

YOUTH SERVICE FUND

Youth Service Fund (YSF) is an organization which collects donations and distributes them in support of mission projects focused on youth, locally in the East Ohio Conference, as well as nationally and throughout the world. It is administered globally by the Division on Ministries with Young People within the General Board of Discipleship of The United Methodist Church, and locally by the East Ohio Conference Council on Youth Ministries (CCYM). YSF provides a way for youth to be in real ministry with each other; not only do youth contribute money and receive the money for their ministry projects, but they also decide which projects are chosen. Youth Service Fund really is youth in ministry!
