Conference.

E. **Attendance Requirements.** The Leadership Committee shall evaluate the performance of Conference committee, council, board and agency members and chairpersons. The committee, in consultation with the agency chairperson or in the case of a chairperson in consultation with the resident bishop, may declare seats vacant where persons have not fulfilled the responsibilities of their offices.

F. **Listing in the Conference Journal.** The Leadership Committee shall present the names of persons who will serve the Annual Conference structure. This report shall be presented to the editor of *The Conference Journal* for publication following each session of Annual Conference.

¶7. **ELECTION OF GENERAL AND JURISDICTIONAL DELEGATES**

A. **General Provisions**

1. The Annual Conference secretary shall conduct the election of General and Jurisdictional Conference delegates under the provisions set forth in *The Book of Discipline of The United Methodist Church* and in strict compliance with the standing rules of the East Ohio Annual Conference.
2. All voting shall be by ballot. The balloting process shall be prepared by and/or authorized by the Annual Conference secretary.
3. Balloting shall begin as early as possible in the regular Annual Conference session immediately preceding the regularly scheduled session of the General Conference of The United Methodist Church.
4. Balloting for General and Jurisdictional Conference delegates shall be considered an order of the day whenever called for by the Agenda, Rules and Administrative Process Committee.
5. The number of General Conference lay and clergy delegates authorized by the secretary of the General Conference shall be elected first, followed, through continuing ballots, by the election of the additional number of lay and clergy Jurisdictional Conference delegates**.**
6. Lay and clergy candidates elected to Jurisdictional Conference shall be reserve delegates to General Conference in order of their election to the Jurisdictional Conference delegation.
7. Reserve lay and clergy delegates in the General Conference delegation who are attending sessions of General Conference may be seated for an elected East Ohio delegate to General Conference in the General Conference session as per the Rules of General Conference.
8. The Annual Conference secretary shall have the authority to name lay and clergy head tellers for the purpose of conducting the election of lay and clergy delegates to General/Jurisdictional Conference.
9. The results of the balloting shall be kept strictly confidential throughout this process until they are announced by the bishop to the Annual Conference.
10. Candidates who receive 10 or more votes on the first lay and clergy ballot as a General/Jurisdictional Conference delegate shall have their names, charges, districts and vote totals reported to the Annual Conference. At any time in the balloting process, should a candidate, lay or clergy, who has not been previously presented to the Annual Conference receive 10 or more votes, that candidate's name, charge, and district shall be reported to the conference before the conference takes another ballot.
11. After the second and remaining ballots for General/Jurisdictional delegates, the names and vote totals of candidates who receive 25 or more votes shall be reported to the Annual Conference.
12. Upon the election of the General Conference delegates, the names of those so elected shall be reported to the Annual Conference. Upon the election of the total General/Jurisdictional delegates and reserves, those names shall be reported to the Annual Conference.
13. The Annual Conference secretary shall give instructions for the casting of each ballot prior to the casting of the ballot by members of Annual Conference.

B. **The Election Process**

1. To be elected as a delegate to General Conference/Jurisdictional Conference a candidate must receive a majority of the valid ballots cast.
2. In case of a tie at any point in the election process, a special ballot will be taken to determine the order of election prior to resuming the regular balloting process.
3. A motion for a plurality ballot for alternates to Jurisdictional Confernce shall be in order provided at least one alternate has already been elected by majority vote. This vote will require a two-third majority vote.

C. **Additional Provision for Lay Elections**

1. At the charge conference prior to the year that the Annual Conference elects its General and Jurisdictional delegation, each charge conference may nominate a member of that charge conference or any other charge in the East Ohio conference as a candidate for lay delegate to General Conference. The consent of the person nominated shall be obtained before his/her name is presented to the district conference. Nominees must be willing to attend the full session of the General and/or Jurisdictional Conference, if elected.
2. Prior to the session of Annual Conference that elects its General/Jurisdictional Conference delegation, each spring district conference shall elect by ballot vote (with a plurality needed for election) their nominees for election as lay delegates to General/Jurisdictional Conference. This shall be a minimum of five and up to the number of nominees as provided under rule 3.b. for district-at-large members of the Annual Conference, as district nominees for election as lay delegates to General Conference. Districts will set their own number to be elected and are encouraged to be selective at this level where the people are best known. The slate will include the persons nominated by the charge conferences of the district as well as any nominated from the floor of the district conference. This ballot shall be voted on by the lay membership of the district conference. The Conference secretary shall provide forms requesting the names and autobiographical data from the selected nominees. Nominees will be asked to include such information as their experience in church leadership, what they see as the key issues for the denomination and what their passion is for the church. They also will be asked to acknowledge that they are familiar with United Methodist polity (Conference Rule PP7.C.4.b). The district superintendents shall return the forms to the conference secretary not less than 30 days prior to annual conference. Autobiographical data concerning the district nominees shall be mailed to lay members of Annual Conference 15 days prior to Annual Conference.
3. The district nominees shall be introduced at a meeting for lay members on the first day of the Annual Conference session when the General and Jurisdictional delegation is elected. The lay members of Annual Conference may make additional nominations from the floor at this time. When the nominations are closed, those nominated from the floor shall be introduced. No one shall be nominated from the floor without having consented to his or her name being presented. Biographical data on floor nominees shall be submitted by the nominee to the Conference secretary (on forms provided) immediately at the close of the nominating session. Biographical data on these additional nominees shall be reproduced and distributed to lay members prior to the casting of the first lay ballot.

D. **Additional Provisions for Clergy Elections**

1. At the charge conference prior to the year that the Annual Conference elects its General and Jurisdictional delegation, each clergy will receive a nominating form to complete if he/she wishes to be considered for election to General and Jurisdictional Conference.
2. The forms will be sent to the Conference secretary by January 31 prior to Annual Conference and a voters' guide shall be mailed to clergy members of the Annual Conference no later than 15 days prior to Annual Conference. Because of Disciplinary requirements, all clergy will be assigned a voting number at Annual Conference, but candidate biographical information will be distributed only for those who choose to fill out a nomination form.

E. **Organization of the Delegation**

1. The bishop is requested to convene a meeting of the General and Jurisdictional Conference delegates within 14 days after the conclusion of the Annual Conference session at which delegates were elected.
2. The delegates thus assembled shall elect a chairperson and other officers as the delegates deem necessary from the General Conference delegates.
3. The first reserve lay and clergy delegates shall attend the sessions of General and Jurisdictional Conference. The Council on Finance and Administration shall provide for their travel and per diem costs at rate equal to that provided by General or Jurisdictional Conference.
4. The delegation is authorized to hold such meetings as they deem advisable in preparation for their work. We request from the Council on Finance and Administration funds adequate to cover the expenses of the delegations in the appropriate years, including the travel and per diem costs for the first reserve lay and clergy delegates at the General and Jurisdictional Conferences. Facilities of the Area Center shall be available for duplicating and mailing service needed by the delegation
5. Under the direction of the new chairperson, the delegates shall express their preference for service on legislative committees in the order of election, beginning with the first elected lay person and alternating the first elected clergy person, etc. If the delegation is composed of more delegates than there are legislative committees, persons may have the choice of doubling up on a committee in the number exceeding the number of legislative committees – i.e. If there are 10 committees and 11 elected clergy and lay delegates, one person in the delegation shall be permitted to "double up." This option may be exercised by each person in order of election until that option is no longer available.

¶8. **SUGGESTION AND NOMINATION OF EPISCOPAL CANDIDATES**

A. The Episcopacy Committee of the Annual Conference may provide information from the Jurisdictional Episcopacy Committee to the spring district conferences prior to the Annual Conference session at which Jurisdictional delegates are elected. Information from the Episcopacy Committee may be shared for the purpose of identifying and discussing the qualities needed for the episcopacy in the jurisdiction. Any ordained elder in full connection from East Ohio who match the qualities needed for the episcopacy may be discussed. No vote, recommendation or endorsement will be taken by the spring district conferences for Episcopal nominees.

B. Each conference member will be given the opportunity to write the name of one ordained Elder in full connection that he or she would like to have considered for the episcopacy during the Annual Conference session at which the Jurisdictional delegation is elected. The names of those who have received 10 or more votes will be read to the Annual Conference and given to the Jurisdictional delegation by the Conference secretary. The Jurisdictional delegation shall then determine its own process by which the delegation will recommend a nominee for the episcopacy. The delegation may also decide not to recommend a nominee for the episcopacy.

C. At the Annual Conference session prior to the next regular session of the Jurisdictional Conference, the Jurisdictional delegation may present one or more names for nomination to the Annual Conference. The Jurisdictional delegation may also choose to present no names to the Annual Conference. Nominations from the floor shall be in order. The ordained Elder in full connection who is being nominated from the floor shall have given his or her consent prior to the making of the nomination. Following the nomination from the floor, the nomination must have the support of at least 50 conference members, present and voting, to sustain the nomination. This support shall be demonstrated by the show of hands when called for by the bishop.

D. Once all nominations have been received, the Annual Conference shall proceed to indicate a nominee (or nominees) by ballot vote. Conference members may cast one or more votes up to the number of nominees presented or they may cast a ballot which clearly indicates they desire that no Episcopal nominee be endorsed by the Annual Conference. Nominees receiving a simple majority of valid ballots cast shall be endorsed by the Annual Conference.

E. The Jurisdictional delegation shall not be bound by any action of the delegation or the Annual Conference regarding the endorsement of nominees when the Jurisdictional delegates cast their votes at Jurisdictional Conference (¶505.1, *2016 The Book of Discipline*).

¶9 **DISTRICT ORGANIZATION**
