

Blue Rose Mission is a non-profit organization whose mission is to show Christ to our less fortunate neighbors by providing them with quality home repair and improvements at no cost to them. We serve all of Richland County although our focus tends to be on the greater Mansfield area.

Work groups such as youth groups and young adult groups choose Blue Rose Mission as their mission trip and they come in to help us serve our community. However, due to the recent pandemic, far fewer work groups are choosing to take mission trips at all. Without these groups, we find ourselves in need of more help physically as well as financially.

We are trusting God to bring the right people around us to provide for our organization. If you would like to be part of that, please visit [www.blurosemission.org/donate](http://www.blurosemission.org/donate) .

For more information, visit our website at [www.blurosemission.org](http://www.blurosemission.org) or our Facebook page at <https://www.facebook.com/BlueRoseMissionMansfield> . You can also email our Executive Director at [workmission@blurosemission.org](mailto:workmission@blurosemission.org).
