

Virtual Missions

A virtual mission is the same as a 'regular' mission.....but different. Just imagine the possibilities as you set the team, plan a week of mission, learn, explore, connect, and partner with project sites around the world! The journey may be adapted in ways to best benefit the group and might be helpful for small groups, Bible studies, or missions committee discussions.

Virtual Missions are hosted by an individual, local church, district, or conference and have a team leader trained in Virtual Missions. Team Leaders often work with missionaries to present information around specific projects and details of the mission. These mission journeys are open to everyone from any church, district conference, or jurisdiction.

Where would you like to serve virtually? Contact East Ohio Conference UMVIM Coordinator Kathy Dickriede at eocumvim@gmail.com.

Upcoming Virtual Missions

Angola

Belize

Guatemala

Holy Lands

Honduras

Kenya

Liberia

Philippines

Ongoing Virtual Missions

Highland Support Project

McCurdy Ministries

Motown Mission

McCurdy Ministries
