*The mission of the East Ohio Conference of the United Methodist Church is to be a servant after the model of Jesus Christ; equipping others to make and mature disciples of Jesus Christ.*

## **3:12 Project Application for Home Repairs**

To qualify for building repair assistance from the 3R's Work Mission Program...

- " There must be financial need.
- " The person should own (not rent) the home / property.
- " It has to be a SAFE working environment; ie. all pets restrained
- " Applications are accepted on an ongoing basis. Approved projects will be performed during the summer/fall months immediately following the date the application is received.

All applications are considered. Please note the following:

- " 3R's Mission Team will select appropriate work sites based on this criteria, and the gifts and preferences of the registered 3R's groups.
- " Those receiving assistance need to recognize that 3R's groups are volunteers and not professionals.
- " 3:12 Projects are generally within the district's defined boundaries
- " 3:12 Projects should be able to be completed in a one or two day time frame.

**I agree to and understand the following when applying for and receiving assistance from the 3R's Work Mission:**

1. I understand that simply applying for repairs does not guarantee that my home will be selected or that the work will be done during the upcoming summer months.
2. I understand that everything asked for on my application may not be completed. Generally, the 3R's Work Mission Team makes one repair per year per home.
3. I agree to have a responsible adult present in my home while work is being done.
4. I understand sometimes a 3R's group may start a project and because of uncontrollable circumstances may not finish on scheduled day. 3R's team will secure the home until another group can complete the project if at all possible.
5. I understand and agree that restroom facilities will be made available by me in my home for the work team members while they are on-site.
6. I understand and agree to be responsible for the removal of any material (old shingles, plywood, siding, underpinning, etc.) that may be removed.
7. Unless the materials were provided by the homeowner, I understand that any unused project construction materials are the property of the Three Rivers District and will not be left on-site.
8. I understand and agree that pictures may be taken at my home by the 3R's groups and may be used to promote the ministries of the Three Rivers District of the East Ohio Conference of The United Methodist Church
