First, we pray.

Gifted Gaits, Inc. provides Equine Assisted Therapy to people of all ages. A center where horses help humans heal mentally, emotionally, spiritually, and physically, we provide a safe and wholesome environment that encourages healthy lifestyles. We bring the love of Jesus and share it with everyone who visits the farm.

You can help us by:

- Sharing your time and talent by volunteering in any of our many individual and group programs
- Praying for our 21 horses and for the people who come to us with multiple needs
- Donating through East Ohio Conference treasurer (<https://www.eocumc.com/donate/index.html>) Advance Number 9919.
- Writing a check to Gifted Gaits, Inc. and sending it to the address on this flyer
- Donating through our Facebook page or website.

Grooming and decorating horses is great for multiple modalities. Riding and movement strengthen core muscles. Leading develops courage and strength. Bonding creates understanding and love.
