Ohio's free online tool for connecting to local addiction recovery, reentry, & anti-human trafficking resources.

RELINK.ORG'S FAITH-BASED MISSION

Relink.org is committed to spreading the Word of God through our work. Our team works closely with faith-based leaders to serve others and make a positive impact in our communities.

USE RELINK.ORG TO SERVE OTHERS

Relink.org empowers churches to quickly connect people in need with community resources. Simply put, relink.org allows you to extend yourself without exhausting yourself.

Many people seek assistance from churches for housing, bill pay assistance, clothing, food and furniture. Relink.org lists resources in all 88 Ohio counties that can help them with those needs.

Churches are able to serve their community better through relink.org by listing programs they offer such as food pantries, bill payment assistance, and addiction recovery groups such as Celebrate Recovery. You can also utilize relink.org to find opportunities for your church members to volunteer and give items to non-profits who are in need.

WHAT LEADERS SAY ABOUT RELINK.ORG

"Over the years, we have had countless people call or stop in our church with specific needs. Many of them asking for money towards rent, help with finding a job, or needing groceries/clothes etc. We were usually at a loss as of where to refer people to, and as a church we do not have all of those additional funds to give out. I was so thankful to find out about relink.org. We now have one place to connect people to that can help them meet their specific needs and the database is free."

- Local church Outreach Pastor
