Discover...Mission is a program of United Methodist Volunteers in Mission (UMVIM) designed to cultivate young mission leaders in the church. During the mission journey, participants will grow

in their intercultural competency by working alongside young members of the Blackfeet Nation and attending North American Indian Days - an annual festival hosted by the tribe.

Participants will also receive hands-on training to become UMVIM Team Leaders. Space on the team is limited, so apply today! Go to: umvim.org/discovermission
