

An UMVIM Journey: Mondays in March

Works of Service as a Lenten Practice

Team Leader: Kathy Dickriede kdickriede@gmail.com

Free event, register on Eventbrite: https://umvim_mondays.eventbrite.com

We want you to experience the East Ohio overnight mission sites so that:

- You will discover the amazing ministries that you make happen through apportionments and that you could partner with in hands on ways, building relationships.
- You might plan an UMVIM Journey with your youth or local church.
- You will get excited about these ministries and help advocate for them in your church and district.
- You will be living out your call of discipleship to be God's agent of transformation in the world!

COVID Smart

- If you don't feel well, please don't attend.
- Take your temperature in the morning before you leave your house.
- Drive yourself or carpool with people you know.
- Masks required.
- We will be practicing social distancing.

What will we be doing at the mission sites?

Each site will be planning our time together. Some things we might be doing include: touring the mission, hands on mission, panel discussions with clients or people from the community discussing why the mission/ministry is needed in the community, transitions in the community, goals for the agencies, what someone would do if they brought an UMVIM team in the summer or throughout the year, and sharing promotional videos.

Schedule

9:30am arrival to be ready to begin at 10:00 am. Mission site leaders will plan our time together.

12:00noon lunch provided by mission station or pack your own, social distancing for meal or fasting for some as a spiritual practice or in response to personal cautions during COVID.

1:00pm Mission planned activities

2:00pm Spiritual reflection and closing worship
