

EAST OHIO UMC

As part of the United Methodist faith community, we are called on to be disciples, make disciples and mature disciples for Jesus Christ. Through Lay Servant Ministries we strive to do just that by equipping Laity in the principles of Leading, Caring and Communicating. The Lay Servant Ministry Committee offers a Basic information course for those interested in learning about Lay Servant Ministries. That can be followed by courses in the areas of Spiritual Gifts, Leading Prayer, Preaching, United Methodist Heritage, Leading Worship, and United Methodist Polity for those called on to become a Certified Lay Servant or a Certified Lay Speaker. Those called to serve in the local church or beyond can follow the track to become a Certified Lay Minister.
